SULZER AND CLYNN

Named For Governor and Lieutenant Governor.

FOURTH BALLOT IS DECISIVE.

Governor Dix Led at Start, but Is Soon Overtaken by New York City Congressman-Glynn's Forces Aid to Sulzer.

Syracuse, N. Y., Oct. 3.-Congressman William Sulzer was unanimously nominated for governor at the Democratic state convention shortly after 1 o'clock this morning. Martin H. Giynn, whose forces helped the nomination of Sulzer, was unanimously named as the candidate for lieutenant governor. The convention then adjourned to meet again today to select the remainder of the ticket,

A brilliant audience, filling the convention hall to its fullest capacity, greeted the Democratic delegates at the evening session. Timed for 9 o'clock, it was an hour later ere Permanent Chairman Parker stacted the proceedings which were to nominate a candidate for governor. After a few preliminaries he recognized James K. McGuire of New York, who introduced a resolution to the effect that the con vention proceed to nominate candi-

In the roll call Robert E. Whelan of Albany, in a short address, presented for governor Martin H. Glynn of Albany. Mr. Glynn's name was heartfly greeted and a banner was flaunted reading, "Glynn can win."

Augustus Thomas of New York spoke as a member of the Allegheny delegation, presenting the name of Congressman Sulzer for governor. There was another great outburst of enthusiasm.

George H. Kennedy of Eric placed in nomination Senator George B. Burd of Buffalo. The first ballot resulted follows: Dix, 147; Sulzer, 126; Glynn, 46; Burd, 28; Metz, 70; Francis Burton Harrison, 21; William Sohmer, Delegates in convention, 450; absent and not voting, 11.

Charles F. Murphy asked to be ex-cused from voting. Necessary to choice, 226. There being no choice a second ballot was ordered.

Sulzer Is Nominated.

The result of the second ballot was: Dix. 124; Sulzer, 141; Glynn, 43; Burd, 28; Metz. 68; Harrison, 27; O'Gorman, 1; Dowling, 2; Wagner, 2; Sohmer, 2; absent and not voting, 12.

Charles Murphy was again excused from voting.

The third ballot resulted as follows: Dix. 87; Sulzer, 195; Glynn, 41; Burd, 2; Metz, 76; James W. Gerard, 1; Harrison, 2; Dowling, 4; Allison, 1; O'Gorman, 1; Wagner, 3; Shomer, 1; Patton. 1; absent and not voting, 9.

On the fourth ballot Albany dropped Glynn and went to Sulzer. Judge Kellogg withdrew Governor Dix's name and moved Sulzer's unanimous nomination. Metz withdrew, and Sulzer's nomination was made unanimous.

At 1:06 o'clock this morning Chairceived all the votes but the three from Cayuga which were cast for Martin H. Chairman Parker then announced that Mr. Sulzer was the nominee of the convention for governor. A number of delegates moved that the convention adjourn until 10 a. m. tomorrow, but Chanrman Parker paid no attention to the motions to adjourn and announced that nominations for lieutenant governor were in order.

William V. Cooke of Albany at once placed the name of Martin H. Glynn before the convention for the nomination of lieutenant governor.

Glynn For Second Place

"While Albany county has suffered a disappointment," said Mr. Cooke, "she acknowledges the progressiveness of your candidate for governor and desires to aid him in his canvass by furnishing the best of her fighters for the second place on the ticket."

Walter C. Burton for Kings seconded the nomination.

As there were no other nominations for this office, Mr. Glynn was declared the unanimous choice of the convention for lieutenant governor after John K. Sague also seconded the nomination and declared this was the best Democratic convention ever held in the state of New York.

Osborn Attacks Murphy.

