LOCAL MENTION.

A blacksmith is always striking for money, and he gets it for himself and the boss.

Rev. A. L. Whittaker will hold service in White Mills on Sunday, June 12, at 3 p. m.

Judge Charles E. Terry of Wyoming county will preside at court when the appeal cases of the D. & H. and Erie railroads are heard.

Charles Rockwell, who was taken to Scranton to be operated on for hernia, underwent the operation successfully, and is improving rapidly.

Keystone Academy, at Factoryville, Pa., hold their commencement exercises on June 16th. Preliminary exercises will be held on June 10, 11, 12, 13, 14 and 15th inst.

H. C. Jackson received almost as many votes as the combined votes of his competitors. This goes to show that the Local Option element predominates in the Republican party.

The county commissioners are in session, getting ready their side of the case, wherein the Erie and D. & H. railroad companies appeal from the assessment made on their coal lands lying within the boundaries of Wayne county.

Leopold Feurth's large vote goes to prove that his opposition to local option is endorsed by a majority of the Democratic party, and that he will be the standard-bearer of all who are opposed to Local Option.

Harvey Huffman, Democratic candidate for State Senator, received a majority exceeding 1000 in this district. He carried Wayne, Pike and Carbon counties, but lost his own county (Monroe) by about 120 votes.

The liquor dealers cannot blame the church for H. C. Jackson's nomination. Hawley with its five churches only polled 10 local option votes; Honesdale, with seven churches, polled only 51 votes, while Preston No. 2 polled 60 votes for local option.

J. M. Hale, of Jenkintown, has been appointed inspector by the Highway department to fill the vacancy caused by the death of Jason Sexton. Mr. Hale came to town Wednesday and assumed his duties. In looking after the work now being done on the Dyberry road.

The evening service at Grace Episcopal church, consisting only of Evening Prayer, will be held for next Sunday only, June 12th, at 6:30 o'clock, that the congregation may unite with the other congregations in the annual High school service. Other services will be as usual.

From all accounts the German Lutheran church has been very fortunate in the selection of the Rev. C. C. Miller as their new pastor. Mr. Miller leaves a prosperous charge in Bath, Pa., to come to Honesdale, and will carry with him the best wishes of his present congregation, whose love and affection go out to him for his faithful service to them.

The Democrats think they smell victory and it scares them more than if they expected a landslide of defeat. They are so afraid their leaders will spoil the whole thing by making fools of themselves—as usual.

There was an accident at Penwarden's acid factory at Carley Brook on Monday morning. No loss of life occurred but considerable damage was done to the building. The steam chamber of a large acetate pan exploded, wrecking a portion of the building and some of the contents.

Dr. Reed Burns, who has been ill of blood poisoning, caused by an infection of his hand while performing an operation a week ago, had so far recovered yesterday as to be able to resume his practice. Dr. Burns conducts a private hospital at Jefferson avenue and Gibson street.—Scranton Tribune-Republican.

The election throughout this State was very satisfactory to loyal Republicans. The disgruntled and dissatisfied element, which is to be found in all parties, finds no comfort in the results. Reformer Flynn of Pittsburg, who has become rich off his city contracts, was routed horse and foot by the respectable element in Allegheny county.

United States Postoffice Inspector W. A. Rose, who has been stationed in this district for about a year, has been transferred to St. Louis, Mo. Inspector Rose had charge of the territory from Williamsport to Honesdale. He has had his office in the Federal Building, Scranton. Mr. Rose received notice a few days ago of his transfer, and on Monday left for St. Louis.

Dr. Gustav A. Gayer, of New York City, finished yesterday the third week of the fast he has undertaken to prove that the mind rules the body. He weighs 183 pounds, twenty-seven pounds less than when he began. "If it were not for the fact that I wish to preserve my strength for my work," said Dr. Gayer, "I should continue my fast sixty or seventy days."

The Honesdale school board met on Monday and the following officers were elected: A. T. Searle, president; William J. Ward, treasurer; A. M. Leine, secretary. The committees appointed are as follows: T. B. Clark and Fred Schoell, building; William J. Ward and J. A. Brown, teachers; A. T. Searle and A. M. Leine, supplies. Mr. Brown is the new member on the board having succeeded R. M. Stocker.

Plans and specifications for the building to be erected by the recently organized Lake Ariel National Bank, are being prepared by Architects Snyder & Ward, of Scranton. The plans provide for a one-story, concrete block building, 30x40 feet in size. The entire building will be devoted to banking purposes, the cashier's office and directors' room being located at one end of the structure, and the remainder of the floor to be working space for the employees of the bank, and lobbies for its patrons. The exterior of the building will be finished in stucco. The bank will be modern in every detail, and a large burglar-proof vault is included in the plans. M. J. Emery, of Scranton, will be cashier of the new bank.

