Honesdale and Greater Honesdale

A marriage license has been issued to Jason Latour Brigham and Miss Idola A. Calkins, both of Damascus. East street is now open for foot passengers and the street will be opened all the way through just as soon as it can be conveniently done. Monday, September 1, will be Labor Day, and as it is a legal holiday throughout the State nearly all of the business places will be closed most of the day. Mr. and Mrs. William Bader are the parents of a daughter born on Wednesday, August 27. Mr. and Mrs. Louis Bader are the parents of a son born on the same date. The following letters remain uncalled for at the Honesdale post-office: Wm. Granville Burnett, Pauline Flatley (Maple Ridge Farm), Miss Hattie Goetz, J. J. Swanwick, Margherita Wilson, L. J. Markies, foreign.

Judge E. C. Newcomb of Scranton, and Herbert H. Corson, court stenographer, of the same place, arrived here on Tuesday afternoon to be the guests of Judge A. T. Searle or a few days. They will spend most of the time at the cottage of J. D. Weston at Forest Lake.

Services will be held at the Berlin Baptist Sunday afternoon at 2:30. A son was born to Mr. and Mrs. Fred Coyne of Ridge street, Sunday night, August 24. The Central Labor Union have billed a picnic for Labor Day at Bellevue Park. The Whatsoever Circle of the M. E. church will hold a picnic in Olver's grove on Labor Day. Johnnie Erwin, the young and popular actor, has scored a big success in "Billy, the Kid," which he is presenting to crowded houses everywhere. It is stated that he has a part which suits him to a nicety. Mr. Erwin will appear with "Billy, the Kid" at the Lyric tonight. Sugar Notch is threatened with an epidemic of scarlet fever and the health authorities are alarmed. At the present time nearly fifteen cases exist. Two victims have died during the last week. A strict quarantine has been placed on each house where a person is suffering with the malady. Francis Rickert and Miss Hilda Nolan, both of Cherry Ridge township, were married in St. John's R. C. church Wednesday morning at 9 o'clock. The ceremony was performed by Rev. Burke in the presence of the immediate relatives of the young couple. A nuptial mass was celebrated. The cash bakery conducted by Frank Van Deusen in the Independent building, was sold recently to George Schwenker and possession will be given on September 1. Mr. Schwenker will continue the running of both places separately until November 1 when he will remove altogether to the Van Deusen establishment. A boxing match to determine the championship for Wayne county will be held at Pleasant Mount on Friday evening, August 29. The bout will be decided between Dick Westgate, of Pleasant Mount and Miles Pitch of Honesdale. Pitch will defend the championship title of Wayne county. A good contest is expected and several have expressed their intention of attending. The Stalker family reunion was held Wednesday at the home of T. B. Welsh of Tyler Hill. Dinner was served to about 50 members of the Stalker and Welsh families, after which a song service was held and a prayer made by James Monnington. The next reunion will be held the fourth Wednesday in August, 1914, at the home of D. R. Denney of Equinunk. The officers elected were C. M. Stalker, Lookout, president; James Monnington, Bethany, vice-president; Bessie Welsh, Tyler Hill, secretary. The Tribune-Republican of Wednesday says that "Lefty" Watkins of the Koans' team of Carbon-dale will most likely receive a trial with the Albany team this fall or next spring. Manager McDonough is trying to get the youngster under contract. Watkins is considered one of the best left handers in local amateur circles. In two recent games he established a record of forty-three strike-outs in two games, both being extra inning battles. Watkins played several times in Honesdale, doing the pitching for Nolan's team in their series against Honesdale. Herman Lohman, proprietor of the Liberty House at Liberty, N. Y., was instantly killed at Callicoon on Sunday afternoon at 3:30 o'clock by a train No. 4. Mr. Lohman in company with a party of friends came to Callicoon for dinner. After dinner Mr. Lohman with a friend went to call on a friend and had to cross the track. Erie train 4 was running on time of train No. 2. It was thought to be train No. 2 which stopped at Callicoon but instead of stopping it went by at the rate of 45 miles an hour. The engine hit Lohman throwing him a distance of 60 feet, hitting a box car. The body was taken to Liberty. There are many evidences that deer are not yet extinct in Damascus township. One day last week Peter Miller, the stage driver from Rutledge to the Damascus office, saw grazing along the highway near Gus. Keesler's farm, what he at first thought to be a couple of calves. As he neared the spot they revealed their true identity by throwing back their heads and vaulting the wire fence that hemmed the boundary of the wood. They were a pair, one sporting a fine set of antlers and the other a doe. Myron Lord and Cecil Abraham saw a doe and two fawns in a field grazing. The fawns were about the size of a dog according to their story. At other places these graceful and agile creatures have been seen, even feeding side by side with cattle; but of course when it comes to the hunting season the deer will be a scarce animal. One of the best dramatic productions that it has seen or pleasure to see in Honesdale was enacted at the Lyric on Monday. "Within the Law" is a truly great American drama portraying the life of New York's underworld while at the same time presenting to us the problem of labor and capital. The problem of the shop girl of New York city is a momentous one and is a problem that is just now confronting the minds of men in all parts of the country. It was a star role all the way through. Mr. Gilder is the typical proprietor of the department store who hires girls on a less than living wage and who fails to see that the girls go hungry and sometimes go wrong just because they never have enough to eat and never enough clothes with which to dress respectably. The part of Mary Turner, the shop girl, who was sent to prison for a crime she never committed, won the hearts of the large audience. She avenged herself on her employer after three years of prison life by marrying his son. Even her association with crooks of the underworld and keeping "within the law" in matters of unlawful character can almost be overlooked when it is realized what the girl has had to contend with. Despite the fact that this was Chautauqua week, the Lyric was filled to capacity and it is needless to say that everyone was more than pleased.

