LOCAL MENTION.

—The editor who can please everyone is not suited for this earth. He is entitled to a full set of wings. Human nature is so constituted that some of our readers would like to have us tell the unvarnished truth about them, while others would kill us if we did. It is a comforting thought to the editor to know the Lord himself did not please everyone on earth. We labor hard to entertain and tickle our subscribers, but that we should occasionally fail is to be expected.

—The drum corps will have a picnic at Bellevue park Saturday. The drum will not beat for the music, but there will be an orchestra.

—Mrs. Ernest Hunter of Farview, who has been receiving treatment at Emergency hospital in Carbondale for the past several weeks, was discharged Monday.

—The faculty of the Damascus High school for the coming year will be Harry H. Pethick, principal; Miss Lucile Abraham, assistant principal; Alma Noble, intermediate; Florence Oliver, primary.

—The members of the Sunday school of the Chestnut Avenue German Presbyterian church, Scranton, will conduct their annual excursion to Lake Lodore Tuesday, Aug. 16, and not to the new Mountain Park on Thursday, Aug. 11, as previously stated.

—The state constabulary claim thousands of young rabbits are being killed by dogs running loose in the woods and ask the co-operation of all sportsmen to assist in bringing to justice those who are responsible for the practice of letting their dogs range at this season.

—William H. Hawken, Eugene V. Coleman, William H. Seitz, and John Gogard of the Irving Cut Glass company went to Duck Harbor fishing. Hawken and Seitz started in an automobile and before they got there the machine broke down. New parts were procured from Honesdale and the journey Duck Harbor was resumed. The party got home Tuesday night. When one of them was asked the pointblank question "How many fish did you get?" he answered "Some." The car was not full of fish when the party got home, and it was not the superfluous weight of fish that was responsible for the breakdown on the road. Anyhow, all four had a rattling good time and came back feeling good. That is the principal thing.

—The Midnight Sons will hold a dance in Lyric hall Friday evening. Services will be held at the Berlin Baptist church Sunday at 2.30 o'clock. Rev. George S. Wendell will preach.

—At the First Baptist church the pastor will preach at 10.30 and 7.30 o'clock Sunday. The Sunday school will be held at 11.45.

—William Kupfer goes to Carbondale tomorrow to make final arrangements for the baseball series between the teams of the two towns.

—Miss Charlotte Lane entertained a number of friends at the golf links Wednesday evening in honor of her friend, Miss Regina Eckert of Philadelphia.

—At a meeting of Protection Engine company, No. 1, Monday night William Roadknight was elected first assistant foreman and John Carmichael second assistant.

—The Ladies' Aid society of the Baptist church will hold an ice cream social the afternoon and evening of Thursday next. Tables will be arranged in the chapel and on the lawn.

—Ben. Robinson's baby is not Pauline, as stated in another paper, but Fannie Estelle. The affable insurance agent is still buying cigars occasionally. He says his four young folks look good to him.

—Joe Westbrook has been hired as newsboy on the D. & H. between this place and Carbondale, where he is relieved by the regular paper-and-small-stuff messenger running through from Albany on the main line.

—The Forest City team did not play in this city Wednesday, as previously announced, owing to an oversight on the part of Dr. Knapp, manager of that team. The team was scheduled to play at Lake Lodore at the excursion of the First Aid to the Injured societies, and on this account the game arranged with the local team had to be postponed.—Carbondale Leader.

—A powerful street piano played "My Wife's Gone to the Country" six times in front of the courthouse this morning. All the county officials, from 88-year-old Judge Smith down to the youngsters about the building, listened to the festive strains and contributed when the hat came around. The piano also did business in front of the Presbyterian manse, but there it did not stay so long, though Dr. Swift and his family are fond of music.

—On Irving Cliff Wednesday afternoon Miss Millie M. Weaver entertained in honor of Mr. and Mrs. George Hendrickson of Brooklyn, N. Y., who are here on their bridal trip. The guests, aside from Mr. and Mrs. Hendrickson, were Miss Minnie Schuller, Miss Mina Fralley, Miss Annie Carey, Miss Bertha Pflume, Mr. and Mrs. Frank Truscott, Walter Freeman, Mussy Truscott, Harry C. Weaver, Otto Weaver and Charles Truscott.

—Routine business occupied the attention Tuesday of the seventeenth annual convention of the Federation of German Catholic societies in Pittsburgh. Late in the afternoon Scranton was selected as the place where the convention will be held next year. Johnstown delegates immediately offered to take care of the convention in 1912 and that city was selected. Solemn requiem mass opened the session, the president's report followed, and afterward came those of the various committees and the appointment of new ones.

