ROOSEVELT FAMILY ON BOARD PRINZ HEINRICH

SENATOR WILLIAM LORIMER

KING EDWARD

MAYOR GAYNOR

News Snapshots Of the Week

Charges made by Chicago paper that election Senator Lorimer was secured by bribing state legislature. Roosevelt family continued strenuous tour of Europe. Policeman Morley, Pittsburg double of President Taft, won fame by refusing to be president's guest at banquet. The entire world was shocked by the unexpected news that King Edward of England was dead. Gossip revived engagement Miss Katherine Elkins to Duke of the Abruzzi because he sent her valuable dog. Mayor Gaynor and W. R. Hearst are in midst of sensational war of words. F. Augustus Heinz, copper king, continues fight to keep out of prison on charge of manipulating bank funds.

"The large amount of money that will be spent in the construction of the exposition will be of great benefit to our city," he said. "At St. Louis more than \$50,000,000 was spent to build that world's fair and possibly that much more on the outside of that world's fair. And if that amount was spent for an exposition in a city of 600,000 inhabitants how much more will be spent in New York, with a population of 5,000,000?"

Mayor Gaynor and all the other speakers were equally full of enthusiasm.

ROWLAND WITHDRAWS.

Will Not Enter the Race for Representative.

To the Voters of Pike County:
For reasons of business, in the management of which my associates have a claim upon my time, I have decided that in justice to them I have no right to be a candidate for the office of Representative at the ensuing election. I therefore withdraw my name as a candidate for the said office and take this occasion to express my deep gratitude to the voters of the district who have given me their friendly support in the past.

MILES C. ROWLAND.

CUT OUT ESSAYS.

Port Jervis Graduates Must Content Themselves, Probably Willingly, Listening to Speaker.

The committee of the Board of Education on Commencement Exercises has decided on some radical innovations in the program this year, says the Port Jervis Union.

It is proposed to eliminate the usual essays and orations by members of the graduating class and, in their place, to have an address by a well-known person. It is also hoped to have the music furnished by the High school orchestra which has attained considerable proficiency in the use of stringed instruments.

It is believed that the elimination of the essays and orations by the members of the graduating class will meet with the approval of all concerned. It is a procedure that is being largely followed in the High schools of the state. No good purpose is served by following the precedent of years in this matter. The nervous strain put upon the young men and women of the class outweighs the good that may be accomplished. This is the view the committee has taken in the matter.

MARRIED FIFTY YEARS.

Golden Wedding Celebrate by Mr. and Mrs. Henry Hartung.

Henry Hartung and Kathryn Erk were married May 6, 1860, by the Rev. Mr. Stangler, a Lutheran minister. After fifty years of happy wedded life they celebrated the golden anniversary of that event at their home in Upper Honesdale, surrounded by seven of their children and nine grandchildren, together with a number of other relatives and friends. On Friday, the 6th inst., the festivities began, and were continued until Monday, the 8th, owing to the fact that some of the children were unable to be present on Friday. A dance was held in the homestead on Friday evening; a turkey dinner on Sunday, at which the happy couple were the recipients of many congratulations from relatives and friends. Mrs. Hartung before her marriage was a Pike county school teacher, and can tell many interesting tales of that place when it was a wilderness. Mr. Hartung began life as a worker, by following the tow-path, then went into the mercantile business with Gustave Smith at Seelyville; afterwards became a hotel keeper, which he gave up to open a meat market in Honesdale where he continued in business for forty years, retiring at last from active business to look after his farm and home in the upper end of Honesdale. Both Mr. and Mrs. Hartung are strong, rugged, good natured people, and have developed that hospitality that makes many friends. The presents they received were many and valuable and shows that they have a warm spot in the hearts of their many friends and associates. The children present were: Mrs. William Briggs and Edward Hartung of

Honesdale; Fred of Washington, D. C.; Christian of Paterson; Augustus of Callhook; Mrs. Louis Metter of Alexandria, Va.; Howard of Scranton.

TOWN COUNCIL MEETING.

Many Important Matters Disposed of Last Thursday Evening.

The regular meeting of the town council was held in the council room last Thursday evening. R. M. Stocker appeared for the school board in regards to the Central Park being used as a playground for the school children for such games as tennis, basketball, etc. The matter was laid on the table until next meeting. Hon. Henry Wilson appeared in regard to the yearly contribution from the council for the Veterans. Twenty dollars was appropriated. The treasurer reported \$179.45 balance to first of month. A communication from Borough Attorney McCarty in regard to action council should take in regard to a letter from Herbeck-Demer Co., was read and filed. The secretary was instructed to notify Mr. Manger that the cost for arrest of Miss Golden was a county bill and that he must look to the county for the money. Mr. Cannivan reported that the new hose house on West street, was in line with the sidewalk. Council ordered it moved back in line with other buildings.

The street commissioner was instructed to remove the Doherty estate barn that is on the sidewalk line on Ninth street or see that same is removed. The script committee reported Mr. Peil and the Brown estate were entitled to 103 feet for Peil and 71 feet for Brown estate. A motion by Mr. Genung and seconded by Mr. Ham was passed, and the secretary was instructed to issue same. A communication from Protection Engine Co., in regard to the discharge of a stoker and one assistant engineer for the company was set aside until next meeting. A committee on sale of fire engine reported securing two applications for full particulars of some. The insuring of No. 1 Fire company building and equipment, was refused to Hose Company No. 1.

