

THE COUNTY

HAWLEY.

[Special to The Citizen.] HAWLEY, Pa., July 25.—Edward Keary, of the Mountain View farm, is passing a three weeks' vacation with relatives in Delaware county, N. Y. Two automobile loads of Carbondale tourists stopped at the Kohlmann House on Sunday. A dance will be held in Odd Fellows' hall next Friday night under auspices of a young men's society. Mrs. Annie Swingle is with Gravit friends for a fortnight's visit. Mrs. Adolf Oschman, Waugum Avenue, entertained during the past week her mother and brother of New York City. Pearl and Myrtle Skinner have found employment for the summer at the Forest Lake club house. Alfred Oschman, electrician, who is working for a short time in Port Jervis, spent Sunday with his family here. Rev. C. F. Smalley of the Baptist church, who will spend his vacation in and near Hawley with his wife, were guests at William Knapp's cottage at Fair View Lake over Sunday. Mrs. Minnie Stubbs, Manitoba, Canada, called on D. J. Branning and family and other relatives here on Saturday. George Dunn will visit among Beach Lake relatives this week. Jessie Wall, Cuba, N. Y., is a guest at the home of her uncle, Mr. Westbrook, of Blooming Grove, for several days. Despite the rumors to the contrary by the workmen who were employed in the Maple City cutting shop, that plant has been sold by T. B. Clark & Co. to the Paupack Power company. The property also includes the grist mill which was purchased a few years ago from Wesley Pierson and was used in connection with the shop for a storage and dipping room. This mill was built fifty-two years ago by the late Thos. Y. Taft. It did a continuous business grinding the farmer's grain for many miles around until sold to Clark & Co. Later J. S. Ames built a large grist mill up town which was run by steam power. Both these mills did a good business in their time but now there is no grinding of flour or feed done at Hawley. Alva Quick, Tafton, who sold their farm to the Paupack Power company have purchased the Main farm lying back near the Robinson pond. Horace Bigart, Binghamton, N. Y., is spending his vacation with his father, J. E. Bigart. Horace is in the employ of the Singer Sewing Machine company, and has charge of several of their stores. Emery Mandeville, Easton, spent Saturday and Sunday with her parents, Mr. and Mrs. J. E. Mandeville. Jane Smith went Monday to pass

two weeks with her daughter, Mrs. Cawley, Pittston. Governor John Tener and a company of officials passed through this place on Wednesday. Owing to the increasing of business E. Wood, who runs the East Side knitting mill, is having a large barn which stood near his place, remodeled and put in shape for several more knitting machines. Rev. R. C. H. Catterall, father of Dr. Catterall, is now doing the preaching at the Presbyterian church during the absence of Rev. Mr. Peterson. Yes, the picked team of Scranton and Dunmore did come on Saturday for revenge and they played a rotten game. They were beaten by a score of 9 to 1. Fred Tolley, candidate for Register and Recorder on the Democratic ticket, was in town on Thursday. Fred Bellman, Massillon, Ohio, is visiting relatives in town. Mrs. P. R. Cross, Shohola, was calling on friends here and at Greentown, from Friday until Monday. Mr. and Mrs. Louis Geisler's Newark friends who have been visiting them, returned to their city home Sunday afternoon. William Rouse, glass cutter, is now in Scranton where he has secured employment. Charles Schlager expects to start for Panama first of the week. Miss Louise Buck, who is in training in a Brooklyn hospital and sister, Miss Olga, teacher in a school at Redbank, N. J., are home for their summer rest. The following verses have been written in memory of Sadie Runyon who died July 6, 1911: Sadie is no longer with us— In this world of sin and death; She has gone to realms of glory, Where she now so sweetly rests. All her pains and trials are over, All her troubles and her cares, She is finished and earth asunder, And she with God the glory shares. No more her footstep will be heard, The coming once our hearts did cheer; No more her voice will softly sound, Nor sweetly echo in our ear. Yes, she's gone but sure to greet us, ten, Memories of her in our hearts yet cling, And as we know she can't be with us, It brings to our hearts an awful sting. Yes, she's gone but sure to greet us, In a brighter world above, Where there is no pain nor sorrow, Only joy and peace and love. Let us be up and doing And strive to meet her on that bright shore, She with outstretched arms will greet us, To reign in glory evermore. Farewell, Sadie, thou hath left us,

