LABOR TROUBLE.

Now that the men and manufacturers engaged in the cut glass business have come to the parting of the ways, we take the liberty of printing the demands of the men which have been formulated by the American Flint Glass Workers Union, and presented to the manufacturers.

Honesdale, Mar. 29, 1910.

TO THE PROPRIETORS: We, the employees, make the following proposition, to be answered within twenty-four hours.

First: A closed shop under the jurisdiction of the American Flint Glass Workers Union.

Second: To work fifty-five hours per week.

Third: That all journeymen who are not making \$2.50 per day, be given a raise in salary.

Fourth: That all men laid off or discharged be taken back on equal time without discrimination.

(Signed) LOCAL UNION 92, A. F. G. W. U.

It is well for every business man and workman to read these demands over very carefully, and consider them from both the standpoint of a workman and an employer before condemning either party.

DEFEATED AND WON.

Lost a Game in Scranton and Won a Game Here.

Although the Honesdale High School Basketball team was so very easily defeated by the Scranton High School team in the latter place on Saturday last, by the score of 26 to 10, the local High school completely overhwhelmed them on the gymnasium floor, on Monday, by the score of 48 to 4. The game was fast and snappy throughout, but always in Honesdale's direction. Jacobs, who is trying to make a record in basket throwing, shot ten field goals. This is the largest number that any individual has made in one game. The line-up:

Honesdale: Brown, Forward; Bevan (Ost's) McIntyre, Forward; Reese Jacobs, Center; Kirkpatrick Hiller, Guard; McDonald Freund, Guard; Miller Goals: Honesdale, Brown 4; McIntyre 5; Jacobs 10; Hiller 4; Scranton, Bevan 1, Osthaus 1. Fouls: Honesdale, Jacobs 2.

The Honesdale High School Basketball team will play Hawley High School at the latter place on Friday, April 1st.

AT THE LYRIC ALL NEXT WEEK.

The Chauncey-Keiffer Co. Will be the Attraction.

Much interest has already been aroused over the success scored in other cities by the Chauncey-Keiffer Company, the reports of which have been coming in to manager Dittrich of the Lyric Theatre, and he has at last succeeded in booking this company for a week's stand in this place, commencing Monday. The engagement of this company here is sure to be a profitable one, and it can be safely stated that, so far as the company is concerned, its manager, Mr. Fred Chauncey, guarantees a week's production of the best line of plays ever seen here, and given, too, by a strong company, and with artistic interpretation.

Miss Grace Keiffer, the popular star, deserves the many commendable things that have been reported of her, for there is not an actress on stock work to-day who takes greater care with the interpretation of her respective parts and the dressing of the same than does Miss Keiffer. Her wardrobe is considered one of the most costly worn on the stage to-day. Many of her gowns are wonderful creations of the dress-maker's art, and Miss Keiffer combines these pretty and essential effects with a still greater requirement—ability to portray many difficult parts in a highly successful manner. Not only has her acting been greatly appreciated, but she has surrounded herself with a supporting company, second to none on the road to-day. Specialties between the acts will be given and are above the ordinary in point of interest and entertainment. Carload of scenery. Special added feature—Dalma's Dog, Pony, Monkey Circus. Ladies' 15 cent tickets Monday evening limited to 200.

HON. T. J. HAM'S HOUSE ON FIRE.

Firemen Responded Promptly at 3 O'clock Thursday Afternoon.

At 3 p. m. Thursday the gong sounded an alarm for fire which had broken out in the residence of Hon. Thomas J. Ham, corner of Eleventh and Court streets. The fire department responded promptly, and although the fire had gained considerable headway it was soon under control, but not until considerable damage had been done both by fire and water. The fire was occasioned by a window curtain coming in contact with a lighted gas jet on the second floor, a nearby window being opened, the curtain was blown close enough to the light to ignite, and no one being in that portion of the house, the fire was not discovered until Mrs. H. B. Searle, wife of the Doctor, who resides next door, noticed the smoke issuing from the window on the second floor, and from under the eaves of the roof. She immediately gave the alarm and notified Mrs. Ham Mr. Ham, who has been ill from the result of a stroke of paralysis, was taken out and conveyed to the residence of Mrs. Decker, directly opposite. Willing hands at once proceeded to remove the furniture, etc., and as usual there was considerable wreckage. The firemen worked energetically and saved the house from complete destruction. The workmen and employees at industry point brought out their emergency hose, which has been installed at that point, and did excellent service as well as the firemen of the different companies. Alert Hook and Ladder Company from East Honesdale rendered signal service with the aid of their ladders.

