BOROUGH COUNCIL MEETING.

Solicitor Says Council Must Lay Walk on Main Avenue.

The regular meeting of the Haw ley borough council was held in the council rooms on Monday evening with the following members pres-et: C. P. Nell, J. A. Kerber, John Conklin, Thomas Corcoran and Ernest Kahleis. The regular business of the council was transacted and all bills were ordered paid with the exception of those of the Water Company, Snyder & Freethy and the First National Bank. These were over on account of the absence of the treasurer.

Decker, that they would have to build the side-walk leading from the bridge on Main avenue in front of the proper-ty of Mrs. Alvina Daniels. The dis-pute arose over the fact that when the bridge was raised the sidewalk had to be torn out. Mrs. Daniels had put in the first walk but refused to put it in again after the bridge was raised. Street Commissioner Richard Richert has been notified to go ahead with the work. Ernest Kahlels sent in his resigna-

The bond of the Wayne County Street Railway company for \$10,000 had been received by President Kerber and turned over to their attorney V. A. Decker, who approved it. No action was taken on it at this meeting but it is said that the bond will be accepted when it is returned properly signed by the company.

The matter of compelling proper

ty holders to lay sewer pipe along Bishop avenue occupied considerable attention at the meeting. It seems as though sewage collects in the street and there is no way for it to be drained off. The council have taken the matter up with the board of health and the state commissioner.

In the matter of the exceptions to the re-taxation of bill of costs in the case of C .A. Cortright & Son vs. Kreitner Brothers, was dismissed, in an opinion handed down by Judge Searle Monday afternoon. The opin-ion of the court was that originally the suit was brought alleging damage by joint negligence and that a compulsory non-suit had been grant-ed because joint negligence had not been shown. "The exceptions of the plaintiffs and defendants to the finding of the prothonotary in disallowing the bills of costs is dismissed and defend-ant's bill of costs of \$43.00 is dis-allowed and plaintiff's bill of costs of \$75.11 is also disallowed and it is directed that both parties in the action divide the costs which may have accrued upon the proceedings to have their respective bills re-taxed by the prothonotary.