Thou art with us here no more, But in Heaven we hope to meet thee On that shining, golden shore. WHITE MILLS. [Special to The Citizen.] WHITE MILLS, Pa., July 25.—Mrs. Thomas Bellamy, Tanners Falls, is visiting at the home of Mr. and Mrs. Joseph Stephens. Mrs. William Ballinger and daughter, Katherine, Salem, N. Y., is visiting Mr. and Mrs. Erastus Austin. Mildred Stephens, Josephine Stephens, Gladys Kimble and Blanch Kimble returned home after a week spent in Uniondale with their aunt, Mrs. Lena Lockwood. Solomon Merkle has gone to make a two weeks' visit with Frederick Bartlow, Forest Lake. He expects to spend most of his time in fishing. Charles Austin left for camp with Co. E on Friday last. John Henry, Jr., is learning the blacksmith trade with William Edwards. The people of White Mills are more than pleased to learn that Eugene Dorfinger was the lucky winner of the prize offered for the most original car by the Red Men in their parade. The car represented a trolley car of the Honesdale and Hawley Traction company and it was complete in every way from the ventilator on the top to the regulation advertising signs on the inside. When a car of this kind can earn ten dollars in thirty-three minutes it looks to us that the benefits from the "real thing" would be on the right side of the ledger. The people of this vicinity are anxiously awaiting the time when they can use their money to a better advantage in going and coming from Hawley and Honesdale than is now furnished. The time is coming when we must have it in order to keep abreast with the times. The nickles are burning in our pockets to hear the bells of the Honesdale and Hawley Traction Company ring "all aboard." When we travel to Honesdale year after year and notice the tracks partly laid it becomes unsightly to the passing public and it looks to us that some time or other that it was an old road abandoned by some company. It leaves a bad impression upon this vicinity to leave it where it now stands. George Fish and wife, Carbondale, is visiting Mandy Daniels, the aunt of the former. Timothy Duffy left for Batavia, N. Y., on Thursday, where he has procured a position at the glass cutting trade. Charles Burger just returned home after a visit with friends in Scranton, Wilkes-Barre, Carbondale and Jermyan. A birthday party was held at the home of Joseph Spinner's on Saturday evening. Several of the White Mills people were invited and responded to the invitation. William Gill and Phillip Dean called

on lady friends at Twin Lake on Sunday. BETHANY. [Special to The Citizen.] BETHANY, Pa., July 25.—Mortimore Lavo spent last week with his daughter, Mrs. Amos Rutledge, in Galilee. Mrs. Maurice Fitze and sons, Earl and Claude, Aldenville, are visiting Mrs. Fitze's mother, Mrs. George Hauser. Mrs. Lewis and daughter, Schenectady, N. Y., visited the former's grandfather, William Pethick, and other relatives during the week. Fred Hauser left Saturday for Scranton and Philadelphia. Mrs. Wesley Paynter, Carbondale, is visiting her mother, Mrs. Henry N. Miller. Meyer Bierly was given a surprise party on Friday afternoon to help him celebrate his eleventh birthday. The following were present: Helen Bennett, Helen Arthur, Doris and Mable Blake, Stella Dudley, Mildred and Hattie Sargent, Mildred Knapp, Louise Eckhart, Harold Knapp, Clarion Hauser, Meyer Bierly, Raymond Henderson, Marshall Ward and Kenneth Bryant. A very enjoyable time was spent in playing games on the lawn and all sat down to a delicious supper served in the dining-room. The birthday cake with its eleven candles burning was in the center of the table. Meyer received many gifts. Mrs. Eckhart and daughter, Louise, returned to their home in New York Saturday after visiting a few days with Mr. and Mrs. Chas. Faatz. Mrs. Noble, Scranton, who has been spending the past week with her parents, Mr. and Mrs. I. J. Many, left Saturday to visit Mr. and Mrs. Allen of Fallsdale. Mr. and Mrs. Leroy Hauser, Honesdale, spent Sunday with the former's father, William Hauser. The many friends of Rev. and Mrs. Signor extend their sincere sympathy to Mrs. Signor in her great anxiety. Mr. and Mrs. George Keyes, Mr. Alva Keyes and daughter-in-law, from Ariel, attended service in the Presbyterian church Sunday and renewed old acquaintances after the service. Mrs. Lamont Titus and sons, Earl and Carl, Deposit, N. Y., spent last week with the former's father, Chas. Avery and brother, W. O. Avery. Mrs. Titus was formerly Carrie Avery. Mr. Eisenberger preached a fine sermon Sunday morning to a good-sized congregation. His text was taken from Psalms 119: 105. "Thy word is a lamp unto my feet and a light unto my path." In the Methodist church Sunday evening Rev. Bierly preached a very thoughtful sermon from 1 Samuel 16: 7—"For man looketh on the outward appearance, but the Lord looketh on the heart." Mrs. Henry, Carbondale, and

