#### FRIDAY, MAY 80, 1913.

This peace and disarmament busi-

ness is perfectly simple. All that is

required is to persuade the German

Emperor to reduce his armaments

to get him to ask other rulers to do

the same. The credit for this origi-

nal idea belongs to Andrew Carnegie

who intends to suggest the plan to

the War Lord when he sees him in

Berlin. We wish the optimistic An-

President Wilson has now taken

a firm stand against the lobby main-

tained against his pet tariff measure.

The leaders in the fight against the

Underwood bill expected a fight but were unprepared for the forceful way in which President Wilson

charged that the lobby was main-

tained to "create an artificial opin-

ion and to overcome the interests of

the public for their private profit."

a corrupt sense except in so far as

when he made the unfair charge.

### Now, Mr. Honesdale Merchant, Your Attention, Please!

Some newspapers talk to some of the people all of the time, and to nearly all of the people some of the time. Do you realize that for the past three realize that for the past three weeks The Citizen has been talking to ALL of the people of Honesdale, ALL of the people of Hawley, ALL of the people of Seelyville, ALL of the people of White Mills, as well as to the people of the outlying parts of Greater Hones-dale? One week more of this splendid service remains If you have a message you want to put into ALL the want to put into ALL homes of the places named above, don't dream, but get "on the job" right away. Our rate, where we have no time contract, is 25 cents an inch each insertion. Where can you hire somebody to talk for you as cheap as that?

#### THOUGHT FOR TO-DAY.

Among the quieter satisfactions of life must be ranked, in a high place, the peace of a man who has made up his mind.—Anthony Hope Haw-kins.

#### BRING FLOWERS TO THE VET-ERANS.

Owing to the frosts and late spring the veterans request school created. children to contribute all the flowers possible for the decoration of soldiers' graves. All donations will be thankfully received by the veterans of Captain James Ham Post and other posts in the county.

#### SUBSCRIBER COULDN'T UNDERSTAND.

In renewing his subscription to The Citizen the other day an out-ofthe county subscriber enclosed with his check the following:

ard of excellence and profits.

"I have very pleasant recollections of good old Wayne County and am always proud to be known as one of her sons. I don't mind saying, however, that I did blush for 'you ail' upon reading the election returns last November. I cannot yet understand what Satmie influence caused so many good old Republicans to desert their standard bearer for the purpose of following a 'sore head,' and sincerely trust they will recover their usual good sense before 1918.

It's a mighty good thing to have a home to come to, isn't it?

All. and Mrs. Hamin Buttock who have been spending the winter in California, came home last week just in time to welcome a little grandson, who arrived the same morning

at the home of Mr. and Mrs. Wal-lace Cramer. Mr. and Mrs. Bul-lock have had a delightful trip and enjoyed their sojourn exceedingly but are glad to return to dear old Wayne.

Mrs. Ora Lee entertained a num-ber of her friends in honor of her guest, Irene Curtis of North Clinton, and Ruth Gleason, our popular inter-mediate teacher. Cards were play-ed, delicious edibles served and the

evening thoroughly enjoyed. Harold Seeley celebrated his fourth birthday on Thursday by giving a party to about twenty of his little friends. The usual good time was had and dainty refreshments

Rev. L. C. Murdock, D. D., held a quarterly conference here on the 20th, but we, like many others, would much prefer a Sunday service, as a quarterly meeting is of no prac-tical use to us.
