—J. Gilbert Hiccox, bank director and farmer, of Milwaukee, Wis., in producing milk of quality, has discovered that the use of a cheap phonograph has increased the producing value of his herd of seventy blooded cows two quarts each day. As the milk to the exclusive set at twelve cents a quart, this makes his music worth \$1,000 a year to the farm. He worked on the theory that music at milking time would make the cows less nervous.

—The men of St. John's Roman Catholic church happily surprised their new priest, Rev. John O'Toole, last Sunday evening in the parochial residence on Terrace street. Sunday was Father O'Toole's twentieth anniversary of ordination into priesthood. Some of the members of his parish learned of this the latter part of the week and purchased a sparkling glass water set, most beautiful in design. The presentation speech was made by Attorney C. A. McCarty, and the response given by Father O'Toole.

—Attorney C. A. McCarty was able to reach his safe on Monday afternoon. The combination worked freely and the door was opened without any difficulty. The contents, which consisted of valuable notes, mortgages, deeds, contracts, wills, etc., were unsoiled and good as the day in which they were placed in the fire-proof safe. The papers represented several thousand dollars' worth of valuable papers. The day book was slightly damaged by water, but not enough to obliterate any of the writing. Other books, which were partially burned, were recovered.

—The tire on one of the driving wheels of the Honesdale passenger engine of Conductor James Ward's train, became loosened Monday morning. Engineer Jule Arnold discovered the tire was working off at Fortenia and ran slowly from that place to Honesdale, arriving a few minutes late. There being no extra locomotive in the round house and the company having no means of setting the tire here, another engine was sent for. It arrived in time to haul the regular 12:25 train to Carbondale. The disabled locomotive crept along at the "Stourbridge Lion" speed, four miles an hour, until it reached Carbondale, where it was repaired. The careful attention of Engineer Arnold undoubtedly averted a wreck.

—What might have resulted in a very serious accident for a number of Honesdale boys, occurred on Sunday night. A party of boys were coasting down the Cherry Ridge hill and their sled ran into the open buggy of George Dirlam. The buggy was overturned and badly smashed and the horse bruised on the legs. The boys escaped without injury as did Mr. Dirlam.

—Sixty-one years ago in April, 1851, occurred the greatest fire Honesdale has ever suffered. The fire started in the building owned by the father of P. R. Murray and swept through the lower part of town. The losses which were scattered among about sixty-four different people aggregated in the neighborhood of \$125,000 and about \$55,000 of which was covered in insurance.

—An enthusiastic Loyal Temperance Legion of about forty members has recently been organized at Beach-lake. The Legion is presided over by Wm. J. Davey and meetings are held every two weeks. The last meeting was held at the home of Mr. Ives and though the weather was severe a goodly number were present and a very interesting program was carried out. The president addressed the Legion, a recitation was given by Miss Bernice Dunn, and a reading by Miss Marcia Barnes. Miss Lucy Downing was chosen to prepare a program and lead the next meeting.

—The bill in the interest of soldiers, widows and minor children of the Civil-Mexican war, H. R. 60, which has been smothering in Committee since April 26, 1911, as well as a bill to pension soldiers confined in Confederate prisons, H. R. 723, were called up on Saturday by Hon. James Mann, Republican floor leader. On motion to discharge the committee and to immediately consider these bills in the House, the Democrats being in the majority voted solidly against this motion, and it was lost. The effect of this will be to indefinitely postpone action on these meritorious measures.
