

It's a Waltham Riverside.

Do YOU want a WALTHAM (Riverside) WATCH for Christmas?

If you do, we will try to see that you get the kind you want. Just write a note to us and say that you would like a watch for Christmas—and tell us in a general way, what style of watch you prefer. Your letter will receive our immediate attention. We will send you complete information about the exact watch you desire, with full details as to the movement, cases, prices, etc. With these "pointers," your purchase will be simplified, and you will be relieved of the bother of "hunting" for what you want.

Or, better still, come in to this store and tell us what general type of watch you wish, and we will show you just the best watch for your personal requirements.

Either way, you let us do the work for you!

Waltham "Riverside" Watches are made in various sizes and styles for both men and women.

Christmas morning will find many happy new owners of Waltham Watches. And you, too, we hope. To wear a Waltham Watch says as much in your favor as a watch can say! Be sure to write us that letter!

HAWLEY.
Hawley, Dec. 16.
The congregation of St. Philomena's church and St. Joseph's church, of White Mills, came out last Sunday night to show their appreciation of the excellent work done by Rev. Robert E. B. Gardner, who was called to Plains, Pa. Father Gardner had been in Hawley for the past fifteen months, and worked his way into the hearts of the people. Father Burke delivered the opening address, and praised Father Gardner for his hard work as a young priest, and expressed the good wishes of the congregation for his future. He then presented Father Gardner with a check for \$300, given by the people of the congregation as a token of their esteem. In accepting the gift Father Gardner was so overcome with emotion that he found difficulty in expressing his thanks and appreciation. Father Gardner left here on Monday.

George Murray returned home last Wednesday with his mother, who went to Swarthmore when she received word that he was stricken with an attack of appendicitis.

"This Storm Proves What a Blessing My Telephone Is"

"Do you know, Phoebe, I've done a whole morning's 'running around' in those few minutes at the telephone. Ugh! I shiver at the thought of going out."

"And without the telephone I would have had to go to market and to shop, for it would have been a shame to miss those bargains advertised for this morning. Why, you know, I bought ten yards—"

Are your wife and household thus weather-proofed? Residence rates are low enough for you to afford a home telephone.
