WHO MAY ENTER:

PLAN OF CONTEST—The territory in which The Citizen circulates will be divided into four districts as described in "The Rules and Regulations." The candidate in each district receiving the highest number of votes will be entitled to this splendid trip. The candidate having the greatest number of votes in the entire contest, after the four tours have been awarded, will also be given a tour. That is, the young lady receiving the highest number of votes in the entire contest has the privilege of choosing a companion. A coupon will be printed in each issue, and will entitle the holder to the accompanying votes when properly filled out. Paid in advance subscriptions will be entitled to votes in proportion to the length of time subscriptions are paid.

PLAN OF NOMINATION — Any respectable woman, married or single, who lives in the district named, excepting, of course, employes of THE CITIZEN or any of their immediate families, is eligible to compete in the contest. Candidates may nominate themselves, or their friends may nominate them.

Read over the districts, determine which one you are in, and send in your nomination as early as possible. It costs nothing to enroll; it costs nothing to win. There are no strings attached to the offer. It is not necessary that candidates be subscribers to THE CITIZEN. The rules of the contest are simple and the work to get votes is not hard. Get an early start and ask your friends to help you. They will gladly do so. Begin now.

HOW VOTES WILL BE ISSUED.

There will be two methods of voting. Each issue of THE CITIZEN will contain a ballot which, when properly filled with the name of any regularly nominated candidate, will entitle the candidate to the accompanying number of votes.

Votes will be issued on paid subscriptions to THE CITIZEN in proportion to the length of time such subscriptions are paid. Candidates are not restricted to their own territory to secure votes. Votes may be canvassed anywhere in the contest territory or out of it.

And why not be one of the party? The trip is yours for the mere reaching out and embracing this wonderful

offer. All you have to do is to enroll and ask your acquaintances to help you. They will appreciate and welcome the opportunity to do so. There is plenty of time, and the prizes are surely worth the "going after." Your chances are just as good as anyone else's. The main qualification to win is "Stick-to-itiveness." You can do it. **GET IN AND WIN.**

Think of the great sights of a lifetime that the fortunate young ladies will be enabled to witness. One continuous round of pleasure from the very moment they start on these grand tours until our happy guests return to their homes.

Not a dull moment, not a second without pleasure of some kind. Not the smallest amusement will be missed. To our "Tourists" it will be a case of on the go all the time; and such arrangements have been made, in transporting the ladies from one place of interest to another, that they will suffer no fatigue and will enjoy the panorama constantly being unfolded, with all the comforts of home.
