—If you know of a wedding, party, accident or other item of interest that would interest your neighbors, telephone it to The Citizen office. We have both the Bell and Consolidated phones. —A large force of laborers removed several loads of ashes from the Delaware & Hudson pit on Sunday. The ashes were dumped along the line.

—Dozens of applications for planting of woodlands under State auxiliary forest laws and for leasing of permanent camp sites in State reserves was considered by the Forestry Commission Friday. These are the first lists under the acts of 1913 and much interest is being shown in them.

—The following prizes at the Pittston poultry show, were captured by local fanciers: Best bird in Dutch class, Silver Campine pullet, F. W. Schuerholz, Honesdale; Columbian Plymouth Rocks, Mrs. G. W. Swartz, Ariel; 1st cock, 1st hen, 1st cockerel, 1st pullet; Silver Campines, F. W. Schuerholz, 1st, 3rd and 4th cockerel, 1st, 3rd and 4th pullet. Mr. Schuerholz and E. A. Lindsay attended the show.

—The Young Men's Baraca class of the Baptist Sunday school were entertained at the home of Earl D. Mitchell Thursday evening of last week. A committee was appointed to draft a set of by-laws and a constitution.

—In the face of the fact that agents of the Department of Justice are in Pittsburg to investigate the cause of the high price of eggs, quotations for "selected eggs," as the Pittsburg Butter and Egg Exchange terms them, were advanced Friday last from 45 and 46 cents to 50 and 52 cents a dozen. Dealers declare this is because eggs, to bear the name of "selects," must not be more than a week old.

—The Pennsylvania railroad last week indefinitely suspended between 400 and 500 men in its shops at Altoona and the hours of work were reduced in two of the plants. Employees of the machine shops, who have formerly worked 55 hours a week, will go on 40 hours for days of 10 hours each. About 5,000 men are affected. In the car shops, employing 3,000 men, the same hours will be in vogue. It is customary at this season of the year, with less hours of daylight to reduce the forces in most all railroad shops.

—Rev. Ernest Nash and family, who have made their home at Warren Benton's at White Sulphur Springs for the past few years, set sail Thursday afternoon in a prairie schooner for Mexico. Mr. Nash expects to make the drive there within a few months, allowing plenty of time for stops on the way to do missionary work. After arriving there, Mr. and Mrs. Nash expect to continue their work among the Mexicans and native Indians. In the prairie schooner are sufficient utensils and household goods to enable the missionaries to encamp and live comfortably wherever they stop.

—Over a dozen persons arrested recently in the crusade of the Department of Fisheries against those responsible for pollution of streams along the West Branch of the Susquehanna and the Sinnemahoning have asked for extension of time to install disposal plants. The persons arrested, it is stated at the department, had defied the efforts of the fish wardens to stop pollution, but lately evidences of a general movement to get together on plans turned up. The State authorities will grant brief extensions, but will not allow any further concessions. The disposal works must be put in, declares Commissioner N. R. Buller.

—The county of Union, considering its small population, is believed to lead all other counties in Pennsylvania in the number of resident hunters' licenses issued. The voters of Union, according to the assessors list number 4,564 and County Treasurer Beale informed Dr. B. H. Warren of the Everhart Museum, that up to November 29th, inclusive, he had issued 1,232 one dollar licenses and one ten dollar non-resident license. Besides this large amount of licensed hunters there are said to be quite a number of farmers and others, who hunt on their own and adjoining lands in Union county, and they, of course, do not have to take out the resident license.

—The suit for recovery of \$145,000 in fines and penalties from the borough of Coudersport for failure to erect a disposal plant for its sewage and for the extension of sewers in defiance of State decrees is likely to be followed by several other actions against municipalities which have paid no attention to the orders from the Governor, Attorney General and Commissioner of Health to install sewage disposal plants. In the Coudersport case the fines are computed from 1905 and form the largest sum ever demanded from any town in the series of suits brought by the Commonwealth. In these actions the State has won every time. Honesdale needs a better system of sewage disposal.

—Saturday was a good business day for the merchants. The advantage of early shopping is something every person ought to avail himself of. The stock to select from will not only be more complete, but the purchaser will have more time to select his or her gifts. Patronize Citizen advertisers.

### SEELYVILLIANS ELATED OVER REDUCTION OF INDEBTEDNESS.

The school board of the Independent district of Seelyville at their last regular meeting reduced the indebtedness \$500. This is exceedingly good news for the taxpayers to receive. ## LEGALITY OF LEBANON ELECTION IS QUESTIONED

### CLARE YALE ASKS OPINION OF COURT IN SUPERVISOR MATTER.

Says Dennis Served on Election Board—Poor Directors and Supervisors Appointed—Ask New Guardians for Mrs. Spangenberg, Person of Feeble Mind.

