**Sad and Sudden Death of Mrs. James—Graduating Class Returns From Washington—Nicholas Merdler in Hospital.**

(Special to The Citizen.)  
Hawley, June 19.  
On Wednesday evening, June 12, the members of Waugum Lodge, I. O. O. F., gathered in their hall and held the annual memorial service to commemorate the brothers who had died during the year. The meeting was called to order by Secretary W. C. Knapp who read the proclamation of the Grand Master which advocates these services in connection with the decoration of the graves of the departed brothers. A male quartette consisting of Messrs. Simons, Harlow, Warg and Quinney, with Ray Williams at the piano, then rendered some fine vocal music. Prayer was then offered by Chaplain George Tutbill. Mr. Tutbill also read some selections of the memorial services from the ritual. Next followed an able address by Rev. D. S. MacKellar who is himself a loyal member of the order. Using no preliminary talk with which to preface his speaking, but in his usual characteristic manner, plunged right into the subject of Odd Fellowship. He said in part: "Do we realize with solemnity what it means when we are initiated or is it considered by some of us a mere form. While we are engaged in these services for the dead do not forget the good you can do your brothers who are still with you by leading them to better things and a noble manhood. Do not pick at the dark spots but encourage all the good they are doing." For the closing piece the quartette sang "Nearer My God to Thee," and after a vote of thanks by the lodge for their service the meeting was dismissed.

The great sadness of the very sudden death that occurred on Saturday afternoon is realized by all the people. Eliza, the wife of Lafayette James, of Bohemia, left her home on that morning apparently in her usual health. She was driven here by her son Edward, and accompanied by her little granddaughter. During the afternoon she, with the little girl, went to the home of Patrick Monaghan to deliver a jar of butter. While in the house she complained of a dizzy sensation and dimness of sight, but before assistance could reach her she fell over on the table in an unconscious condition. Doctors Voigt and Rodman were immediately summoned but she was beyond medical aid and died in a short time. She was aged 54 years and leaves a husband and eight children, three girls and five boys to mourn her loss. The funeral took place on Tuesday at 2 p. m., at her home at Bohemia. Interment was made in the Kimbles cemetery.

### Currency Washing Machine Installed.

Washington, June 20.—Laundered paper money, clean and crisp as new, will soon be in circulation throughout the United States. Secretary MacVeagh installed a currency washing machine in the treasury department today which is expected to save the government at least a half million dollars annually. It was placed in operation to-day.

The money washing machine was devised after months of study and experiment by the Bureau of Engraving and Printing, the manufactory of United States currency. Millions of notes which previously would have been destroyed will be washed, starched and iron and returned to circulation. It is estimated that at least 60 per cent. of the bills presented to the treasury for redemption can be so revived. The machine, it is said, will wash 25,000 notes daily.

### PATRIOTIC DISHES.

**What the Up to Date Hostess May Serve on July Fourth.**

The recipes given here are all good and suitable ones to serve at a Fourth of July feast. National cake is a very appropriate sweet to set before guests on Independence day. For the white part cream together one cup of white sugar and one-half cup of butter. Then add one-half cup of sweet milk, the beaten whites of four eggs, one-half cup of corn starch, one cup of flour into which have been mixed one teaspoonful of cream of tartar and one-half teaspoonful of soda. Flavor with lemon extract.

**Blue Part.**—Cream together one cup of blue sugar and one-half cup of sweet milk, the beaten whites of four eggs and two cups of flour, in which mix one-half teaspoonful of cream of tartar and one-half teaspoonful of soda. No flavor.

**Red Part.**—Cream together one cup of red sugar and one-half cup of sweet milk, the beaten whites of four eggs and two cups of flour, in which mix one-half teaspoonful of cream of tartar and one-half teaspoonful of soda. No flavor.

Place in a bake pan, first the red, then the white and last the blue. Bake in a moderate oven.

**Columbia Punch.**—Color lemonade with red raspberry, cherry or strawberry juices. Cut the stars from thin slices of pineapple and float on top. When serving place a star in each glass. If possible arrange a wreath of blue flowers about the base to give the combination of national colors.

**Patriotic Salad.**—Cut one cupful of potatoes into tiny cubes. Mix with one-half cupful of diced, hard boiled whites of eggs. Place in center of blue bowl. Cover with mayonnaise.

**Ice Cream Forts.**—Press ice cream in a half pint cone measure, placing candied cherries on the sides to represent gun sights, and place a small silk flag on top of each fort.

**Imitation Firecrackers.**—Cut sandwich bread in thin slices and cover with any desired mixture, rolling in white tissue paper, then in red paper. Tuck the ends in and in one end stick a small piece of brown twine.

### Health and Beauty.

To build up the tissues of the body sip a glass of rich creamy milk before retiring.

If the baby vomits don't put anything except water into its stomach for four hours.

The house owner who appreciates the beneficences of sunshine has a sunroom or solarium attached to his home.

Go about the baby's bath systematically. Have the windows and doors shut and everything in readiness before beginning.

The dye used to color some stock

ings contains a poisonous element, consequently the stockings should be washed before being worn.

A young child's shoes should always have broad toes. If the toes are even slightly crowded they soon lap over. This condition spoils the natural beauty of the foot and is apt to become very uncomfortable.

### New Window Screens.

A window screen that rolls over the window or back into its case as easily as a shade goes over the roller costs \$2.50 for an ordinary window. The screen may be fitted to the top or bottom of the window and can be rolled to cover an opening of any depth, not shading the closed part of the window. When the window is closed or when the season arrives when the screen is not needed it may be rolled out of sight without the difficulty of storing. Being fixed to the inside of the window, the screen does not become weather worn, and the wire cloth of which it is made is said to be rustless.

Have The Citizen sent to your address. Only \$1.50 per year.
