

Down Hawley Way

The Red Onion Campers Are Now "On the Job"—Rev. Mac Kellar Takes a Lot of Boys to Fairview Lake—Rattlesnakes—Fish—Bears—and Other Matters.

Who wouldn't be an Onion Red. So sweet, so crisp, so strong. With skin as thin and soft as silk. With habits never wrong? You never spray the Onion Red; No beetles on it thrive; It "gets there" in its little bed. Quite glad that it's alive. And so some Hawley men of brain, Likewise of brawn and pedigree have chosen for their name The odorous Onion Red. We'd never consent To life in a tent Unless we had plenty of Red Onion scent.

The Red Onion Camp Out at Fairview Lake.

THE most popular place at Fairview Lake near town to year is that known as the Red Onion camp, which is located on high ground and was originated and put in motion by journeymen glass blowers, composed of the following well known Hawleyites: Seiler Brothers, Rose Brothers, Bruno Ritter, Ernest Ryan and John Dapper. These glass blowers are supplemented by Jacob Adams, Eugene A. Spall, and Charles J. McHale.

On Tuesday of this week the camp was opened and Eugene A. Spall was installed as chef. The Red Onion campers are composed of men who know where to find fish and how to catch them. They also know how to serve them in ways that make you want to live forever by the lakeside. Another feature of the Red Onions is that they know how to entertain visitors, (of which they have many), while they are enjoying their outing. They invariably serve fish at their feasts, and those who have had the pleasure of partaking of their hospitality are loud in their praises of its quality and unstinted abundance.

The Red Onion camp will not be broken up this year until September nights begin to get chilly, and we bespeak for the campers enough visitors to keep them from becoming lonesome.

Important Meeting of The Hawley School Board.

A regular meeting of the school board was held on Monday evening, July 7, all members being present excepting Dr. A. H. Catteral. The four members in attendance disposed of all matters brought before them. Election of Treasurer and Secretary. For the ensuing year Dr. A. H. Catteral was elected Treasurer, and J. S. Pennell was elected Secretary.

Payment of Bills.

Several small bills on old accounts were read and ordered paid, and the board now supposes that all bills are paid to date.

Janitor Elected.

Byron Edwards was the only applicant for the position of janitor, and he was elected for the coming year at \$1.25 per day, continuous time until June 30, 1914, wages payable monthly.

Auditorium to be Pannelled.

It was agreed that the auditorium be finished in pannel work from metal ceiling to floor. In high places the pannel will be double, with single pannel under windows. The contract was awarded Frank Dennison for \$265.

Notification to Auditors.

The Secretary was instructed to notify the auditors of the borough that accounts would be in proper shape for their inspection on Thursday, July 10, and it was particularly impressed upon the Secretary to point out to the Auditors the necessity of our charging all overpaid commissions.

Outlying District Bills.

All bills against outlying districts which have pupils in the Hawley High school and refuse to pay for same are to be turned over to the Prothonotary for collection, as prescribed by the school code.

Lackawaxen and other townships have outstanding bills which they refuse to pay.

Notice to Tax Collector.

The tax collector has assumed the right to retain the added tax on all school taxes not paid before October 1st each year, and the

school board contends that it is part of the regularly authorized collections and should be turned over to the board less commission allowed for collection.

Concrete Walk.

It was agreed that a six foot concrete walk shall be made from the door of the auditorium to Academy street.

News From the Hawley Base Ball Centre.

On Saturday the Hawley team will go to Fairview Lake to test their skill against that of the Y. M. C. A. team of Brooklyn boys encamped at that place of summer resort.

There were two games of ball played here on the Fourth between the County league team of Dunmore and our boys. Hawley won the morning game, the score being 5 to 4. Dunmore won in the afternoon, the score standing 8 to 4. On Saturday the County league team from Jermyn put it over on us hard to the score of 6 to 0.

The first of a series of games between Honesdale and Hawley will be played on the Hawley grounds on July 20th. It is anticipated that this series will be worth while.

St. Philomena's Picnic Was a Pleasant Success.

The picnic of the congregation of St. Philomena's Catholic church, which was held at Bower's hall on the afternoon and evening of July Fourth, was a success financially and socially. The funds left over after necessary expenses were paid are to be used to pay off the debt on the parochial residence.

The M. E. Sunday School Holds a Picnic.