PARIS TIED UP.

Street Tramway Men Go Out on Peaceful Strike.

Paris, June 9.—Fifteen hundred conductors and mechanics employed by the Paris Northern tramways went on strike and caused the entire suspension of service on thirty different lines. The decision to strike was reached at a meeting at the Labor exchange, a motion to that effect being carried amid great enthusiasm. Messengers mounted on bicycles were immediately sent to twenty depots to prevent the men starting to work.

It is possible that the strike may spread to the Eastern tramway lines. So far no disorders have been reported. The trouble has been caused by the employment of nonunion men.

Drinking Water.

When very thirsty and only a small amount of water is at hand drink with a spoon or through a small hole in the cork of a canteen. It will do as much good as when taken in large mouthfuls.

Animals and Sight.

In the water fishes see only at very close range—about half their own length. This will seem perhaps unlikely to anglers, although some of them can cite instances showing that fish cannot see far. Snakes seem to have a very mediocre sense of sight. The boa, for instance, does not see at more than a quarter of its own length. Different species are limited to one-fifth or one-eighth of their length. Frogs are better off. They see at fifteen to twenty times their length.

Buying Sweethearts.

In the Kamyschia district of Russia a suitor has to buy his sweetheart from her father. A pretty girl of good family costs about \$100.

An English Superstition.

It is a favorite superstition in England that the bacon of swine killed in the waning of the moon will waste away in the process of curing or cooking much more than bacon of hogs killed while the moon is growing.

OBITUARY.

KNAPP—John Knapp, for many years a resident of Preston township, died on Memorial Day, of Bright's disease, after an illness of several years. He was a prominent citizen, politically a Republican and a good and useful man, generally. Deceased was a veteran of the Civil war, having enlisted in Co. A, 56th Penn'a Volunteers, Feb. 12, 1864; was promoted to Sergeant, March 1, 1865, and mustered out with the company July 1, 1865. The company was mainly recruited in northern Wayne. Mr. Knapp's remains were interred in the Orson cemetery.

LOYAL TEMPERANCE LEGION.

The third annual convention of the Loyal Temperance Legion was held in the Methodist church in Honesdale. It was the largest and most interesting convention ever held, by the legion, in this county. In the front of the room, where the convention was held, were banners bearing the mottoes, "We're out for Prohibition," and "We'll stand for the right." Also the beautiful big banner which was presented to Wayne at the state convention at Gettysburg for securing the largest number of Crusader subscriptions of any county in Pennsylvania. Mrs. Mayme Stephens had charge of the morning session. The most important part of this session was the election of the following officers: President, Freeman Egan, Dyberry; vice president, Esther Stephens, Honesdale; corresponding secretary, Alma Peet, Hamlin; recording secretary, Dorothy Riefler, Tanners Falls; treasurer, Louis Brill, Laurella; superintendents—Flower Mission, Tina Sampson, Starrucca; press, William Hicks, Torrey; Sabbath observance, Jennie Barnes, Beach Lake; social Clair Simons, Hamlin; contest work, John Riefler, Tanners Falls; literature, Mrs. Edna Rutledge, Damascus. The vice president, Leon Mitchell, lead the afternoon session. Rev. Oliver lead the devotions. The welcome from the W. C. T. U. was given by Lottie Roe; John Riefler gave the welcome from the L. T. L. Edna Renssieu gave the response. Miss Tina Sampson sang a solo. Then the reports of the floral and press departments were given. After a discussion of the work of the anti-narcotic department, the resolution and credential committees and committee on courtesy were appointed. Arthur Oliver read "Appeal to Voters." Dorothy Riefler gave the plea for Crusaders and secured from the legions a total pledge of 355 subscriptions. Miss Edna Chumard read a recitation and a member of the Oregon legion read an essay, "Our Pledge." "The Junior Half Hour" was given by the children of the Honesdale, Beach Lake, Pleasant Valley, and Hamlin legions. Alice Slueman read her prize essay. After attending to about an hour of odds and ends of business, the meeting was closed for the afternoon. Dinner and supper were served to the legions in the church.

