FRIDAY, JULY 11 VOTE For Brick Pave

Next Friday will tell the story. Upon the 11th instant the voters of Honesdale will rally around the polls at the Court House between the hours of 7 a. m. and 7 p. m.

There is a certain element which claims that taxes will be a great deal higher, if the indebtedness is voted. However, this is not true. The increase, if any, will be very slight and hardly worth talking about.

The paving of Main and Park streets is looked forward to with considerable pleasure on the part of the business men and merchants of Honesdale.

Main street is not only used by property owners abutting the street, but by owners of automobiles and parties having horses who reside on other streets.

There is not a citizen in this good old town but would like to see Honesdale become a lively bustling city. It can lay the foundation by paving Main and Park streets.

ADDITIONAL PAVE TESTIMONY

NEVILLE HOLGATE says: I heartily approve of the proposition. We are in a progressive world today.

WILL H. HILLER says: Yes, and the sooner it is done the better. In answer to your second question: First, save the money that the town now plants in mud.

W. J. REIF says: Have been paying taxes for good streets for 30 years; nothing to show for it but mud. I want to see something for the money—paving will do the trick.

F. F. SCHULLER says: I think the paving of Main street will be a great benefit in general.

J. OSCAR TERREL says: I surely want Main street paved, and am ready to bear my part to have it done.

H. SCHUERHOLZ says: I certainly am in favor of paving, as it will have to be done sooner or later; anyway, now is the time as each year's delay will add to the cost of labor and material.

REV. C. C. MILLER says: I heartily favor any movement that will benefit our town. Paved streets will mean cleanliness for the town.

M. E. SIMONS says: Yes, if council has assurance that the State and Street Railway will assist to the extent stated in newspapers.

W. J. BARNES says: Yes, provided there is an economical expenditure of the money and the absolute elimination of any kind of "graff" in performing the work.

FORMER HONESDALE WOMAN SUES FOR SON'S LIFE. Mrs. Catherine Kallighan, formerly of Honesdale, has started a suit for damages in Luzerne county court in the sum of \$10,000 for the death of her son, William Kallighan, who was killed in a fall from a building in course of construction in Wilkes-Barre a year ago.

HONESDALE LOSES TWO TO FOREST CITY TEAM

SATURDAY ON LOCAL GROUNDS. LOSE BY SCORE OF 6 TO 5—WE LOSE AT WHITE MILLS.

Wm. Vetter Was Put in Box Here Saturday and Pitched Good Ball Loll Played at White Mills—Large Crowd Turned Out.

The only man in a base ball game who is never supposed to make mistakes is the umpire; if every player fielded and batted perfectly nobody would ever win a game and there would be no base ball.

The usually dependable Sandy dropped a hard chance on a foul fly in the ninth on Saturday and Forest City won in a heart-breaking game. Score 6 to 5.

We had three men on bases in our half of the ninth inning with nobody out and so couldn't score.

The locals tried out another new pitcher in Wm. Vetter and he should have won his game although he was hit hard. It is the first full game he has pitched in a long time.

Forest City brought about twenty-five enthusiastic rooters with them, and they backed their team with quite some cash, and we understand a few of our White Mills friends tried to take it away from them, but of course lost out when the game went to the visitors.

The boys from the woods scored in the first inning on Strafor's hit. The locals scored three runs in the 4th on singles, by Jacobs and Lilly and a two-base hit by Tarkett, followed by passed ball and Weaver's sacrifice.

We scored two more in the seventh. Larson being hurt was out of the game. Brader played second and Tarkett short, the latter's work both in the field and at the bat featured for Honesdale. The 3 Miskills done the best work for Forest City, being a pitcher, catcher and shortstop. Score by innings:

Forest City— Hits 2 0 0 1 2 4 0 0 3—12 Runs 1 0 0 0 0 3 0 0 2—6 Honesdale— Hits 1 1 1 3 0 0 3 1 0—10 Runs 0 0 0 3 0 0 2 0 0—5

How about that series with Hawley? We understand that Hawley is anxious to capture our scalp, for according to the Hawleyites, Honesdale has no hope of beating them.

Some of the Hawley boys even insinuate that the locals are afraid of them.

Carbondale plays the 3rd game of the series here on Saturday next; each team has now won one game, and Carbondale expects to take this one.

The Jinx followed the locals on Sunday when Forest City again beat them in an eleven-inning game at White Mills, score 4 to 2. Loll was not in very good form, allowing 12 hits. Forest City won the game in the eleventh on Larson's error, a wild pitch and the misjudgment of a long fly which went for two bases.

