successfully as the profesional cleaner and without any injury or unpleasantness to the bands fill a large dishpan with water, bring it to a boil, remove from the fire, fill a smaller pan with gasoline, placing it in the one containing the hot water; the gasoline takes the heat very quickly. When warm use it with white soap, just as you would water. When thoroughly cleaned rinse well in clean, clear gasoline, not necessarily warm.

Liver Dumplings.

One pound of beef liver, two good sized onions, pepper and salt to taste. Chop the liver and onions fine, then add two eggs and flour enough to make a stiff dough. Have ready two quarts of boiling water to which one tablespoonful of salt has been added. Drop in the dough about the size of a walnut. Let boil about ten minutes; then pour the dumplings into a colander and drain well. Brown one-half cupful of butter in frying pan and pour over the dumplings.

Salt Pork With Milk Gravy.

Cut salt pork into thin slices. If very salty cover with water and let it stand ten minutes. Cut the rind of the slices and fry slowly until they are crisp and a rich golden brown. Make a milk gravy by heating flour in the fat in pan, allowing two tablespoonfuls of fat and two of flour to each cup of milk. Skimmilk is as good as any for this. Cook gravy thoroughly and serve on pork very hot. Serve it with baked potatoes. You can use bacon instead of pork.

Steamed Apple Pudding.

Half fill a deep baking dish with sliced apples, sprinkle with grated nutmeg and steam ten minutes. Sift two cupfuls of flour with two tenspoonfuls of baking powder and one-half tenspoonful of salt, chop in one rounded tablespoonful of butter and moisten with about one cupful of milk Place the dough over the apple and steam one-half hour, then turn from the dish, sprinkle generously with sugar and serve with liquid sauce.

Buttered Breadorumbs.

To butter breadcrumbs for the top of scalloped dishes, melt the butter required and stir the bread or cracker crumbs into it, adding sait and pepper to taste. The butter is more evenly divided than by the old method of putting little "dabs" of butter on the breadcrumbs, and it takes less time.

"But your meter reader never read any such an amount of my meter!" "Beg pardon, he's a reliable employee, he called as usual to read your meter, didn't he?"

The Era of New Mixed Paints!

This year opens with a deluge of new mixed paints. A con dition brought about by our enterprising dealers to get some kind of a mixed paint that would supplant CHILTON'S MIXED PAINTS. Their compounds, being new and heavily advertised, may find a sale with the unwary.

THE ONLY PLACE IN HONESDALE CHILTON'S MIXED PAINTS

Is JADWIN'S PHARMACY.

There are reasons for the pre-minence of CHILTON PAINTS; 1st-No one can mix a better mixed paint. 2d-The painters declare that it works easily and has won-

derful covering qualities. 3d-Chilton stands back of it, and will agree to repaint, at his own expense, every surface painted with Chilton Paint that

proves defective. 4th-Those who have used it are perfectly satisfied with it and recommend its use to others.
