As the clock struck two the heavy tramp of many feet was heard on the stairs. "What's that?" said the lady. REAL ESTATE DEALS.

Phillip Scherrer and wife, Texas township, to Joseph Bergman, Brooklyn, N. Y., 70 acres of land in Texas township, and 17 acres in Cherry Ridge township. Consideration \$1 and other valuable consideration.

Conrad Swingle and wife, Lake township, to James O'Connor, 442 New street, Scranton, 7500 square feet of land in Lake township. Consideration \$100.

IF the people of Wayne county want a proficient commissioner they would do the proper thing by casting a vote for John E. Mandeville, Democratic candidate for that office.

LOSES 17,000 ACRES OF WHEAT. Kansas farmers do things in a big way, but "Jim" Fiske of Thomas county has rather staggered them all in the gamble he has made, and is to repeat, against Nature. Mr. Fiske is the wheat king of his section, and this year he lost 17,000 acres of wheat. This huge field was sowed a year ago and was really a bet that it would rain a good deal between March 1 and May 1. It didn't, and Mr. Fiske has not cut a head of grain. Had he won he would probably have cleaned up about \$150,000. He has now written friends that he has put seven steam plows at work on the fields and will sow wheat on all the ground they can turn before the middle of the month. This will probably be about 15,000 acres and from this he expects, unless the weather again plays him false, to reap 100,000 bushels of wheat next year.

LASSOES AN AUTO.

In spite of the fact that Indian hunting in the major portion of the western states is now rather poor, the gay small boy still plays cowboy and plans desperate encounters with the wily red man. A little chap was working out a campaign in a New York street Friday, whirling a lariat about his head and looking for a convenient Indian on a pony to rope. But the change of time brought an automobile along instead. However, the youthful imagination was good, and it is really but a step from a red devil wagon to a red Indian after all. He gave a yell and threw his rope. Unfortunately his aim was good, and he caught the cranking apparatus. The motor didn't play fair and stop, and the lad was yanked half a block before the chauffeur realized that he was supposed to be the victim of a cowboy raid. Then he stopped and cut loose the young hero. The latter says that in future he will devote his energies to cigar store signs.

"WHO IS WHO" FOR PROTHONOTARY?

"Let George Do It." A vote for George P. Ross is a vote for a man who will give every detail of the business of the office careful attention. He is a man who has never been frightened by hard work. He worked his way through an academic education and has worked his way honestly and fairly into the position he now holds. No person has ever asked a favor of George Ross that he has not performed if he possibly could do so. Is not that the kind of a man you want for public office? Will you not help him with your influence and vote?

GOLDEN ROSARY FOR CARDINAL GIBBONS.

The Knights of Columbus are to give Cardinal Gibbons a golden rosary on his jubilee next month, and the chain has a rather romantic history. The rosary is composed of 50 golden nuggets and is valued at \$1000. Some years ago a nun in Newfoundland wished to establish a home for girls, and in order to do so asked each visitor to her convent to give \$1 for a brick to go in the new building. While this plan was being carried out a Newfoundland youth struck it rich in the Klondike and returned home to marry a girl who was much interested in the projected home. On their wedding day he gave the nun 50 nuggets for the work, and these were later made into a rosary. The nun valued it at \$100 and offered to sell it to one of the officials of the Catholic society so that the money could go to the business fund. He took it, suggested it be given to the cardinal on his jubilee and the nun was sent \$1000 in return for the present. Not only the rosary and its romantic story, but the benefit it has wrought, should appeal strongly to the recipient.

JOHN E. MANDEVILLE has helped to save several hundred dollars for Wayne county. An X mark opposite his name signifies that many more X's or \$10 certificates will be saved if he is nominated and re-elected to the office of commissioner. 1t

You can find out all about HYOMEI without taking any chances whatever. Just get an outfit to-day, read the simple instructions, give it a fair trial and then if you are not willing to say that it is the best remedy for catarrh you have ever used G. W. Pell will gladly return you a complete HYOMEI outfit costs but \$1.00. Extra bottles 50 cents.

Republican Candidate FOR County Commissioner

In announcing myself as a candidate for the nomination of Commissioner, I wish to state that to many of you I am well known, while for the benefit of those who are not personally acquainted with me I will say that I was born on a farm in South Canaan township. I am the son of Hiram and Rebecca Rockwell. Was educated in the public schools of South Canaan township and the Waymart High school, after which I followed the occupation of farming until I was eighteen years of age. Then I entered the employ of C. C. Shaffer, the lumber manufacturer of Vardon. After working for Mr. Shaffer for three years, I went to Wyoming Valley where I was for six years engaged in the construction of coal breakers for the firm of Kingsley & Terrel. I next took up the business of contracting and building but was obliged to leave the valley on account of sickness in the family. On doing so I came back to Wayne county and settled on a farm in Lake township, which occupation, along with contracting and building, I have followed ever since.

Have done considerable work in the line of cement construction and building and, therefore, am familiar with the making and letting of such contracts. The only public offices ever sought by me was Assessor and Judge of Election. The former I held for two terms; the latter one term and was also appointed Mercantile Appraiser for 1911 by the present board of commissioners.

My father and his two brothers were soldiers in the Civil war. Jos. Rockwell, father's brother, was killed in the war and his name now appears on the monument near the Court House at Honesdale.

I am a member of the Methodist church, a member of Salem Lodge of Free Masons, Honesdale Chapter and Melita Commandery of Knights Templar; also an enthusiastic member and a hearty supporter of the Grange, American Mechanics, Red Men and Modern Woodmen of America.

If nominated and elected to this important office, I will endeavor to perform duties thereof to the best of my ability and in the interest of the taxpayers. After looking me up carefully, if you find me qualified and worthy of your support, I will most heartily appreciate your helpfulness and also any favors you may be able to extend to me. Sincerely yours,

EARL ROCKWELL
