—The town council held a meeting on Saturday to take into consideration any proposition that might be offered towards bringing the labor troubles to an end. An invitation had been extended by the secretary to the manufacturers and to the striking workmen to attend. The manufacturers were well represented and had Attorney Hoff to present their side of the case. They requested the town council to have the men who were picketing their factories dispersed; also wanted to know if proper protection would be given to workmen who were willing to go to work. No definite action was taken as regards these requests. The manufacturers remained until 9:30 at the meeting, and the workmen not appearing, they left. Shortly afterwards the organizer and a committee of the men appeared, claiming they did not know what hour the meeting was to be held. The organizer informed the city fathers in a speech of the great benefits to Honesdale that would accrue from unionism, and stated that Honesdale was the only place where the manufacturers had objected to having their shops unionized. He defined a closed shop as a place where only union men would be allowed to work and that every union shop must be closed on Saturday afternoons. He claimed that the strike was caused by the manufacturers discharging union men. The borough council, Charles A. McCarty, gave a lengthy opinion as to the responsibility of the borough in case any violent measures were resorted to as against the property or person of any resident or person doing business in the borough. This opinion was in response to a communication from Herbeck-Demer Co. that they had been informed that their property would be destroyed if the demands of the strikers were not granted. The opinion of Mr. McCarty, when boiled down was that the council had no right to borrow trouble; nor any right to take measures to prevent trouble of this kind, but they could employ policemen to maintain peace and order when occasion demanded it. The council then adjourned.

Mrs. Jones has been in poor health for the last four years, her condition becoming serious last week, when her relatives were summoned. Her husband died about seven years ago at Waymart, and very soon after the widow and daughter, Bessie, moved to Bethany. A year ago they moved to Scranton. On March 1st Bessie was married to William H. Collins of Aldenville, and she survives her mother with other relatives. Funeral will be held Wednesday morning at eleven o'clock from the M. E. church. **MILLHAM**—James Millham, one of Hawley's foremost men, died Sunday morning, May 22, after a lingering illness. Mr. Millham was born in New Jersey in 1831, and removed to Pike Co. with his parents when a boy of five years. He worked with his father on a farm situated about two miles from Hawley until he was twenty years of age, when he entered the employ of William Conklin of Hawley as a clerk. He remained two years and then was employed by Cromwell & Co., which concern was conducted under the management of Joseph Soliday, who afterwards became sole proprietor. During 1862-5 he was collector of revenue. In 1885 he began business for himself at the lower end of Hawley, his store being near the Hawley Railroad depot. He was elected on the Republican ticket to the State Legislature in 1880. He was a Mason; a member of the Presbyterian church; and at the time of his death President of the Hawley National Bank; also President of the Hawley Water Company. He was married May 30, 1862, to Mary Dunlap. He is survived by three daughters, Eva, wife of W. D. Decker, Dunmore; Sarah E., wife of E. L. Sch-

lager, Hawley; and Lucy, wife of James D. Ames, also of Hawley. Mr. Millham was highly respected by all who knew him. Honest, upright, courteous, and obliging, he won his way into the hearts of all with whom he came in contact, and Hawley has suffered a loss which will be keenly felt by her citizens as well as by the many friends and acquaintances of the deceased. The funeral was held on Tuesday afternoon, Rev. Mr. Peterson, his pastor, officiating.