daughter, Mrs. Edwin Quinn, and son, Thomas, Gordon Avenue, Carbondale, are visiting Mr. and Mrs. D. E. Manning. ALDENVILLE. [Special to The Citizen.] ALDENVILLE, Pa., July 25.—Our village is becoming popular as a summer resort and well it may be as we are situated right as to climate, scenery, boating facilities, lakes and rivers, telephone connections, daily mail, etc. County C. E. President, Edwin Bodie, Prompton, conducted the Endeavor meeting on Sunday night. George Gaylord is completing a fine large barn, one of the features of which is the convenience of the haymow, the barn floor and drive way being constructed on the overshoot plan, making it possible to pitch off the hay from the wagon down, rather than up. Two men can drive into the barn and unload a large load of hay in seven minutes or better. Ceil Davis, who has been employed on the Burns farm, has completed his work there and accepted a position in the Carbondale machine shop. Wm. Ritter, Honesdale, has accepted a position in the cut glass factory. George Shields is with Co. E at Selin's Grove. The hail storm which passed through here one week ago and which did so much damage, was one of the worst ever seen in these parts. We are glad to note, however, that despite the fact that the corn crop was apparently ruined, the stalks are putting out new growth of leaves and as Munyon says, "There is hope." R. H. Clift and Stanley Chudzinski narrowly escaped being struck by lightning during the last storm. They had just drove a team of horses attached to a load of hay into the latter's barn, unhitched the team and started for another barn when a shaft of lightning struck the hay barn, shivering the heavy frame work to splinters but did not set the building on fire. Paul M. Rainey and family of New York City, have been visitors at the parsonage the past week. Mr. Rainey is an expert tennis player and gave an exhibition of his "twist" service in playing while here. C. H. Rohlf, Harris Glanville, E. L. Hackett and Leo Brannan, Pleasant Mount, were callers in town on Saturday. The two former mentioned are also tennis players and matches between players from this place and Pleasant Mount are being planned. Now that hay is nearly completed the base ball games will be the regular Saturday afternoon attraction. Games with the G. C. C. of Honesdale, the Tigers of Carbondale, the Reds of Hawley and the Sluggers from Pleasant Mount will

follow in their regular order. Samuel Wilcox, Dyberry, who is assisting George Gaylord this season, had the misfortune to be thrown from a mower on Wednesday last and received a badly wrenched leg, which has laid him up for the present. His brother is filling his place. How to Treat Sunstroke. Drop the patient in a sitting posture in the shade, loosen the collar and clothing, pour cold water over the head and face and rub the body with ice. Give cool drinks of water, but no alcoholic stimulant. If there is merely heat exhaustion, lay the patient down in the shade, loosen the clothing, rub hands and feet and apply warm water and clothes. Give hot, non-alcoholic drinks. NOTICE. Teachers that have applied for schools in Berlin will send their certificates to the Secretary before Aug. 5, or no action will be taken upon their application unless they are Normal school graduates. By order of the board. S. SAUNDERS, Secretary. Honesdale, R. D. No. 4. Office of the Pennsylvania Commission to Erect a State Hospital For the Criminal Insane, Room No. 608, Real Estate Trust Building, Philadelphia, Pa. Sealed proposals for the construction of new buildings known as Dining Room Building K1, Kitchen Building L, Bakery Building M, Laundry Building T, Power Building V, Ice House W, Reservoir, System for Sewage Disposal and Equipments for the Kitchen, Bakery, Laundry and Power Buildings, pertaining to the State Hospital for the Criminal Insane for the Commonwealth of Pennsylvania, at Farview, Wayne county, Pa., to be addressed to the Pennsylvania Commission to Erect a State Hospital for the Criminal Insane, in care of H. G. Ashmead, Secretary, Room No. 608, Real Estate Trust Building, Philadelphia, Pa., will be received, opened and scheduled at 1 p. m. August 8, 1911. Drawings, specifications and form of proposal may be had on application at the office of J. C. M. Shirk, Architect, No. 518, Philadelphia Bank Building, Philadelphia, Pa., by depositing the sum of two hundred dollars (\$200.00), one hundred and eighty dollars (\$180.00) of which will be refunded upon the return of the drawings and specifications. Bids from others than those engaged in the actual business and the general branches therein mentioned will not be entertained or considered. The Commission reserves the right to accept as a whole or in part or reject any or all bids as may be deemed best for the interests of the Commonwealth. HENRY F. WALTON, Chairman. 574

LARGEST OUTPUT. The product of the Kimball factories is more than double in volume that of any similar institution in the world. To you this has much significance, indicating great popularity. It signifies all that unlimited capital can command, as W. W. Kimball Co. purchase for cash and accommodate their customers as to terms of payment. It means that the manufacturers can afford to sell at a small profit, obtaining results from more volume of sales. This is also proof of ability of W. W. Kimball Co. to furnish the most for the money.

GUARANTY. The capital of W. W. Kimball Co. is exceeded by but few of the largest banks of the United States. This enables them to buy raw material in great quantities, to make every separate portion of the instruments in their own factories, and is the strength of the Kimball guaranty, which goes with every instrument. This is the climax of W. W. Kimball Co.'s ability to furnish the most for the money.

SUPERLATIVE MERIT. The W. W. Kimball Co. received the World's Columbian Award for Superlative Excellence. This award is the most sweeping one ever given producers of pianos and organs. This signal triumph has been succeeded by yet another: The Kimball Pianos were honored at the Trans-Mississippi Exposition at Omaha receiving the diploma and only gold medal awarded any piano.

The International Jury of Awards of the Alaska-Yukon-Pacific Exposition at Seattle, 1909, conferred the medal and diploma, unanimously giving the Grand Highest Award to Kimball Pianos, Grand and Upright, and Kimball Pipe Organs.