—The call for a convention of independent citizens, Republicans and Democrats, is expected to be sent out from Philadelphia Friday, but there seems to be a little interest in the movement in Lackawanna county, says a Scranton political writer. The call will urge delegates to attend a meeting at which a state ticket will be placed in the field against the Tener and Grim slates. Citizens here may be interested in the movement, but they are keeping their interest to themselves. It cannot be learned who, if anybody, is to attend the convention from this county.

—The Wayne County Telephone company has extended its lines from John W. Nolan's past Reining's pond into Cherry Ridge township and has added quite a number of subscribers to its list. Among them are Joseph Johannes, Patrick F. Moylan, Jacob F. Bauman, James J. McDonnell, Fred Crockenberg, John Reissinger, John F. Garing, Elijah Rickart and several others. The lockout or secret service system is giving good satisfaction. The bells ring selectively and only when the subscriber is called, while there is privacy during conversation, all other subscribers being locked out. The line is being built in a very substantial manner, with heavy poles.

—The Consolidated Telephone company has installed telephones in the homes of F. A. Bell, J. A. Hoole, A. L. Patterson, S. T. Dunn, Lewis Clift, Rev. C. R. Burch, W. J. Clift and others at Waymart. A new, modern switchboard will be installed and an aerial cable containing 25 pair of wires will be run through the village. A 50-pair cable will run out of the exchange to take care of two trunk lines of the Northeastern Pennsylvania Telephone company, two trunk lines from Honesdale, and two from Carbondale for the Consolidated Telephone company, and two from South Canaan exchange of the Wayne County Telephone company, all of which terminate in the Waymart exchange.

—At Grace Episcopal church Sunday, there will be holy communion at 8 a. m.; morning prayer and sermon at 10.30, and a brief evening service at 7.30.

—Thomas G. Evans, Clem Marsh and Michael Cadden of West Scranton went to Hemlock Hollow Tuesday morning on a fishing trip. The trip was made in an automobile. They will have a fish supper Saturday night.

—A lawn social under the auspices of the Y. M. B. C. of the M. E. Sunday school will be held on Dr. Butler's lawn Thursday next. Ice cream and cake will be sold. Should the evening be stormy, the cream will be served on the porches of the neighbors.

—Mrs. Bridget Manley of Forest City was taken suddenly sick while attending the excursion at Lake Lodore Wednesday afternoon. She was removed to Emergency hospital in Carbondale where she received treatment. She was later taken to her home.

—Wednesday afternoon a slight fire occurred in a car used by the Delaware and Hudson trackmen at Carbondale who are taking the places of the trackmen who are out on strike. The fire started while the cook was preparing a meal, but it was extinguished in a short time by the company fire brigade.

—Rev. A. L. Whitaker and about 10 members of the Knights of St. Paul will go to Lake Lodore Monday to join about 20 members of the Trinity church, Carbondale, chapter of the Knights of St. Paul in their camp at Hemlock point, where they will remain a week. The Carbondale members, with their rector, Rev. H. E. Robbins, and the superintendent of Trinity Sunday school, Charles J. Arnold, will remain three weeks.

—A meeting of the board of supervisors will be held today in Binghamton, N. Y. Among the matters coming up is the payment of a bill for \$1,309 incurred by the trial of Charles P. Knapp at Cooperstown, Otsego county, which bill has been received from that county, and bills for \$500 or \$600 more, sent in by witnesses and others attending the trial, who charge their extra expenses to the county.

—Trains on the Honesdale branch of the Delaware & Hudson railroad are compelled to run slow on a portion of the tracks near the abandoned plane leading to the old Powderly breaker, owing to a mine cavern about 10 feet from the tracks. The cavern is being filled in and it is not expected the roadbed will be affected. Several small caverns are occurring in that section of Carbondale.

—Thursday morning as June Decker was starting out with his colts on one of the street sprinklers the team became frightened at the Fowler Milling company's automobile. The bit in the high horse's mouth gave way and the horses started down Main street at a good clip. Mr. Decker saw his only chance to stop them was to drive directly into the telegraph pole in front of C. A. Cortright's house. One horse went to either side of the pole. The harness was damaged \$5 or \$6 worth and one of the horses got some scratches on his legs.

—Dr. Knapp, manager of the representative baseball team of Forest City, wishes to deny that his team played at Archbald Sunday, as mentioned in one of the Scranton papers. Forest City played against Olyphant at Forest City. The game had to be called in the third, owing to the violent rainstorm. The score was 3-1 in favor of Forest City. The doctor has a first-class team and does not wish it to be compared with any such team as played at Archbald Sunday. They will play Carbondale today and are open for all comers who play good amateur ball.