PRESERVES "FOODS" INDEFINITELY.

William H. Sweet of Portland, Ore., claims to have rediscovered the lost Egyptian art of preserving vegetable and animal matter indefinitely.

He has taken roses and let them wither since last summer. Then the petals, moistened, resumed their original freshness and color, and the withered buds burst into blossom. Corn on the cob, a year old, which had dried into a third its former size, was restored merely by being placed in water over night, so that it not only looked but tasted fresh. Other vegetables were similarly demonstrated.

Sweet says that in so far as comparison is possible, he has succeeded in securing suspended disintegration in the products he prepares. He operates a queer looking apparatus. A fire burns in both ends of an oblong case. Horizontal screen slides bear the preserving product. Air constantly circulates within.

"I have been experimenting for fifteen years seeking for the element which, successfully applied, kept disintegration from affecting food products," he said. "Several years ago, by chance, I happened upon the effects. So sometimes the things I turned out would keep indefinitely, sometimes they soured. I did not know the cause. It is that cause which I have now discovered. It is an element that permeates the air. A child may apply it to the product which is to be preserved when the secret is learned."

SCHOOL BOARD RESOLUTIONS.

The following resolutions were passed by the school board:

Whereas, instruction in agriculture is being recognized as a necessity for young men and other lovers of nature.

Resolved, That agriculture be introduced into Honesdale Public Schools as one of the regular studies of the school, and to that end that Principal Oday be directed to purchase 20 copies of the American Book Company's work on farming. The subject to be introduced by Prof. Oday during the remainder of this term in such manner as he may think fit and be regularly scheduled and provided for next school year.

Resolved, That we approve of the separate use of the gymnasium by the boys and girls on different nights, under the careful supervision of some of the teachers; that in our judgment the school house should be closed by 10 o'clock in the evening, excepting on special occasions when some special entertainment or contest is being held; that the gymnasium is intended for physical exercise, and as Honesdale has a building especially erected for amusements and dancing, we deem it unnecessary to use the school house for formal public dancing.

We recommend that our principal and his assistant teachers use diligence in promoting healthful recreations in the gymnasium, in order that the public shall be stronger morally and physically, as well as improved in manners and general behavior.

MORE CARS DYNAMITED.

Disorder Renewed in Philadelphia Transit Company Strike.

Philadelphia, March 31.—With an explosion that was heard for blocks a dynamite bomb wrecked a street car at Sixteenth and Jefferson streets, tearing up half of the floor of the car and shattering every pane of glass.

There were more than a dozen passengers, several of them directly over that part of the floor which was torn out; but, although the car was lifted from the rails, no one was hurt.

Another car ran over a dynamite cap at Fifteenth street and Allegheny avenue. The explosion did much damage.

TAKE THE CITIZEN THIS YEAR

HAPPILY MARRIED FIFTY YEARS

REV. T. HOOPER SPEAKS

Merry Gathering at the Home of Mr. and Mrs. John Downing of South Canaan Last Saturday Was a Most Enjoyable One.

The home of Mr. and Mrs. John Downing of South Canaan, was the scene of a most delightful gathering on Saturday, when over one hundred friends and relatives assembled to participate in the celebration of the golden wedding anniversary of Mr. and Mrs. Downing. The home was prettily decorated and the host and hostess took a very active part in the festivities.

Mr. and Mrs. Downing were showered with hearty congratulations and received many handsome gifts. One of the pleasing features of the anniversary was the elaborate dinner which was served. The festive table, where Mr. and Mrs. Downing were seated, was prettily bedecked and they were surrounded by our generations of the family tree. Five \$5 gold pieces were presented to the happy couple by the children. The speech of presentation was made by Rev. Thomas Hooper of South Canaan. Reese Hughes delivered a happy address an dpaid a fine tribute to Mr. and Mrs. Downing. Instrumental selections were rendered by Mrs. Adelbert Cramer, of Carbondale, and Mrs. Charles Downing, of Kingsland, N. J., and Mrs. J. B. Evans entertained the guests in her always pleasing manner with several fine vocal selections.

