He states that September 19, 20 and 21 are pivotal in his scheme of astronomical observations. The conditions on those days rule the weather for the next ninety days, he asserts. The Maple City weather prophet is one of the most comforting that we have encountered. We hope that his predictions, given at a time when the rest of them generally tell of coming blizzards and line storms will be verified. If they are this season we will accept the first three days of September as our guides hereafter and pay no more attention to the goose-bone, cornstalk, squirrel tooth and other long range forecasters.—Tribune-Republican, Scranton.

"TURNED DOWN AGAIN."

[Tune—"Happy Day."] Once more old Wayne has been turned down.—

Once more she meekly bows to fate;

Humiliated thus, for years, An elder daughter of the State.

CHORUS:

"Dear old Wayne," poor old Wayne, Turned down again, turned down again!

Her civic rights once more ignored, An honored son completely floor-

ed.—

"Dear old Wayne," poor old Wayne, Turned down again, turned down again!"

Once more old Wayne is "counted out."

Once more the sweet congressional plum.

She hungered for with keen desire, Is given to a sister's son.

Once more old Wayne has played and lost.—

Her sisters held the cards that won;

And yet, they might have played for me.

And let her beat, just once, for fun!

Republican Candidate

FOR County Commissioner

In announcing myself as a candidate for the nomination of Commissioner, I wish to state that to many of you I am well known, while for the benefit of those who are not personally acquainted with me I will say that I was born on a farm in South Canaan township. I am the son of Hiram and Rebecca Rockwell. Was educated in the public schools of South Canaan township and the Waymart High school, after which I followed the occupation of farming until I was eighteen years of age. Then I entered the employ of C. C. Shaffer, the lumber manufacturer of Varden. After working for Mr. Shaffer for three years, I went to Wyoming Valley where I was for six years engaged in the construction of coal breakers for the firm of Kingsley & Terrel. I next took up the business of contracting and building but was obliged to leave the valley on account of sickness in the family. On doing so I came back to Wayne county and settled on a farm in Lake township, which occupation, along with contracting and building, I have followed ever since.

Have done considerable work in the line of cement construction and building and, therefore, am familiar with the making and letting of such contracts. The only public offices ever sought by me was Assessor and Judge of Election. The former I held for two terms; the latter one term and was also appointed Mercantile Appraiser for 1911 by the present board of commissioners. My father and his two brothers were soldiers in the Civil war. Jos. Rockwell, father's brother, was killed in the war and his name now appears on the monument near the Court House at Honesdale. I am a member of the Methodist church, a member of Salem Lodge of Free Masons, Honesdale Chapter and Melita Commandery of Knights Templar; also an enthusiastic member and a hearty supporter of the Grange, American Mechanics, Red Men and Modern Woodmen of America. If nominated and elected to this important office, I will endeavor to perform duties thereof to the best of my ability and in the interest of the taxpayers. After looking me up carefully, if you find me qualified and worthy of your support, I will most heartily appreciate your helpfulness and also any favors you may be able to extend to me. Sincerely yours,

EARL ROCKWELL ARIEL, PA. 74e 44.