William Karslake, in writing from Vanderbilt, Mich., to renew his subscription to The Citizen, says that the weather out there has been uncommonly dry this year and that as a result the crops may be short. He says that he may return to Wayne county this fall. The Monroe county fair will open at Stroudsburg next Monday, Labor Day. The managers of the fair announce several extraordinary attractions this year, chief of which will be running races by lady riders daily. Over fifty horses with fast records have already been entered. There is a big list of entries for the free-for-all race and it is expected that track records will be broken. Those who are going to enter chickens should do so at once. A number of girls and young ladies met in the auditorium of the high school on Tuesday afternoon to consider the organization of a local chapter of the Camp Fire Girls. Miss Foster, who had charge of the Junior Chautauqua here, presided at the meeting and acted as organizer. The purpose of the work was discussed but no definite organization was effected and a meeting will be held on Friday to choose guardians and complete the organization. White Mills residents are well pleased with the work "Eddie" Murphy, a local boy, is doing with the Athletics, and a number of them intend to see the young outfielder at work in the world's series. Murphy's father is all smiles over his son's splendid playing and while he hasn't admitted he intends to witness the series it is known that he has been looking up schedules for New York and Philadelphia trains. Murphy is hitting over .300 for the Mackmen. The Chautauqua closed Wednesday night in Honesdale and everybody was more than pleased with the entertainments that were provided throughout the week. It was definitely decided that night that the Chautauqua would come to Honesdale again next year. Over 40 guarantors have signed up and over 600 pledges of tickets have been secured. The local committee who have had charge of the affair deserve much praise for their part in the work. The jury in the case of Robert H. Gray to have a guardian appointed for Mrs. Mary Gray, aged 70 years, went out Tuesday afternoon and after being out until one o'clock Wednesday morning could not reach an agreement after taking fifteen ballots. A new trial will be held soon. Mrs. Gray spends part of her time in Honesdale and the proceedings were brought by her nephew who claimed that she was in the hands of conspirators who were trying to secure her property which is valued at \$50,000. The Allen House from now on will charge 75c for Sunday dinner. 1 Adv.

Mills, who attended the golden wedding of their grandparents, Mr. and Mrs. W. B. Holmes, left Wednesday for a visit at Lake Placid, before returning to their home at Brookline, Mass. Mrs. Charles R. Book, nee Ida Tyler, having transferred the title of the Misses Tyler estate to Oliver Bros., of Tyler Hill, left for her home in Los Angeles, California, on Tuesday, after spending the major part of the summer at Damascus, her former home. The new proprietors expect to occupy their new home just as soon as they can transfer their household effects to the new place. Mr. and Mrs. Andrew Thompson, who have been spending the summer at various places in Massachusetts, write from Pigeon Cove, Mass., that they expect to be home this week. The Citizen has been an appreciative visitor twice a week during their stay there. Mr. Thompson writes "that politics have been and doubtless will continue to be lively in the State of Massachusetts. Gov. Foss has been trying to get back into the Republican party—seemingly without much success thus far. For two or three years at least I have wondered how it is that the voters of the States of Massachusetts and Louisiana could vote the Democratic ticket. I notice that they are repenting of their choice; but I am afraid it will be too late for their industries."

