## Only New York Wall Street Crowd Hoots Suffragist.

### MRS. PANKHURST GIVES UP.

Crowd of More Than 2,000 Clerks Refuse Hearing to English Militant Suffragette Leader, Who Says They Need Educating and Urges Campaign.

New York, Nov. 28.—More than 2,000 clerks and messenger boys assembled at Broad and Wall streets to hear Mrs. Pankhurst discuss the woman suffrage situation in England, but when the automobile containing the English leader, Mrs. Harriett Stanton Blatch, the Rev. Anna Shaw and Miss Mary Petrick drew up in front of the sub-treasury building the crowd greeted the women with catcalls and yells of derision.

The leader of the British militants was greeted with prolonged shouts.

"I am glad and proud," she began, "to have the opportunity to address an audience in the business center of New York city. If the mountain won't come to Mohammed, Mohammed must go to the mountain, so I came to you, the mountain of commercialism, to tell you why women who have to earn their living or take charge of business enterprises or of property need the vote."

The crowd seemed to be disappointed and vented its emotion in a series of yells, which compelled the speaker to make a prolonged pause. There were cries of "Hire a hall."

Then she tried story telling, but anecdote seemed to have no stronger appeal than argument.

The party drove straight to police headquarters from Wall street, and Mrs. Blatch and Dr. Shaw registered a complaint regarding what they described as insufficient police protection.

Mrs. Pankhurst told reporters who saw her later that she thought the Wall street demonstration was merely another proof that the men needed educating and that she thought New York suffragists should start a missionary campaign in the district.

### NO HELP FOR MARSHALL.

Indiana Governor Announces Position Regarding Presidency.

Indianapolis, Ind., Nov. 28.—In an announcing that he would not call a special session of the legislature to order a presidential primary at the request of Senator La Follette, Governor Marshall took occasion to expose the plan that has been suggested by some of his friends to get into the presidential race.

"I do not consider myself a candidate for president," he said. "That is up to the people themselves. But when I have been approached with the suggestion that I ought to be a candidate for president and then get some big, rich banker to back me and finance my campaign on a promise from me that I would appoint him to some good office in case of my election I have said to those who made the suggestion, 'Not on your life.' I would not promise anybody anything in order to get support for office."

### CONFIRMS APPOINTMENTS.

Pope Recognizes New Prelates in America.

Rome, Nov. 28.—At the consistory Cardinal Casatta received the suburban title of Præseati and Cardinal De Lai that of Sabine. The pope then recognized the following American appointments: Edward Michael Dunne, bishop of Peoria; James O'Reilly, bishop of Fargo; Joseph John Rice, bishop of Louisville; Patrick Richard Heffron, bishop of Winona; Timothy Corbett, bishop of Crookston; Vincent Wehrle, bishop of Bismarck; Joseph Busch, bishop of Leadville; John Ward, bishop of Leavenworth; George William Munderlin, titular bishop of Loryma, and Bishop MacDonnell, auxiliary bishop; Miles MacNeil, bishop of Vancouver.

### STARTS LA FOLLETTE BOOM.

Gifford Pinchot Tells Who Insurgents Want For President.

New York, Nov. 28.—Mr. Gifford Pinchot, who was once President Roosevelt's forester in chief, launched the presidential boom for Senator Robert La Follette of Wisconsin in this city in an address before the Insurgents' club, at Reisenweber's cafe. He launched the boom in very plain language, saying that there could be no doubt in the minds of all progressives as to who was to lead that wing of the Republican party for honors in the national convention next summer.

### AMERICAN DRIVERS WIN.

Vanderbilt Cup Race Goes to Ralph Mulford.

Savannah, Ga., Nov. 28.—American drivers, piloting American cars, won three great automobile victories on the famous Savannah automobile course, when Ralph Mulford in a Lozier captured the Vanderbilt cup race, Hughie Hughes in a Mercer won the Savannah challenge trophy race, and Frank Witt, driving an E. M. F. thirty, came in a winner in the Tiedman cup race.