On Wednesday afternoon the Methodist Sunday school held a picnic in the grove known as Ladywood Lane. One of the features of the picnic was a union Ceremonial meeting of the Camp Fire Girls of Hawley, which took place at 2 o'clock. The ceremonial was the united work of the Paupack and Wangum camps and the local Nest of Blue Birds. The feature was greatly enjoyed by everybody.

C. H. Freathy Will Go Over The Hills to Boston Town.

On the 17th, 18th, 19th and 20th of August will be held the national convention of the United Drug Company stockholders, and C. H. Freathy, our popular druggist, will attend. Not only will there be delegates in attendance from every State in the United States, but every country of the world will be represented. While only one representative from each store may attend as a delegate, the total number in attendance at Boston on the above dates will aggregate no less than 3,500, and arrangements are being made to accommodate 4,000. The convention is conducted along highly educational lines, and Mr. Freathy says that if he were given the choice of missing the convention or missing a trip round the world he would miss the latter and choose the former.

Hawley Boys to Have A Splendid Outing.

On Monday of next week Rev. Donald J. Kellar will take a company of Hawley young men to Fairview Lake where they will encamp for ten days or two weeks. The boys who will go are Arthur Wall, Earl Cooke, Claude Seeley, Roy Tyler, Robert Guinn, Chauncey Guinn, Martin Perry, Fred Freathy, Clayton Chapman, Frank Chapman, and there may be others. Rev. Kellar is following out the thought and example of Rev. B. P. Ripley who blazed the trail along a right line. In every boy's composition is a streak that calls him back to the era of primeval existence when humanity lived in caves, cooked over the open fire and yearned to throw aside the restraints of store clothes. Boys want to swim, to dive, to play ball, to fish and to wrestle. Properly restrained no harm can come from these diversions. It is not well for them to go away alone, nor is it at all desirable to place them in the care of a certain class of men who would be instrumental in developing them along injurious lines. The one who will

have charge of the boys who go to Fairview on Monday next will play base ball with them, will properly guide, protect and advise them, and when they return to civilization they will all be the better, morally and physically, for the time they have spent away from their homes.

Fishermen Still in Love With Peck's Pond, in Pike.

They are still telling wonderful fish stories about Peck's Pond down in "Little Pike." Everybody who goes there gets fish, great big ones, too. It appears that the pond is so situated that the only way the fish can escape is by being taken out by fishermen. There are splendid conditions for the fish to spawn, hatch and care for their young, and the pond will evidently not soon be depleted. On Thursday of last week J. A. Baschon took out 60 fine pickers. No wonder he advertises a "Big Fish Dinner" every Friday.

Ivan Swingle Gets a Great Big Rattlesnake.

While some people are catching fish out at Peck's pond and elsewhere, Ivan Swingle killed a big rattlesnake over in the Swamp Brook section. He saw another rattler, but it escaped.

WHITE MILLS

WHITE MILLS is only another misnomer, for there are no mills at the place, and consequently they couldn't very well be white. The mills passed out of existence years and years ago. When they were in existence they were neatly white washed and thus marked the locality, for the white mills presented a sharp contrast when compared to the weather beaten and unpainted other kind usually encountered along the public water courses.

White Mills is the third town in the county in population. Waymart comes next in the list. At present Waymart is growing more rapidly than White Mills; but one of these days, when the trolley road is in running order, White Mills will do some stunts in the growing line that will attract attention from one end of the county to the other.

Before Mr. Dorflinger, the elder, came to the town while he was yet a young man, and began the manufacture of glass, there were but few houses in the town, and a saw mill was the only industrial establishment in the town. Mr. Dorflinger used the canal for several years as the medium for shipping and receiving freight. But the story of White Mills is yet to be written.

Something New.—The Citizen man found Rev. Walter Walker busily engaged making extensive alterations to the church building. Half of the sheds have been removed. The basement of the church is to be dug deeper, windows on two sides placed, and the bottom and sides are to be concreted. This necessitates considerable work. When the repairs are done the basement will be used for reading room purposes. In a limited sense it is proposed to do work along Y. M. C. A. lines.

A Sunday Gala Day.—There was something doing in White Mills all day last Sunday. The base ball game in the afternoon attracted much attention and autos came in great numbers to the scene. While that part of the town was filled with excitement Sonner's orchestra was up in the woods on the other part of the town discoursing sweet music. All of this excitement may not be beneficial, but it seemed to be quite stimulating to those who watched the games and those who listened to the music.