Judge A. T. Searle presided at a special session of motion court held in the main court room Monday morning, beginning at 10 o'clock. A recess was taken at 11 to convene again at 2 o'clock in the chambers on account of the fact that the annual farmers' institute began their two days' session Monday afternoon. Court was adjourned until Tuesday morning, December 16, at 10 o'clock.

### Alias Subpoenas Awarded.

Alias subpoenas were awarded in the divorce proceedings of Christian Forester, libellant, against Lizzie Merwin Forester; Sarah E. Ruppel, by her next friend, Jacob Keller, libellant, against Carl Ruppel; H. C. Noble, libellant, against Anna M. Noble.

The Court appointed M. E. Simons to act as master and hear the evidence in the divorce proceedings of Grace M. French, libellant, vs. Frank T. French.

James L. Bush as libellant in a divorce action filed against his wife, Ora M. Bush, on July 7, 1910, and subpoena awarded in August, asked for the issuance of an alias subpoena, stating that no return of the service had been made in the three years. A rule was granted to strike the discontinuance from the record and made returnable next term of court.

### Poor Directors Appointed.

Clifford C. Gray was appointed to fill the vacancy in the board of poor directors for the district of Texas and Honesdale; his term to commence on the second Monday of January.

The term of Thomas Gill, of White Mills, for poor director expires on the second Monday in January. He was re-appointed for another term.

### Ask That Deed be Annulled.

A petition was filed on September 15 by Frances M. Turrentine and Cora Nelson Turrentine asking that a rule be granted to show cause why a certain deed to William M. Nelson should not be declared void.

### Ask Court's Decision Election.

Clare Yale, of Lebanon, through his attorneys, Searle & Salmon, made application to the Court Monday morning for the determination of the election of supervisors in Lebanon township at the November election. The candidates were Loren Gager, Ray Dennis and Clare Yale. The application sets forth that Ray Dennis was on the election board, serving in the capacity of inspector and that he assisted in computing the vote. It states that Dennis received the highest number of votes and that Clara Yale received the second highest number. The application asks that the Court make a decision in the case and declare whether or not the election of Ray Dennis was legal. Judge Searle granted a rule on Ray Dennis to show cause why Clare Yale should not be declared elected. It is likely that the office will be declared vacant and an appointment made.

### Supervisors Appointed.

Ralph W. Bush was appointed supervisor for Dapascus township to fill the vacancy caused by the resignation of John J. Swenson.

John Sporer appointed supervisor of Cherry Ridge township to fill vacancy. At the November election two candidates, D. C. Elliott and John Sporer each received 54 votes for the office and there was only one to be elected. A petition was presented for the appointment of Sporer.

### Ask New Guardians.

Searle & Salmon, attorneys for John W. Decker, petitioned the court Monday to have the guardianship of Frank S. Decker and Carrie E. Bristol revoked. The petition alleged that they were appointed guardians of their mother on March 1, 1913, under a bond of \$1500 and that on the date of the approval of the bond Frank Decker took Mrs. Rebecca Spangenberg to his home in Lackawanna county. He later, the petition said, took a sum of money from the First National Bank of Carbondale belonging to her. On November he absconded from his home in Lackawanna county and Mrs. Spangenberg was taken in charge by the poor directors of Lackawanna county and placed in Hillside Home. Carrie B. Bristol, the other guardian being a non-resident is to be notified before action is taken in the case.

### A rule was granted upon the guardians by Judge Searle to show cause why their appointment should not be revoked.

### Other Court Notes.

Letters of administration were granted in the estate of Lawrence Shermer. No evidence having been shown that he was alive and the notice having been published in the newspapers of the county, Register of Wills was directed to grant the letters.

In the matter of the sale of real estate of Rusilla L. Jones, late of Lake township, deceased, ordered that description of said real estate be amended as prayed for.

Petition for a rule on the school directors of Canaan township to show cause why they should not open a school in Farview district and rule thereon was to be argued Monday. Answer filed. Continued until December 16.

### LIGHTLY UNABLE TO BE PRESENT

L. W. Lighty, of East Berlin, one of the agricultural instructors scheduled to speak at the farmers' institute, was unable to be present and made arrangements with Wells W. Cook, of the Agricultural Department of Washington, D. C., who will address the farmers in the different sessions.