Brader's all-around work again featured for Honesdale.

Score by innings: Forest City— Hits 0 0 2 0 0 0 0 0 0 2—4 Runs 1 3 3 0 0 0 1 1 0 1 2—12 Honesdale— Hits 1 2 0 0 2 0 0 0 0 0—2 Runs 0 0 0 0 2 0 0 0 0 0—2

FIRECRACKERS SET HOUSE ON FIRE.

The home and contents of A. S. Reichel of Green township, Pike county, were destroyed by fire on July 4th, the direct cause being due to firecrackers.

The children had been setting off fire-crackers during the morning and later the family went to a picnic, there being no one at home when the fire started. The building burned to the ground. Insurance to the amount of \$1,000 was carried on the dwelling in the Wayne County Mutual Fire Insurance Company. The loss was complete on the contents.

CADETS WON FROM SIMPSON.

Before a small audience Sunday afternoon the Cadets of St. John's church defeated a Simpson team at baseball on the grounds at the silk mill. Score by innings: Cadets 0 0 0 0 5 3 2 0 x—10 Simpson 0 0 0 0 2 3 0 0 2—7

TWO GOOD GAMES WERE PLAYED ON JULY 4

HONESDALE WON AND LOST ONE GAME FROM PENNANT WINNERS IN LEAGUE.

Games Were Hard Fought and Witnessed by a Good Crowd—Morning Game Went to Jermyn—Good Games to Come.

Honesdale split even with Jermyn, last year's pennant winners in the Lackawanna County League, on July 4th. The visitors won a pitcher's battle in the morning, score 3 to 2. Honesdale won the afternoon game in a sensational 8th inning batting rally started by Bennie Hessling.

The morning game was the best played game seen here this year, each team being charged with but one error. The work of Schilling and Capt. Brader excelled for the home team in both games. Honesdale scored first in the morning game on singles by Larson, Mangan and Lilly in the second inning. We got our second and last run in the fifth when Schilling and Brader each hit for two sacks. We had a chance to win in the seventh inning. Lilly lead off with a single and Loll grounded out, Evans to Sharkey. Lilly taking second; Schilling hit a short two-bagger, and Lilly was caught at the home plate, Dole to Miller. Brader singled but Schilling was held at third. With Sandy at the bat it looked good for a tie at least, and Jermyn called in their best pitcher, Neary, who forced Sandy to pop a fly to Daley.

Jermyn made their runs, one in the fifth and two in the seventh and last inning. In the fifth Dole singled after Mack struck out. Daley sacrificed him to second and Miller singled bringing him home. In the seventh they scored two runs and won the game on a base on balls to Mack. Dole's two bagger, and Daley's single.

FIRST GAME.

Table with 5 columns: Player, R, H, O, A, E. Rows for Honesdale players: Schilling, rf; Brader, ss; Sandy, 1st b; Tarkett, cf; Weaver, lf; Larson, 2nd; Mangan, 3rd; Lilly, c; Loll, p.

JERMYN.

Table with 5 columns: Player, R, H, O, A, E. Rows for Jermyn players: Dole, lf; Daley, ss; Miller, c; Evans, 3d; Murray, 3rd; Sharkey, 1st; Crane, p; Neary, cf; Mack, rf.

Frank Dix of Pleasant Mount, started the afternoon game as pitcher for the locals, but between poor support and strangeness of the crowd, etc., did not make out very well and after pitching four innings and Jermyn having made seven hits and seven runs, Bennie Hessling went to the mound and allowed but one hit and no runs for the balance of the game, and Ben had not had any practice this week either, having been slightly "under the weather." Bowman, who pitched for Jermyn until the eighth inning, did very well but Mr. Neary thought he would like to finish the game, and keep it "on ice," the score at that time being 7 to 3 in favor of Jermyn, so he went in to show the farmers here in Honesdale how a good pitcher worked and immediately met his Waterloo as we made eight runs in that inning, the whole Jermyn team seeming to go up in the air with their pitcher, and when they came down, the game was ours. Neary is considered one of the best pitchers in the valley; but the better they are the better they won out against Archibald in the same way in the ninth inning rally against the best pitcher they could produce on June 14th.

SECOND GAME.

Table with 5 columns: Player, R, H, O, A, E. Rows for Honesdale players: Schilling, rf; Brader, ss; Sandy, c; Tarkett, cf; Jacobs, lf; Larson, 2nd; Mangan, 3rd; Lilly, 1st; Dix, p; Hessling, p.
