FRIDAY, NOVEMBER 5, 1909.

It has been decreed that the peach basket hat must go but we are thankful that the peach under the basket hat will remain with us.

Election is now over and people who are dissatisfied with the results, will have time between now and Thanksgiving day to find fault with the Almighty for not arranging matters to suit their individual ideas and desires.

Uncle Joe Cannon still is used as a pounding bag by many of the pure in heart, but no man in America carries his years better or looks more hale and hearty.

Socialism is still making feeble efforts. But just about every time a laboring man builds a home or puts a piano in the home he already owns, Socialism loses one vote.

Tammany was successful in electing Judge Gaynor Mayor of New York but lost the balance of their ticket. Gaynor was fortunate in having opposed to him one man who was not very well known and another who was too well known.

The Democratic press were so violent in their denunciation of the proposed seventh amendment to the Constitution that their constituents became muddled, and confounded the proposed ten amendments with the ten commandments and acting upon the principle that amending the constitution of the state of Pennsylvania by adding the ten commandments would abridge the rights of the people, they voted against the amendments, and were particularly strong against the seventh amendment.

WHERE IS THE MAN

Who Saw This the Last Time it Was Here.

The Star of Bethlehem, the star which guided the wise men of the East to the spot where the new-born Saviour lay in the manger at Bethlehem, may now be seen any morning just at daybreak in the eastern sky.

BOY DRAGGED BY COW DIES.

His Mother Was Attending His Father's Funeral at the Time.

Northport, L. I., November 2.—While Mrs. Frank Bennett was accompanying the remains of her husband, whose funeral was held last Friday afternoon, to the cemetery, her 6-year-old son, Charlie, who had been left at home, got wound up in a rope attached to a young heifer, and was fatally injured.

7,500,000,000 DRINKS MISSED

Prohibition Statisticians Say That Means 1,408,098 Men Went Dry.

Chicago, Ill.—Drinkers in the United States have "gone shy" 7,500,000,000 drinks in the last two years. That is the gist of statistics issued from Prohibition national headquarters.

In the same period, the statisticians assert, 1,408,098 men who were accustomed to take an average of four drinks of grog each day to become total abstainers. If the 7,500,000,000 drinks that were missed had gone across the bar for consumption, they would have cost \$464,449,997.15 at the regular prices, and if they had been poured into a tank of sufficient capacity they would have floated a fleet of battleships.

Of this enormous shrinkage from expected figures of increase of liquor production, the whisky total is 37,882,607 gallons, while the beer production in the same time shows a net shrinkage of 35,120,472,697 gallons.

A Fish Story. Catching a three foot silver salmon with a shovel in an irrigation ditch was the unique experience of Aaron Jacques, a ditch walker on the Selah Canal.

The fish was a fine silver salmon three feet in length. It had traveled over thirty-five miles through the ditch from the river to the point where it was caught.

A NEW FEATURE.

The G. A. R. to Take Part in the Teachers' Institute Next Week.

The Wayne county teachers' institute next week will be marked by a feature which will be for the first time introduced in this State or elsewhere as far as we have been able to learn.

Philadelphia is carried by the Republicans by over 45,000 majority. New York City elects Judge Gaynor Mayor but the balance of the Tammany Hall ticket is defeated by the Fusion ticket.

QUIET ELECTION IN HONESDALE; PENNSYLVANIA STILL REPUBLICAN; THE RESULT IN THE COUNTY OF WAYNE!

The old Keystone State stood true to its political moorings and all the ingenuity of the Democracy was not potent enough to cheat it out of its rightful victory for Republican candidates and principles.

Republican majority in this State is 160,000. The entire ticket is elected. Munson, the Democratic candidate for Supreme Court Judge, runs ahead of his ticket.

Philadelphia is carried by the Republicans by over 45,000 majority. New York City elects Judge Gaynor Mayor but the balance of the Tammany Hall ticket is defeated by the Fusion ticket.

HONESDALE NATIONAL BANK. This Bank was Organized in December, 1836, and Nationalized in December, 1864. Since its organization it has paid in Dividends to its Stock holders, \$1,905,800.00. The Comptroller of the Currency has placed it on the HONOR ROLL, from the fact that its Surplus Fund more than equals its capital stock. What Class? are YOU in? The world has always been divided into two classes—those who have saved, those who have spent—the thrifty and the extravagant. It is the savers who have built the houses, the mills, the bridges, the railroads, the ships and all the other great works which stand for man's advancement and happiness. The spenders are slaves to the savers. It is the law of nature. We want you to be a saver—to open an account in our Savings Department and be independent. One Dollar will Start an Account. This Bank will be pleased to receive all or a portion of YOUR banking business.