The executive meeting was called at six o'clock. Charles Weeks, county president, acting as chairman, Leon Mitchell was appointed anti-narcotic superintendent. Numerous subjects of importance were discussed at this meeting. John Riefler led the evening session. Rev. Hiller led the devotions. The main part of this session was the double silver medal contest. All the speakers did exceedingly well. The judges, Rev. Swift, Mr. Koehler, and Mr. Dimmick, awarded the medals to Mable Peterson of Beach Lake and Bertha Samson of Ariel. Between the recitations were given the following selections: A vocal duet by Mrs. Glossinger and Tina Sampson; a solo by Mrs. Rockwell, and a duet by Mr. Oliver and Mr. Dibble. At the close of the contest the state rally cry was given. While waiting for the judges' decision, Miss Edna Chumard and Esther Stephens favored the audience with recitations. Rev. J. B. Cody presented the medals to the winners. While the offering was received the secretary read the messages sent from Mrs. Coleman of Damascus and Mrs. Margaret Stanton of Carbondale. Mr. John Riefler gave a plea for new members of the Honesdale legion and a number of young people joined at the close of the convention. It seems queer that Honesdale is the largest town in the county and has one of the smallest legions. What is the matter with the young people of Honesdale? There surely is enough of them for the streets and the cigar stores are seldom minus a crowd of young men. The delegates from the various legions are planning their trip to the State convention at Warren. They certainly ought to be proud of the report they are to take with them this year, and we hope some of the delegation may be from Honesdale. DOROTHY V. RIEFLER, Recording Secretary.

The Quail in France. In France the quail is called the bird of prophecy, this from an idea that the number of his calls foretells the price of wheat. If he calls twice without resting the farmer expects but 2 francs per bushel for his grain; if the bird calls four times he expects to realize twice the price which two calls insure.

Manchuria. There is no barren land in Manchuria. Almost every acre is cultivated. The yield of beans, the leading staple, is between 10,000,000 and 18,000,000 koku (koku—five bushels) a year.

TOWN COUNCIL PROCEEDINGS.

The monthly session of the borough council was held Thursday evening, June 2. The following councilmen were present: President Martin Caulfield, Secretary, W. W. Kimble, Treasurer George M. Genung, P. R. Murray, George P. Penwarden, T. J. Canivan, and S. T. Ham. President Caulfield called the meeting to order and Secretary Kimble called the roll and all members were present. The minutes of the last regular session and special meeting were read and approved. Treasurer Genung reported \$787.39 on hand. The reports of committees were then heard. Councilman S. T. Ham, committee on the Main street watering trough, stated that he had a conference with Superintendent McMullen, of the water company, and he claimed that the company could not furnish free water for the watering trough on Main street, as the company was giving water for the Central Park fountain and also one in the Lackawaxen river.

Benj. Loris, Jr., and Harry Freeman, representatives of Hose Company No. 1, appeared before the council and asked for more hose, claiming that the present hose was not sufficient. They also asked for two axes, a hose jacket and a Y. The matter was referred to the fire committee, Councilmen Penwarden and Kimble. Exonerations from taxes for the borough of Honesdale, amounting to \$62.33 for 1908, were presented by Former Collector Alex F. Voight. The council ordered that they be accepted and placed on record. The matter of converting Central Park into a playground for the children, which was laid on the table last meeting until this month's session, met with considerable discussion by the council and resulted in the council refusing to take any action. It was placed in the form of a motion made by George M. Genung and seconded by George W. Penwarden. The sentiment of the council was against the use of Central Park as a playground for the children. Councilmen S. T. Ham and T. J. Canivan favored its use, while W. W. Kimble gave no expression.

It was the unanimous opinion that the ground was presented for a public park and not for a playground. On motion of Councilman Kimble, seconded by T. J. Canivan, it was carried that the engineers of Protection Engine Company No. 3 hold their respective offices until the end of their terms and then dispense with one engineer and one stoker.

A favorable report of the police committee was made. The nightly patrol sheets were presented and, with an exception of a few calls not registered, which were explained to the committee, it was demonstrated that the police are attending to their duties. Notice was read of an established grade recently made on Main street beginning from the northwest corner of Sixth street and extending south to the P. McNally property, corner of Main and Fifth streets.

Under new business a communication was read from the Honesdale Improvement association asking that action be taken regarding bicycle riding on the sidewalks and on all public park walks. The matter was referred to the street committee. The council authorized the erection of printed notices to be placed on every road leading into the borough for the benefit of scorching autos. It was claimed that it was also unsafe for children to cross the street on West street owing to fast driving.

Application was presented by H. Rehbein to the council asking for script on a 50-foot walk and curb on the north side of Park street. Secretary Kimble was notified to instruct Charles A. McArdie to keep his dogs, goats and trained pigs off the street.

A petition was presented by Frank Daniels, of Erie street, calling attention to the unsafe condition of the street near his property. Street Commissioner Weidner was instructed to make the necessary repairs under directions of the street committee. The following disbursements were ordered to be made: Streets.....\$436.83 Lighting.....254.22 Fire Department.....20.00 Printing and adv.....30.00
