Rumors are now in circulation along the National league circuit that Jim Sheckard, the Cubs' veteran outfielder, will not wear a Chicago uniform next season.

New Australian Swimming Phenom. It took time to get here, but the Australian man finally brought the following, which is given unobtrusively: "For several years Australia has been remarkable for the production of fast swimmers, and the land of the kangaroo has maintained its reputation this season with another out and out phenom. Unlike the Cavills, Klernan, Wickham and Beaupaire, who took more or less time to develop into the championship class, this new man, or rather, boy, has earned record fame at almost his first header into the brine.

Jem Driscoll Now Bookmaker. Jem Driscoll, England's featherweight champion, has permanently retired from the ring to become a bookmaker's partner on the English turf. In a recent interview Driscoll said that he didn't believe his health would allow him to train again and that, furthermore, he was tired of the game.

Innovation For Cricket. An interesting innovation was tried in Edinburgh by playing cricket with a time limit. A team of professionals brought together by Plovering of the Academicals opposed a team composed of the best amateur players in that city, each side being allowed two hours to bat, the highest score deciding the match.

Do Pitchers Toil Enough? Now and then a little curiosity is expressed as to whether the modern pitchers have work enough to keep them in good condition. This doesn't refer to their physical condition, but to their pitching condition.

Tryouts For Olympic Aspirants. The Amateur Athletic union committee has practically selected San Francisco, Seattle and Portland for the Pacific coast where candidates will contest for places on the American Olympic games team; Chicago, Cincinnati and Cleveland for the middle west, and Philadelphia, Boston and New York for the east.

Fletcher Duplicates Racing Success. The double success scored by J. Clarence Fletcher of Toronto in his Japanese racing last year, when he won the Emperor's cup and the Championship cup at the Nippon Race club's meeting with the Australian bred mare Woodbine, has been duplicated this season by the young Canadian. A mare called Blue Bonnets won both cups this year.

TROTTER UHLAN IS PARTICULAR PIECE OF HORSEFLESH.

Uhlán, the world's champion trotter, is a mighty particular piece of horseflesh when it comes to drinking water. Not so very long ago Tom Logan, who is proud of being Uhlán's valet, hit upon the plan of furnishing Uhlán with spring water to drink. Tom figured he would give the gelding a treat for a few days, but he had no intentions of continuing the practice.

STYMIE IS DOOMED.

Old Feature of Golf Likely to Be Eliminated. The gun fired recently in the west intimating a renewal of the attack upon the much abused stymie has been heard with conflicting emotions in the east. Just because a well known player in some important match happens to lose a hole at a critical point, through being laid a stymie, fails to change a situation or condition that has existed for generations, say the loyal supporters of the old school.

BURKE HAS MADE GOOD.

Brooklyn Middleweight Entitled to Be Classed With Crackerjacks. Why all the holler about Sailor Burke, lads? He cleaned Mr. Willus Papke just as well as any fighter was ever cleaned, and yet some writers refer to the tar as a third rater.

Sailor Burke in Fighting Attitude. See a battle when he starts, and there is always some one bugged up before his fights are finished. He backed Papke all around the ring in the recent fight. He forced the fighting and never refused to mix. If Papke had been willing to mix he would have had company, for the sailor was there with the heart of a lion and ready to stand toe to toe for the limit.

WILL FOLLOW LONG TRAIL.

Automobiles to Tour Across the Country in October. A novel transcontinental automobile tour will leave New York Oct. 2. This tour will be on a scale and plan that have not hitherto been attempted. Fifty persons in ten seven-passenger cars will make the trip, which from start to finish will cover fully 4,000 miles, from New York to Los Angeles. The route chosen for this coast to coast tour is that known as "the trail to sunset."

MEXICO FEARS REVOLT.

Calls Off Independence Day Festivity of Sept. 16. Fear of an uprising against the government on the anniversary of Mexican independence, Sept. 16, will result in almost all celebration being postponed this year. The officials of Torreón, Gomez Palacio and Lerdo in the state of Durango, have already ordered that there shall be no celebration.

He is John Kleinhaus, who has been directed by the state board of health to see that Kansas hotel patrons get what the law says they are entitled to when they pay their money. This includes sheets ninety-two inches long, free from germs.

That section six of article five be amended, by striking out the said section, and inserting in place thereof the following:— Section 6. In the county of Philadelphia all the jurisdiction and powers now vested in the district courts and courts of common pleas, subject to such changes as may be made by this Constitution or by law, shall be in Philadelphia vested in five distinct and separate courts of equal and co-ordinate jurisdiction, composed of three judges each. The said courts in Philadelphia shall be designated respectively as the court of common pleas number one, number two, number three, number four, and number five, but the number of said courts may be by law increased, from time to time, and shall be in like manner designated by successive numbers. The number of judges in any of said courts, or in any county where the establishment of an additional court may be authorized by law, may be increased, from time to time, and whenever such increase shall amount in the whole to three, such three judges shall compose distinct and separate courts as aforesaid, which shall be numbered as aforesaid. In Philadelphia all suits shall be instituted in the said courts of common pleas without designating the number of the said court, and the several courts shall distribute and apportion the business among them in such manner as shall be provided by rules of court, and each court, to which any suit shall be thus assigned, shall have exclusive jurisdiction thereof, subject to change of venue, as shall be provided by law.

In the county of Allegheny all the jurisdiction and powers now vested in the several numbered courts of common pleas shall be vested in one court of common pleas, composed of all the judges in commission in said courts. Such jurisdiction and powers shall extend to all proceedings at law and in equity which shall have been instituted in the several numbered courts, and shall be subject to such changes as may be made by law, and subject to change of venue as provided by law. The president judge of said court shall be selected as provided by law. The number of judges in said court may be by law increased from time to time. This amendment shall take effect on the first day of January succeeding its adoption.