The telephone company was instructed to send its monthly reports or police patrol to the council each month.

Bills amounting to \$1067 were presented and ordered paid.

LONG DISTANCE TELEPHONE.

Extension Between Wayne and Monroe, and Will Connect With Bell At Tobyhanna.

The stockholders of the Greentown and Gouldsboro Telephone Co. at their annual meeting held at Newfoundland, for the election of a board of managers took the steps necessary to make the line a part of the long distance system.

The company controls the phone service from Greentown to Gouldsboro, has a connection with Wayne and Pike, giving it a wide scope of connections with a very low toll rate. The new board of managers was instructed to build a long distance line to Tobyhanna where the Bell Company has agreed to meet them with a long distance connection through the Mt. Pocono exchange. The new move not only makes the territory sure for the Greentown and Gouldsboro Company, but gives it a telephone service that will reach almost any part of the country with a toll rate that is far below that usually paid for the same kind of service.

The members of the new board of managers are Dr. A. J. Simons, A. E. Barnes, John Gilpin, Frank Simons, and Arthur Cramer.

SENATORIAL CANDIDATE.

To the Democratic Voters of the Fourteenth Senatorial District of Pennsylvania:

I hereby announce myself as a candidate for the office of Senator from the Fourteenth Senatorial District, composed of the counties of Carbon, Monroe, Wayne and Pike, at the election to nominate a candidate for the said office to be held on Saturday, June 4th, A. D. 1910.

Wayne and Pike counties having no candidates to present to the voters of this district, all questions as to the right of Monroe county to this nomination would seem to have been eliminated.

The late Senator Hon. David S. Lee, of Monroe county, whose term extended from 1889 to 1902, inclusive, was succeeded by Hon. J. G. Kern, of Carbon county, whose term extended from 1903 to 1906, inclusive; and the latter was succeeded by Hon. G. Frank Rowland, of Pike county, whose unexpired term was filled by his brother, Hon. Miles C. Rowland, the full term extending from 1907 to 1910, inclusive.

It would seem, therefore, that, with no candidates and no claims upon the part of Wayne and Pike counties, and Carbon county having been represented since Monroe, in accordance not only with the old rule of rotation, but also from the standpoint of right, of justice and of fair play, there is now no room for any question or any discussion as to the right and claim of Monroe county to the nomination referred to.

As a member of the Democratic party of Monroe county, therefore, believing under the law and the precedents of the party, it is my right to submit my candidacy to the fair and impartial consideration of the voters of this district, I announce myself as a candidate for the office above mentioned; hereby pledging myself, in the event of my nomination and election, to devote my time and attention to the very best service of which I am capable, to the promotion of the interests and the welfare of all the people of the counties composing this Senatorial District.

Very sincerely yours,
ROGERS L. BURNETT.

THE TRAIL OF MURDER.

Search Revived For a Murderer Who Has Been in Hiding for Years.

About thirteen years ago a double murder was committed at the Sullivan County Club above Wurtsboro. The firm of Pritchard & Co. of New York, dealers in building material engaged in a civil suit, were desirous of subpoenaing as their witness a man named Wallace J. Christian who evaded service for a long time being ill disposed to the firm.

Finally, however, he was cornered by Horace F. Pritchard and Constable J. Man who served the papers. Suddenly exasperated Christian shot and killed Pritchard instantly and so wounded Man that he died shortly afterward.

Christian disappeared, escaped it was thought to Australia and the matter gradually drifted out of the public mind.

Later a man working in a Paterson silk mill aroused suspicion by talking of this murder with a too intimate knowledge of the crime, but when detectives went to arrest him he had fled and the search was taken up in Middletown from which place it now cautiously radiates.

The Pickert Stock Company opened Monday evening and made a very favorable impression with the audience. The play was "Hello Bill" and was laughingly humorous.

AMERICAN MATADOR GORED.

Young Texas Bullfighter Fatally Injured in Ring.

City of Mexico, May 10.—Harper B. Lee, Harvard graduate and young American bullfighter, whose prowess in the ring has aroused the jealousy of native and Spanish matadors, is dying at a hospital as the result of having been fatally gored during a fight at Guadalajara.

In his last fight Lee showed even more nerve than he has before exhibited. Though critically gored, he killed the bull and walked to the stand, where he fell. The Mexican spectators were astounded by the courage he displayed. They could see he had been wounded in a ghastly manner, and they expected that he would fall before the second charge of the bull and be trampled to death. But after he had been knocked down as the horn of the infuriated animal sunk deep into his body he arose before the animal could turn. As the bull made for him he deftly thrust his sword into a vital spot, and the animal fell dead.

The nerve he displayed was so startling that the spectators were thrown into a furor. They would have cheered him, but were too frightened. Then when he fell at the stand they realized that cheers were out of place.

Since Lee's appearance here last year he has been in demand in every part of the country where bullfighting is practiced. He had come from a ranch in Texas where he had been a cowman for several years.
