## IN MEMORIAM.

At a regular meeting of the Board of Directors of the Honesdale National Bank held Monday, June 10, 1912, announcement was made of the death of Edwin F. Torrey, the following minute was unanimously adopted and directed to be spread upon the records of the Bank, and a copy delivered to the family of the deceased and published in the county papers.

Edwin F. Torrey died at his home in Honesdale in the early morning of Saturday, June 8, 1912, at the age of eighty years. His death marks the ending of a career which was long and closely identified with this bank. He was appointed acting cashier of the Honesdale National Bank October 1, 1874, cashier pro tem November 26, 1874, and he was elected cashier July 6, 1876. He served continuously in this office until in the year 1911 failing health compelled him to relinquish the active duties of his position, and on June 26, 1911, he formally resigned as cashier, retaining his office as director however until the time of his death. For a period of more than thirty-five years he gave his best thought and his undivided effort to the affairs of this bank, and the continued success of the institution has been due in great part to his skillful management, and to his careful and conservative conduct of its business. Of absolute integrity and irreproachable character, he had the confidence and good will of all who knew him. Age sat lightly upon him until the end approached, and honor crowned him to the last.

With all the citizens of this community we sorrow at his loss, and to those who were near and dear to him we extend our heartfelt sympathy.

Transcribed from the record.

LEWIS A. HOWELL,

Secretary of the Board.
