Bonding Companies Responsible For Slump In New York.

New York, Oct. 5 .- At the office of the state excise board in this city it is learned that 500 saloons in the five boroughs of New York city are out of business because of the failure of the proprietors to comply with the conditions under the new license law, under which new licenses were granted on Friday last.

It was said that the various bonding companies were largely responsible to almost a prohibitive figure for saloon teepers who have been charged with violation of the excise law.

THE "GIRLS" COMING.

A High Class Play to Be Seen Here

Monday Night. The attraction at the Lyric Mon-day, Oct. 10, will be Clyde Fitch's remarkable comedy success, "Girls," which played for one whole year at Daiy's Theatre, New York,

Daly's "Girls" is a comedy satirizing the bachelor girl, her aims and ambitions, and her utter defeat when

brought face to face with love. There are three girls in the comedy, all bachelor girls, living a pre-carious existence in a studio apartment in New York. One is a secretary to a law firm, one is a stenographer and the third is a stage James struck girl. They swear never to marry, but when a good looking man enters their apartment by mis-
