Never in the history of Forest City, or the entire valley, for that matter, has there been so many water pipes frozen as during the past severe weather. It is said that the cold of January and the early part of February was a record breaker for which it would be necessary to go back many years to find a parallel. In addition there was very little snow on the ground and as a result the frost penetrated much deeper than it does as a rule.

The Borden plant at Middletown will go out of the condensed milk business as that product is at present a drug on the market and the company is said to have thousands of cases in storage for which there is now no demand. Instead of condensing milk they will double the number of employes and manufacture candy, which they have been making on a small scale for some time past. It is said that 500 people will be employed. A number of young men and women from Middletown have already found employment there. The Bordens, who have been making butter in their plant there, had been selling it at about 28 cents per pound to employes, whereas the price in the stores was much higher. The merchants that city fled a protest at the main offices of the company and as a result the sale of the product to employes has been discontinued.

The largest crowd of the season is expected to attend.

Honesdale must get busy and organize a base ball team this summer. Carbondale, Archbald and Hawley, all great rivals of ours, have started to organize and raise money for preliminary expenses. BASKET BALL.

In a game, which was at times highly exciting as well as rough, a team representing the "Alerts" won from the "Rink Five" on Tuesday night last. The Alerts were desperate in need of this, the fourth game of the series. They were strengthened by two White Mills players, Eddie Murphy and Tony Gill, whose fast work was one of the features of the game. The Alerts took an early lead, the Rink Five playing quite poorly, mainly because their center man, O'Connell, was not in his usual form, having just recovered from a severe cold. The first half ended 18 to 3 in favor of the Alerts. The second half was much faster and quite exciting, as the Rink team, with Mackie at center, seemed to take a new "lease on life" and seemed determined to win out by a strong finish, a thing for which they are becoming quite noted, and for a time it looked as though they would overcome the Alerts big lead, as they made 11 points to the Alerts 3 in the second half. The final score was 22 to 14. Lineup: Alerts: Gill, Murphy, F., W. Pelt, Ross Sherry, C., O'Connell, Macke, Target, Mangan G., Hafer McDerr.

J. Pelt was in charge.

Baskets: Alerts—Sherry 5, Murphy 1, Gill 2, Mangan 1, Mangan 3 Fouls—Rink Five—W. Pelt 1, Ross 2, J. Pelt 2, W. Pelt 2.

This makes the series a tie and the deciding game will probably be played next Tuesday at the Rink (although this is not positively decided). The players will receive a large percentage of the receipts and a "bumper" crowd is expected.

The Rink Five will play in Taylor Saturday night.

To-night (Thursday) the G. C. C. Club plays Texas No. 4 at the Rink.

"THE ROSARY."

Those who complain about the decadence of the drama can offer no sound criticism of "The Rosary," which was the sensation of the popular priced houses last season. It is not a religious drama of the heavy sort, lacking in entertaining qualities. On the contrary it is a delightful story of every-day life, in which the plot hinges upon the misery which creeps into a household through circumstances which lead to suspicion and jealousy, and of a part which a priest, Rev. Brian Kelly, plays in bringing about a correct understanding. A Rosary of pearls shines in the unfolding of the plot, and in its final happy denouement. The play is handsomely staged by

the producers, Rowland and Clifford, and is enacted by a powerful acting cast. "The Rosary" is a play which every lover of clean and entertaining stage production should see. It will be seen at the Lyric on Friday, March 1. Curtain at 8:30 instead of the usual time.
