LOCAL NEWS

—This is clean-up week. Don't be afraid to use a little extra "elbow grease." Make your property look brighter.

—The annual meeting of the Honesdale Improvement association will be held in town hall, fremen's parlor, on Monday, May 12, at 3 p. m.

—A carload of Hawleyites attended the "Bohemian Girl" at the Lyric last Friday evening. It is claimed that about 60 people were in attendance.

—Liveryman M. Lee Braman departed from usual customs on Sunday by sending his sprinkling wagon over the full length of Main street. Good work, Lee, keep it up!

—During the month of April 1,248 books were given out at the Honesdale free library. A number of new volumes have been received, a list of which will be printed in The Citizen next week.

—While playing base ball at Athletic Park, last Friday afternoon, Sumner Crossley sprained his right ankle. The ligaments were badly torn and it will be about three weeks before he will have the use of his foot.

—The many friends of Hon. C. C. Jadwin were pleased to note his appearance on the street for the first time after an illness that has confined him to his home for many weeks. He took advantage of the fine weather to walk from his home on Church street to his store.

—Thursday was not E. W. Gamnell's Jonah day. He sold five Ford runabouts to the following gentlemen: Lesley Douglas, Tanners Falls; Henry Smith, Seelyville; S. A. McMullen, Jr., of Honesdale; Joseph Schweighofer, Girdland; Howard Roe, Cherry Ridge.

—Have you visited the California exhibit cars yet? If not, make it a point to do so tomorrow. The cars will be here Tuesday and Wednesday. The creations of Luther Buranks are wonderful and worth the admission price, and you will never have a chance to see such a monster park again, or to examine the 1,000 other curiosities from all over the world for so little, and then the beautiful Sea Shell or Lucky Sea bean or Pampas Plumes they give you as a souvenir free, may be worth more than the little you have to pay for admission. Don't miss it. It's new. It's clean. It's interesting. It's educational.

—On July 1st next the "collect-on-delivery" feature will be added to the parcel post department of the postal service. Under the approved regulations a parcel bearing the required amount of parcel stamps may be sent anywhere in the country, and the amount due from the purchaser collected and remitted by the post office department. The regulations provide that the parcel must bear the amount due from the addressee, and the collection will be made if the amount is not in excess of \$100. There will be 10 cents to be affixed by the sender in parcel post stamps. This also will insure the parcel to an amount not to exceed \$50. This feature was not provided when the parcel post system was put into operation because it was desired to simplify the work of postmasters as much as possible the first year of the service.

Brennan, bishop's secretary and chancellor.

—A party of Honesdale autoists took advantage of the fine spring weather and the good roads to spin around the country. One of our local merchants ran into a mud hole on the other side of Lake Ariel and his engine refused to lift him out. He had plenty of help, however, for he had hardly stopped when five or six other machines came up and offered assistance. The other occupants got out and lift the car free, becoming more or less spattered with mud. It was a little mishap, that's all.

—The Rink was the scene of the second wrestling match to be held in Honesdale this season, on Thursday night and was witnessed by a large audience. Fitch and Muldoon were the principals, it being their second appearance here. Muldoon made the first throw and in the second he injured his wrist and the match had to be discontinued. Fitch was adjudged the winner on the forfeit. At the first meeting of these two men some weeks ago, Fitch was adjudged the best man on a foul after each had scored a throw.

—A number of consumers of chestnut lumber in this State have expressed a willingness to use the local chestnut, and have requested information from the Chestnut Tree Blight Commission concerning producers of this commodity. In order to supply this information, the commission has got into touch with the mills throughout the state, and now has on file the names of mills in every county, which are operating in chestnut timber, and which are in a position to saw orders of all sizes of chestnut lumber, together with ties, fence-posts, etc. The commission will be glad to furnish information of this kind to consumers who can use the local chestnut, and will do so upon request.