—Grace Episcopal church will hold a parish picnic at Lake Lodore, Friday, July 22, with Trinity church, Carbondale, leaving Honesdale at 12.25, returning at 7.31 p. m. It is desired that no children attend this picnic unaccompanied by their parents or older persons, although in a limited number of cases, where arrangements have previously been made with Sunday school teachers, children whose parents are unable to attend will be cared for. Those connected with the Sunday school, as well as parents of the members of the Sunday school, should inform the teachers of their intention to attend. Others are requested to send a postal card or to otherwise inform the rector, Rev. A. L. Whitaker, before Tuesday evening next. This is important, as it is necessary to know how many extra cars will be needed.

—Congressman William S. Bennett, the Port Jervis boy, New York lawyer and former New York assemblyman whom many Honesdale Republicans know through speeches he has occasionally made here, is still mentioned as a possible Republican candidate for governor to succeed Charles E. Hughes, but he has little if any show of landing the nomination. Port Collector William Loeb, Jr., who was President Roosevelt's secretary after George B. Cortelyou went to the cabinet, is the Oyster Bay choice and probably the White House choice. Mr. Bennett will not discuss his candidacy. The Democrats are pretty well at sea for a candidate. Mayor William J. Gaynor of New York city does not want to run, for he thinks he is strong enough now to step from New York's city hall to the White House without an intervening term at Albany or the attempt to get one.

—Dr. P. B. Petersen has recently purchased a new Warren-Detroit 30-horsepower tourabout.

—At the Allen house this afternoon it was stated that Mrs. Frank N. Lord, who was so badly hurt in the runaway accident near the golf grounds Saturday, was comfortable and holding her own nicely. Myron E. Dodge is greatly improved after his operation for appendicitis.

—A young girl who went into C. C. Jadin's store at 2 o'clock this afternoon came out with her new summer hat on fire. She must have been leaning over the cigar lighter for the brim to become ignited. Halfway to the bank corner her head felt hot and the hat commenced to smoke. She tore it off and threw it on the sidewalk and two or three amused bystanders stopped laughing long enough to beat out the little blaze. The hat was ruined.

—If you know or hear of an interesting item in the community, make it a point to see that it finds a place in this paper. We should appreciate your effort and will send our representative to ascertain or verify any missing points. Anything which tends to better or brighten the news service of a paper makes it of so much more value to the community, and the subscribers are the people benefited.

VILLAGE ROW

MAY BE FATAL

(Continued From Page One)

back to Equinunk this morning.

Sam Reid does not bear a good name. It is declared by those who know him here that he has frequently been in hot water on both sides of the Delaware; that he has done time in New York and is counted a tough character in Sullivan county. He has friends in Lordsville, N. Y., and he went there after making his escape across the river. It is known that he stopped with them Tuesday night.

Slake Lord is over six feet tall and powerfully put together. In his youth he was a strong, active man, a fighter, a wrestler, and a fellow quite able to take care of himself in any sort of a fair fight.

"If that scrap had been 20 years ago," said a Honesdale hotel man who has known Slake for years and years, "Slake would have cleaned up the crowd of 'em, Sam Reid and all, and had a good appetite for his dinner."

Reid is between 40 and 45 years old. He is small, spry and wiry. He will not weigh more than 125. A sort of a clock tinker by trade, he has had a small shop in the village and there he has worked spasmodically, but the majority of men hereabouts that know him say Sam Reid has never been a steady worker within their recollection.

On Nov. 5, last year, Slake and Leona had a fight over boundaries and that ditch. Slake had his sister-in-law arrested for assault and battery. The case was tried at Honesdale Jan. 19 and Leona was found not guilty. The costs were divided equally.

"Mr. Lord may or may not live," said Dr. Frisbie of Equinunk over the phone at 2 o'clock this afternoon. "It is too early to predict yet. Of course, his age is against him."

"The report of 20 cuts in the head from the pick and hoe are an exaggeration. He has about seven, commencing over the ear. He is conscious today, knows what is going on, and realizes who hit him."

THE ATLAS E-Z Seal Jar
(Lightning Trimmings)
is Ideal for Large Fruits

The day of the paring knife for halving and quartering large fruit is gone. Unless they're unusually large, peaches and pears go into the Atlas E-Z Seal Jar whole. That means beauty preserved as well as the quality; and later on you have the pleasure of serving fine, natural looking fruit to the family.

Your dealer keeps these perfect jars in stock and will be more than pleased to show you their advantages. Ask him to do so.

Remember—the Atlas E-Z Seal Wide Mouth Jar is stronger and smoother at the top than any other. It can't cut your hand—and it won't break when sealing.