Of Course Ed Got It.—The New York Tribune has this to say of Eddie Murphy, the White Mills boy, playing right field with the Athletics: "Eddie Murphy, the energetic right fielder of the Athletics, made one of the greatest plays ever seen on the Polo grounds. In the sixth inning Peckinpaugh swung on one that seemed billed for the upper tier of the grandstand. It dropped, however, and with a quick run and a cat-like leap Murphy fairly climbed the perpendicular wall, and grabbing the ball in one hand, held fast." Needless to say the Athletics won. Score, 2-1.

True Bear Story.—The White Mills correspondent of the Scranton Times gives particulars of an incident that quite recently occurred. The correspondent says that Mrs. Chlotilda Dorflinger, of White Mills, is entertaining her friend, Miss Moore, of Dakota. They were spinning along the country roads in the Dorflinger machine on their way to Forest Lake, when Miss Moore asked what sort of game was to be found in this section of the country. Mr. John Dorflinger named the smaller game birds and animals and then said, "and occasionally we run across a bear." With his entrance as well timed as that of an actor in a moving picture thriller, a fine specimen of brown bear wobbled out of the bushes which lined the road a little ahead of the machine and galloped alongside of the car for several yards, being finally outdistanced. The bear was so close to the machine that the occupants might have touched his back—but they didn't care to as it was a strange bear.

Personal Mention.

Mr. and Mrs. M. R. Impson, of Elmira, N. Y., spent Sunday with the former's cousin, Terry Wilcox. They were accompanied by Mr. Wilcox's sister, Mrs. L. S. Newcomb and son Lowell, of Binghamton, N. Y. They came in Mr. Impson's hypmobile.

Mr. and Mrs. Wilcox and son Earle spent July 4th at Boyd's Mills and attended the Sunday school picnic at that place.

Edward Daniels, of Carley Brook, recently visited Mr. and Mrs. Knorr. Fred Hellman, of Boston, Mass., is the guest of Mr. and Mike Weinburger, of White Mills.

BIG SHOW COMING.

The first and only big show to come to Honesdale this year is the Young Buffalo Wild West, Vernon C. Seaver's Hippodrome and Col. Cummins Far East which will show here on Monday, July 28th.

This is an amusement enterprise that is absolutely unique for it consists of a wild west show, combined with a regular circus, Vernon C. Seaver's Hippodrome. This is the first year of the combination and together with the Far East section the united shows are carried in a train of forty cars. The exhibition has a seating capacity of ten thousand, every seat well protected from inclement weather by water-proof.

The Hippodrome section makes it possible to present splendid scenic spectacles of unusual grandeur and beauty, unusual in an exhibition of this sort.

Hundreds of cowboys and cowgirls, scouts, plainmen, vaqueros and rurales, together with performers from Russia, Arabia, India, Japan and representatives of nearly every other nation are presented on the program in a series of sensational and daring feats of strength and agility. Throughout the twenty-two numbers the performance smacks of novelty and originality from the opening to the closing features.

Among the numbers calculated to amuse and guaranteed as dispellers of gloom is "The Dance of the Jungle," a terpsichorean revel that is entirely new and said to be one of the most laughable creations ever devised. "The Taximeter" is another imported European novelty as is also "The Bounding Hayrack," a contrivance of rural simplicity. A number of other comedy turns are of equal merit.

The Wild West section is headed by a star of international renown, Annie Oakley, holder of the title of champion rifle and wing shot of the world, and Young Buffalo himself, Annie Oakley is undoubtedly the best shot in the world. At a recent rifle meet in Madison Square Garden, she defended her title in a most satisfactory manner.

In the Far East contingent will be seen scores of Cossacks in marvelous riding and shooting exhibitions. There will be groups of Cingalese, Arabs, Moaris, Hindoes, Japanese and numerous Orientals of other races. Altogether, the Wild West Hippodrome and Far East this year far exceed any previous efforts of the owners of these big shows.

The street parade, over a mile in length, will leave the show grounds promptly at 10:30 o'clock the day of the show. The doors will open at 7 and 9 o'clock and the performance commence an even hour later.—Adv.

DRUGGISTS BECOMING SABBATH OBSERVERS

The following resolution was adopted at the recent convention of the druggists in Pennsylvania held in Pike county.