The foreign drivers and foreign cars were distanced, Ralph De Palma, the Brooklyn boy, coming in second in the Vanderbilt cup race, and Spencer Wishart, driving a Mercedes, coming in third in this event. Harry Grant, the winner of two Vanderbilt cup races on Long Island, came in a bad fourth. Mulford's average was 74.07 miles an hour for the Vanderbilt race for the distance of 291.38 miles. The winner's time was announced as 356 minutes. The fastest lap of the Vanderbilt race was made by De Palma in the Mercedes on the second round. He negotiated the distance in 13 minutes 14 seconds, which was not equalled by any other racer.

### ACCUSE MRS. VERMILYA.

Chicago Woman Held to Grand Jury in Poisoning Case.

Chicago, Nov. 28.—A coroner's jury in the case of Arthur Bissonette, probationary policeman, who is believed to be one of the victims of the alleged poisoning mania of Mrs. Louise Vermilya, rendered a verdict that Bissonette came to his death from arsenical poisoning presumably administered by Mrs. Vermilya and recommended that she be held to the grand jury. The case of the woman who stands formally accused of the death of the probationary policeman and who is suspected of having caused the deaths of eight other persons in the last few years by means of arsenic, will be taken before the grand jury without delay. It is expected that she will be held for trial.

### NEW NAVAL AID FOR TAFT.

Washington, Nov. 28.—President Taft has appointed Lieutenant John W. Timmins, U. S. N., to be naval aid at the White House, succeeding Lieutenant Commander Leigh C. Palmer, who has been chosen by Secretary of the Navy Meyer to be his personal aid. Lieutenant Timmins was chosen by the president upon recommendation of the navy department. He is now stationed in the bureau of ordnance. Lieutenant Timmins is a son-in-law of former Vice President Fairbanks.

### PROTEST AGAINST AGE LIMIT.

Chicago Men Over Forty-five Hold Mass Meeting and Form League.

Chicago, Nov. 28.—"Is a man who has passed the age of forty-five no use?" This question, after being answered affirmatively by several big Chicago employers recently, was replied to differently at a mass meeting of the Anti-forty-five-year Age Limit league. The league has just been incorporated. Its backers declare the crusade shall be nation wide and eventually a worldwide one.

### ACROSS POND FOR CHRISTMAS.

Party of Scandinavians on Way to New York to Sail.

Minneapolis, Minn., Nov. 28.—Three hundred and fifty Scandinavians are on the way on a special train to New York, whence they sail for their old homes to spend Christmas. Many were from Alaska, a number displaying gold nuggets at the office where they bought their tickets.

Dix to Confer With Athletic Committee Albany, N. Y., Nov. 28.—Governor Dix says that he expected to confer with the state athletic committee late in the week regarding the repeal of the amateur law.

# FUND DWINDLES.

## Austin Flood Sufferers Get \$50,000, Not \$200,000.

### READY FOR PROSECUTION.

Chairman Dubois of Relief Committee Denies Minister's Statement Concerning Size of Amount Subscribed For Aid of Survivors Who Lost Relatives.

Condersport, Pa., Nov. 28.—Chairman W. F. Dubois of the general Austin relief committee, which has been called to account for funds received from the public for the relief of the survivors of the Austin dam disaster, denied that \$200,000 had been contributed.

"If the Rev. E. E. Harter, pastor of the First M. E. church of Austin, knows that \$200,000 was collected from the public I hope that he will produce the facts to prove the assertion at once," said Mr. Dubois. "According to our information, the total amount is more like \$50,000, of which our committee received and accounted for about \$38,000."

"We have information that between \$12,000 and \$15,000 was turned over to Dr. S. G. Nixon of the state board of health, and at our demand Governor Tener promised that this will be returned over to us for the sufferers."

The district attorney will be ready for trial upon indictments if voted against the three men now held for the grand jury as responsible for the Austin disaster at the next term of court, which opens within three weeks.

### TO COLLECT ALL TIPS.

Philadelphia Hotel Men Evolve Plan to Regulate Hand Outs.

Philadelphia, Nov. 28.—If you eat \$2 worth at any Philadelphia hotel or restaurant you may hereafter get a check for \$2.20—the additional money being the price you pay for the privilege of ignoring the waiter's outstretched palm. Only if this latest plan of the proprietors is carried out these palms will be modestly withheld, because the 20 cents really will be the tip which the establishment will keep with others received in like manner and divide at the end of the day, each waiter getting a share.

