

## SUSPECT VANISHES

### Wife of Slain Man Leaves With Daughter.

### POLICE GUARD WAS REMOVED.

She Had Promised to Stay In City. Husband's Body Was Found In Ohio River With a Deep Wound, Apparently Inflicted With Razor.

Freedom, Pa., May 28.—Mrs. Charles R. Royal, from whose home a police guard was removed on her promise not to leave, cannot be found. She departed with her daughter. She was being kept under surveillance following the discovery in the Ohio river of her husband's body bearing evidence of foul play. Another man is said to be involved, who was seen at the Royal house.

Royal, a locomotive engineer, disappeared Wednesday morning. A post-mortem examination revealed he was dead before his body was cast into the river. There was a deep wound, apparently inflicted with a razor. Mrs. Royal, aged thirty-two and strikingly handsome, is said to have attempted to leave Freedom, with the result that the police guard was stationed at her home.

### ATTEND WOMEN'S FEDERATION

Many Philadelphians to Attend Meeting In San Francisco.

Philadelphia, May 28.—Many prominent Philadelphians will attend the biennial meeting of the General Federation of Women's Clubs, which will be held in San Francisco, June 25. Mrs. Rudolph Blankenburg, who is a vice president of the national body, will go as an officer.

Mrs. H. C. Boden, president of the Philadelphia club, will head the list of representatives from that organization, and the following delegates have been chosen to represent the New Century club: Miss Elizabeth Lowry, president; Mrs. R. T. Brown, Miss Laura Bell, Miss Anna Johnson, Miss J. P. Balderson, Mrs. H. W. Jayne, with alternates, Mrs. J. L. Adams, Miss Lida Stokes Adams, Miss Emma Klahr, Miss Lydia Lowry, Dr. Eleanor Jones and Mrs. Louis C. Madeira.

### SLASH PRISONER AT HEARING.

Cut With Razor by Man He Was Accused of Having Attacked.

Philadelphia, May 28.—Vincenzo Parletto, a contractor, is in the Pennsylvania hospital with a deep razor blade wound in his neck as the result of an attack made upon him by Leo Marano in a police station, when the former was receiving a hearing before Magistrate MacFarland on an assault and battery charge preferred by his assailant.

Parletto lost considerable blood. The physicians believe he will recover. Marano, who is suffering with a similar wound said to have been inflicted by Parletto, was held by Magistrate MacFarland without bail to await the result of the contractor's injuries. The latter is under arrest at the hospital.

### HONEST BOY REWARDED.

Returns Wallet With \$500 and Gets \$50 as a Gift.

Philadelphia, May 28.—Joe Marshall, a sixteen-year-old messenger boy of the Western Union office, who was assigned to the International Navigation congress, is \$50 richer today because he found a wallet containing \$400 and belonging to J. F. Hulsnit, a delegate from Holland, in the corridor of the hotel where the congress was in session. The owner counted out \$40 and gave it to Joe. Bystanders, pleased with the boy's honesty, "chipped in" and raised the sum to \$50, and the happy youth took all of it home to his mother.

### MAN THROWN FROM HOUSE.

Former Fiance May Die as Result of Fight.

Philadelphia, May 28.—After being thrown bodily, it is said, from the home of his former sweetheart when he called to get back some presents John Manns, twenty-six years old, is in a critical condition at the Pennsylvania hospital from a fractured skull.

William Tiero, twenty-seven years old, brother of Manns' sweetheart, who was accused of the attack in an ante-mortem statement, was held without bail by Magistrate MacFarland to await the result of the injuries.

### Pennsy Refuses Men's Demands.

Philadelphia, May 28.—S. C. Long, general manager of the Pennsylvania railroad, sent a letter to officers of the Order of Railroad Conductors and the Brotherhood of Railroad Trainmen on the Pennsylvania lines, east of Pittsburgh and Erie, refusing the demand that steam conductors and trainmen be placed on the electric lines of the Pennsylvania running out of New York city.

### Oldest Railroad Man Dead.

Spokane, Wash., May 28.—Moses Brinkerhoff, eighty-seven years old, said to be the oldest railroad man in the United States in point of service and who purchased the first ticket on the Northern Pacific out of St. Paul westward, is dead of old age at his home here. He had been sixty-three years in railroad service.

### BEEF IS AGAIN SOARING.

Wholesalers Make Raise and Housewives Will Have to Bear Burden.

New York, May 28.—Beef prices continued to go up in the wholesale market, and housewives contemplated a corresponding advance in the prices they will have to pay at the retail stores. In general the retailers charge from 1 to 2 cents a pound more for prime meats than they pay.

The wholesalers were getting from 12 to 13 cents a pound for beef. Wholesale prices for prime cuts of beef were from 2 1/2 to 3 1/2 cents a pound higher than they were a year ago, and common cuts which brought from 7 to 8 cents a pound last year were bringing 10 and 11 cents. Calves and lambs show the same increase in prices. The best lamb brought 12 1/2 cents last year; 16 cents was demanded for the poorest kinds. It is said that retail dealers are carrying them only to accommodate regular customers.

Dealers describe the rise in prices to a shortage in shipments from the west. The production of native steers is said to be 25 per cent less than it was a year ago. Corn is bringing a high price in the west, and farmers are not feeding cattle as they do under ordinary circumstances. The consumer is bearing the brunt of these conditions.

Washington Report Says Pure Food Expert's Temperature is 102.

Washington, May 28.—Dr. Harvey W. Wiley is seriously ill at his home in this city. He was to have spoken before the New York Pharmaceutical society, but the address was cancelled.

Mr. Pierce, secretary to the chemist, issued this statement: "Dr. Wiley is seriously ill. His temperature tonight is 102."

### GIRDLAND.

Methodist Church Struck by Lightning—William Stephenson Ill.

The Methodist Episcopal church at this place was struck by lightning during the heavy electrical storm on Friday last. A bolt struck the steeple and descended into the church, doing considerable damage. The siding was ripped off and the plaster on the interior of the edifice forced from the ceiling. The damage is about \$200. There was a heavy fall of hail, but vegetation was not high enough to do it serious damage.

William Stephenson, a well-known farmer of this place, is lying ill of pneumonia at his home here. Mrs. Edward Goodnough recently visited her daughter, Merle, in Bloomsburg.

### \$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