Mrs. Downing is 69 years of age and her husband is three years her senior. They are both enjoying excellent health, and before departing the guests wished them many more years of happiness. Mr. Downing was born Jan. 29, 1838, at Wooley, Morwenstowe, Cornwall, England, and was married at Morwenstowe, March 26, 1860. They came to America, locating in Carbondale on December 21, 1888, and moved to Canaan Oct. 1, 1900. Mr. Downing's mother is still living in Wales and is ninety-three years of age, making five generations of the Downing family.

Those present were the following: Children, Mr. and Mrs. W. P. Downing, Beach Lake; Mr. and Mrs. T. J. Skinner and Mr. and Mrs. J. Downing of Carbondale; Mr. and Mrs. A. Downing, Madeline and Mr. and Mrs. Charles Downing, of Kingsland, N. J.; grand-children, Mr. and Mrs. J. Brown, of Honesdale; Mr. and Mrs. Fred Downing, of Carbondale; Mary, Lucy, Frances, John Wilbur, Agnes, Theodore and Rexford Downing, of Beach Lake; Bessie Hector, Honesdale, Frederick, Florence, Earl, Ethel and Dorothy Downing, of Carbondale; Eunice, Russell and Walter Skinner, of Carbondale; Louise, Leola, Louis and Elma Downing, of Madlin, and Ralph Downing, of Kingsland. Great-grandchildren, Earl Brown, of Honesdale and Dorothy Hector, of Beach Lake.

Others present were: Rev. and Mrs. Thomas Hooper, Mr. and Mrs. Harry Lockwood, Kenneth Lockwood, Mr. and Mrs. J. Decker, Mr. and Mrs. J. Machell, Alice Machell, Mrs. Lambert, Helen Wagner and Mrs. Bang, of South Canaan; Mrs. J. E. Blockside, Mr. and Mrs. J. Gibbs, Frank and Winifred Hooper, George Masters, William Masters, Mr. and Mrs. J. Masters, Elizabeth Masters, Mr. and Mrs. Fred Wilson, Alice Bates, Mr. and Mrs. Walter Hooper, Mr. and Mrs. William Tonkin, Mrs. James Bell, Mrs. Fred Cundy, Mrs. John Orchard, Mrs. Emma Williams, Mrs. J. B. Evans, William Evans, Mr. and Mrs. D. G. Cramer, Reese Hughes and Mr. and Mrs. Malfeldt, of Carbondale; Grover Browning, of Beach Lake, and Mr. and Mrs. Karslake of Honesdale.

There were carriages to meet the trains and to take the people back. Most of the Carbondale guests departed in time to meet the 5:01 D. & H. train at Canaan. Several of the children stayed until Sunday, when at 10 a. m. Mr. Downing and fourteen grandchildren might be seen wending their way to the village Sunday school. There were others in the party going to Sunday school, numbering in all twenty-one. On Sunday afternoon the children bade their father and mother adieu, wishing them many years of the happy life they are living. Mrs. Downing declared her fiftieth anniversary was as happy, if not a happier one to her, than her wedding day had been.

TO-NIGHT AT THE LYRIC.

Gardner and Vincent in "Our New Minister."

Obadiah Blurton is one of the meanest men you ever saw. Obadiah is one of the Hardscrabble folks, the community shows up so humorously in Denman Thompson and George W. Ryer's comedy, "Our New Minister." In contrast to Obadiah, the play presents in Curt Ho'tten, a grand old citizen of Hardscrabble, who is all wool and a yard wide. Of course in the comedy there are lots of other Hardscrabbles of interest. This play will be seen at the Lyric this (Thursday) evening, and at bargain prices.

Goods especially adapted for confirmation and commencement dresses at Menner & Co.'s store.

Fits Them All. Once when Roydard Kingling was a boy he ran out on the yardarm of a ship. "Mr. Kingling!" yelled a scared sailor, "your boy is on a yardarm, and if he lets go he'll drown!" "Ah!" responded Mr. Kingling, with a yawn, "but he won't let go." This incident also happened to Jim Pisko, Horace Waipole, Napoleon Bonaparte, Dick Turpin, Julius Caesar and the poet Byron.

Lucky Crumettes. "You are lucky," said the first mother to the second, "in having a brown-eyed baby." "Where does the luck come in besides that of his being good-looking?" inquired the second. "Because brown-eyed babies are immune from many infantile ills that blue-eyed children always have. I've seen it work dozens of times and heard doctors admit it. Besides, catch everything, but brown-eyed."
