Two young students of O. Williams' aviation school made two flights in Wyoming, Pa., one of them, though, being marred by an accident in which the machine was somewhat damaged and a man named Lindner. was bruised about the head and legs den gust of wind tipped the machine sideways and in making the hasty descent, both Lindner and his passen-

-The "high cost of living," judging from figures issued recently by parently is solving itself as the re sult of lower prices for agricultural the products. On February 1 the prices date last year, 6 per cent. lower than in 1911 and nearly 19 per cent, below 1910. Corn, wheat, potatoes and eggs are lower, although chickens are higher. The increase tends virtually to all meats-pork beef, veal, mutton and lamb all commanding higher prices. of staple vegetables have fallen.

-The will of the late Frederick Horst was admitted to probate Wednesday in the office of the Register The chief beneficiary under the will is Margaret Horst, who receives the use and income from all his personal and real estate during Park street. her natural life. After her demise the executrix is instructed to convert all property into cash. Miss Pauline M. Horst was named executrix. was bequeathed \$500. The children. Joseph, Henry, John, Barbara Welsh

years old Tuesday. His wife, after much urging, succeeded in exacting a promise from the inventor that he would leave his beloved laboratory that evening, climb into a "boiled shirt," which he hates, and participate in a little birthday party she had arranged. After giving his reluctant consent to this arrangement was too busy to be interviewed," Edison plunged into his laboratory ing-motion picture device, the kinetophone. Edison's employes observed the day by wearing buttons and pins bearing the numerals "66."

-We extend congratulations to The Wayne Independent and its hustling and genial editor and proprietor, B. F. Haines, upon his installing a new Goss Perfecting Web press. The Independent of Wednesday was printed upon this machine. The paper came out with a clean new dress and is now a seven column folio instead of a six. The Independent was brimful of news in its initiative number of the thirty-sixth vol-ume and its editor promises the readers that it will be better. The Independent's editor is progressive and never does anything by halves. He secured the first typesetting machine that came into Wayne county and now has the honor of bringing the first web perfecting printing press into the domain of dear old Wayne. The new machine represents a big asset to any printing office and is "worth all its costs."

-The portrait of the late Judge George R. Barrett, former president of the courts of Monroe, Pike and Wayne counties, was hung on the walls of the court room in Strouds-burg Monday by Congressman A. Mitchell Palmer. Presiding Judge Staples, following the address, order- tively prevented from doing so make ed the presentation of the picture to the Monroe County Bar Association, recognized in the form of a regular minute of the court. The Court also announced that it had been able to secure a portrait of John T. Bell, one of the earliest associate judges who sat in Monroe county courts, which had also been placed upon the walls of the court room. Judge Barrett of the court room the court room. Judge Barrett of the court room the court room the court room. Judge Barrett of the court room the court room the court room the court room. Judge Barrett of the court room the had also been placed upon the walls of the court room. Judge Barrett served as the presiding judge of that court for a period of about 16 years, in the days when Monroe was a part of the 22nd judicial district comprising the counties of Wane, Pike, Monroe and Carbon. He succeeded Hon. Nathaniel B. Eldred, who resigned in April, 1853.

Day of Excitement."