It is only the doubt of the hotel and restaurant men whether they have the legal right to make this assessment on the bill rendered that has prevented its immediate adoption. They plan now to post a notice of a 10 per cent tipping rate, so that persons who dine out can tip according to their appetites and not have to part with a quarter when only a small salad is eaten.

### TENER BOMB A JOKE.

Supposed Powder Found to Be Chemical Fertilizer.

Charleroi, Pa., Nov. 28.—Governor Tener received nothing but a chemical fertilizer in the "deadly bomb" that was mailed to him from Philadelphia.

The farcical end of the cheap practical joke came to light when the supposed powder contained in the mysterious cylinder was tested. Matches would not explode the powder, nor would concussion. Every known method of setting off explosive was tried and finally the powder was discovered to be nothing more than a brown chemical compound which is sold by druggists as a fertilizer.

Wrapped around the cylinder were two newspaper clippings from a Philadelphia newspaper that was antagonistic to Governor Tener during his campaign. The improvised bullets within the cylinder would have remained there for all time without doing a trifle of harm.

### CATCH INSANE WOMAN.

Miss Schneider Says She Had Aid in Leaving Matteawan.

Sharon, Pa., Nov. 28.—Ottilla Schneider, who escaped from the Asylum For the Criminal Insane at Matteawan last Tuesday, was recaptured here by Detective Samuel Long and Dr. J. A. Alle of New York and the local police. The woman after leaving Matteawan went to Newburg, then to Weehawken and arrived in Sharon Wednesday. The officers followed her, but Miss Schneider took a train for Pittsburgh. She returned on Friday and went to a private house to board where she was taken into custody. Miss Schneider will be committed to the insane department at Mercer until requisition papers arrive.

### SUES MILLIONAIRE FOR \$50,000.

New York Woman Says Wealthy Pittsburgher Promised to Marry Her.

Pittsburgh, Nov. 28.—Helen Reeves, a dashing brunette of New York city, filed a suit in the Allegheny county court for \$50,000 damages from Thomas A. Coleman of this city for breach of promise. The bill of particulars is filled with stories of a gay life in New York city.

Thomas A. Coleman lives in the Wilkingsburg district and is known best for his church work and respectability. He is sixty-two years old and a grandfather. Three years ago he retired from business and is rated as a millionaire. He denies that he even knows the woman and brands the suit as blackmail.

Princess Patricia to Visit United States.

PRINCESS PATRICIA OF CONNAUGHT.

England has a genuine grievance in the fact that owing to the duke's appointment the "popular Connaughts" have all gone to live in Canada for a time. It is safe to say that all the other members of the royal family might have left en masse and not have been as sincerely regretted as are this uncle of King George and his wife and family.

Of course the loss of Princess Patricia causes the deepest pang. She is the only princess in Great Britain who is really pretty, clever and witty as well as young. Then, too, she has a little atmosphere of romance which rouses all the sentiment in English breasts. She is quite unlike her cousin, the somewhat stodgy Ena of Battenberg, who is now queen of Spain, and equally unlike the thin, shy, delicate daughters of the Duchess of Devonshire. She is just a typical, healthy, charming English girl, only with far more than their usual amount of brains and a most unroyal sense of humor.

Princess Patricia herself is quite enthusiastic about going to Canada. She intends to visit all the interesting places in the Dominion, and she and her brother, Prince Arthur of Connaught, are planning to see something of America also, traveling incognito and visiting most of the large cities. Princess Patricia saw her father and mother off for Canada; then she herself started for Sweden, where she is to have a farewell visit with her sister, the crown princess of Sweden. About Christmas she will join the duke and duchess in their new home.

Her love affair with a certain English marquis who is not of high enough rank to marry her is well known, and the young couple are regarded as models of fidelity.

Columbus had made the egg stand on end. "But could you unscramble it?" demanded the mortified courtiers.

Which merely accentuates the great truth that nobody is springing any new puzzles nowadays.—Chicago Tribune.

Go print what I say in a book: Here woman begins and she ends—She talks of her friends to her cook; She talks of her cook to her friends.—Judge.

American Diner—Say, waiter, does anybody ever laugh here? Waiter—Well, we do get complaints now and then, sir!—London Opinion.