The convention, at its afternoon session, was enlivened by a personal assault on Charles F. Murphy from the llps of Thomas Mott Osborne and a sharp rebuke by State Senator Wagner. It was demonstrated at this session of the convention that the strength of the regular Democrats was 412 votes and the strength of the anti-Murphy men 35 votes, three delegates absent or not voting. The minority, however, made a gallant but ineffectual fight, headed by Mr. Osborne and F. H. Mott of Jamestown. During the attack of Mr. Osborne on Murphy there were unpleasant scenes on the part of delegates, some of whom demanded Mr. Osborne's expulsion on the ground that he was not a Democrat, while others constantly interrupted him by hisses

and cries of "Put him out." Permanent Chairman Parker demanded silence and admonished the bolsterous ones to conduct themselves. When Charles F. Murphy, accom-

panied by Alton B. Parker, entered the convention and were applauded. Temporary Chairman Glynn started WILLIAM SULZER.

the proceedings promptly. Chairman John D. McMahon of the committee on permanent organization reported that the committee had selected ex-Judge Parker as permanent chairman. This was the signal for the first demonstration of opposition to Judge Parker's selection.

It was led by Mr. Mott who, as member of the committee on permanent organization, submitted a minority report and urged the selection of a progressive instead of Parker. He declared that Mr. Parker is most conspicuously identified with reactionary policies. He presented the name of John K. Sague, mayor of Poughkeepsie, for permanent chairman.

John D. McMahon eulogized Mr. Parker as a Democrat and a jurist and declared that Mr. Parker and all Democrats are progressives and Judge Parker one of the most progressive.

It was on this vote for permanent chairman that the real strength of the majority and the minority in this convention was made plain. Judge Parker was elected by a vote of 412 to 35 for Mayor Sague. Judge Parker was then escorted to the platform.

Race Course, Wauwatosa, Wis., Oct. 3.-Ralph de Palma, driving a Mercedes car, won the eighth Vanderbilt cup automobile race in 4 hours, 20 minutes and 31.54 seconds for a distance of about 200 miles. Teddy Tetzlaff, who, with De Palma, ruled favorite before the race, led at the end of 100 miles. He was 5 minutes and 11 seconds ahead of the ultimate winner.

At 230 miles De Palma led Hughle Hughes, in a Mercer Special, by 1 minute and 30 seconds. Wishart, in another Mercedes, was third, two minutes back of Hughes. De Palma's average speed for that distance was sixty-nine miles an hour. Twenty miles further on De Palma still led Hughes by forty-eight seconds, with only forty-nine miles yet to go before the finish.

POLICE SURPRISE BURGLARS.

But They Get Away With \$500 Worth of Silverware Just the Same.

Philadelphia, Oct. 3.-Burglars that visited the home of Mrs. John Mc-Muldrie Warner in Overlook ransacked the house and secured \$500 worth of sliverware. They did considerable damage to tapestries in tearing them from the walls, but were frightened off before they were able to carry off their loot. In their search for valuables they broke \$2,000 worth of bric-a-brac and othe valuable works of art.

The police thought that several valuable paintings had been stolen, but on the return to this city from New York of Mrs. Warner it was discovered that a Rubens portrait worth \$50,000, once the property of Jerome Bonaparte, and a Murillo worth \$25,-000, according to Mrs. Warner's estimate, had been stored in the silver room with \$6,000 worth of silver.

The burgiars had tried to force an entrance into this room, but were unable to do so when they were surprised in their work by the police, who entered the house as they made their

CITY EMPLOYEES WAKE UP.

So Says Philadelphia Mayor In Adding to Workday.

Philadelphia, Oct. 3.-Employees of the city had uncomplimentary remarks for Mayor Blankenburg for having changed the hours of those employed by the city from 10 a. m. to 3 p. m., to 9 a. m. to 5 p. m., but the man in the street chuckled to himself as he read the news item in his morning paper. Hereafter the city employee will have to go to business at the same time as the rest of the business world.

In explaining his reasons for the change Mayor Blankenburg said:

"Since I have been mayor I have put in the same hours each day as I did In my private business. I am not asking the city employees to do any more than I am willing to do. I do want all city work to be cleaned up at the end of the day, however, and if it becomes necessary to add two hours or more to the official day I shall do so."