INDIAN TRIBES GROWING.

Mixed Blood Apparently Responsible For Increase in Numbers. Indian statistics, just made public by the census bureau, show that the red men are not decreasing in number, but the halfbreeds are responsible for the growth in the Indian population. They have larger and more vigorous families than the pure bloods, and the statisticians conclude that the pure bloods are destined to disappear. The total Indian population of the United States in 1910 was given as 265,083 and of Alaska as 25,331. More than one-half are full bloods, 35 per cent are of mixed blood, and for 8 per cent information was not obtainable. There is little intermingling of Indian and negro blood, more than nine-tenths of the half caste being of white parentage. Only 2,255 were of mixed negro blood, and only 1,798 had all three strains. Oklahoma has the largest Indian population of any state and also the largest percentage of mixed bloods. There are many "squaw men" in the state who have married Indian women to be enrolled as sharers in the tribal estates. Utah, New Mexico, Arizona and Colorado show more than 85 per cent of full bloods, and Iowa and Mississippi have a large percentage of pure bloods in the Fox and Choctaw tribes. In the whole country there are 280 Indian tribes, speaking fifty-six languages.

"HEART EATERS" APPEAR.

Society Similar to Black Hand Appears in Pittsburgh. A rival of the Black Hand society lately made its appearance in Pittsburgh in the form of the "Society of Heart Eaters." The following letter was received by Vincent Pacifico: Read and pay attention. We ask for \$100. If you don't execute our command we will kill you and your family. We will blow up your house and will take your wife and children. We will cut off your head and eat your heart if you don't deposit \$1,000 near the Braddock avenue bridge. Obey or prepare to have your heart eaten. SOCIETY OF HEART EATERS.

SIMONS FAMILY REUNION.

The annual Simons family reunion was held at Lake Ariel on Wednesday, August 27, and about three hundred members gathered there to renew family ties and enjoy a picnic and outing. Officers were elected for the coming year as follows: Edward Simons, Scranton, president; Dr. A. J. Simons, Sterling, vice-president; M. E. Simons, Honesdale, secretary and treasurer; Lester Simons, Scranton, historian. Dr. Simons read a letter from Joseph Simons, one of the original members of the family, which was written at Tunkhannock in 1855. Lester Simons gave an account of his investigations concerning the Simons family throughout the United States. Edith Simons entertained the gathering with several recitations. The meeting adjourned to meet again at Lake Ariel on the fourth Saturday of August, 1914. The oldest members present were Mrs. Elizabeth Swingle, aged 82, daughter of Samuel Simons, and Richard Simons, aged 79, son of Richard Simons. Margaret Simons came from Chicago to attend the reunion, being the farthest distance traveled by any member present.

OF INTEREST TO FRUIT GROWERS.

State orchard demonstrator W. H. Bullock is just now warning fruit growers of the importance of spraying and caring for the orchard. The following will be of help to fruit growers and will be of interest to them to know of other methods of growing perfect fruit which our markets are demanding and which demand is increasing every day. Two years ago G. W. Butterworth, of Philadelphia, inaugurated as a new branch of our business a scientific marketing service for growers of good apples. The business is growing rapidly because we are building it on a firm foundation of conscientious service and good net results. It has stood the test of the last two unfavorable seasons during which we have not failed to make good in a single instance where the fruit was packed according to our planted instructions. The growers who have stored with us the past two years have obtained more money for their fruit than they could have sold it for in the fall and have received a kind of service that they have never received anywhere before and they appreciate it and are helping us build the business.

TOWNSHIPS TO RECEIVE DEFICIENCY APPROPRIATION.

The State Highway Department has recently certified to the Auditor General the distribution or apportionment of the one million dollar appropriation passed at the 1903 session of the legislature, which practically reimburses those townships having collected their road taxes entirely in cash for the year 1912 as a cash bonus. These payments will probably be made through the hands of the State Treasurer within a few weeks. The following is a list of the townships in Wayne county entitled to share in this deficiency appropriation, and the amount to be received by each township.

Table with 2 columns: Township and Amount Paid.
