There is nothing that will command so much

In November, 1889, Rev. Furbay preached his first sermon in Reynolds-ville, he was then taking a theological course at the Allegheny seminary. In April, 1890, he came to Reynoldsville as a stated supply and remained as such until April 1st, 1891, when he accepted a call to become the regular pastor of a call to become the regular pastor of the Presbyterian church at this place. At that time the membership was about 150. The first and second sermons he preached here his congregations num-bered about 35 people, and 7 or 8 were present at the first prayer-meeting held. During his pastorate he received into the church life normal off a number of the church 160, pruned off a numb dead branches, organized the mel church with a membersh 60, and still leaves an Rathmel church with a membership of 60, and still leaves an actual supporting membership of 225. The average attendance at prayer-meeting is about 40, not what Mr. Furbay had at first hoped it would be. The Christian Endeavor Society was organized two years ago last December and benefitted by his having lived, and membership of 125. A Junior Endeavor was organized by Mrs. Furbay some-thing like a year ago and has from 40 to 50 members. The financial part of the church has been marked in proceed. 50 members. The financial part of the church has been greatly improved. The collections to the various boards have increased 40 per cent this year. Through Rev. Furbay's energetic efforts, as the above statement will show, the church has been greatly bene-fited by his coming here. While Rev. fited by his coming here. While Rev. Furbay is far from being arbitrarious, yet he has a will of his own which is not tossed by every little wind that blows. He stands by his convictions, The scriptures say: "Be ye not un-equally yoked together with unbelievers," and Mr. Furbay accepted the teachings of holy writ and married the daughter of a Presbyterian minister.

Mrs. Furbay is a highly educated lady, a good conversationalist and an excellent help-mate for the young Divine. Rev. Furbay handed in his resignation to his congregation last Sunday morning, and after the reading of the same, the chairman appointed Dr. S. Reynolds, G. W. Palen and J. B. Arnold to draw up resolutions for the congregation. The resignation and resolutions are as follows:

RESIGNATION.

To the session and congregation of the Presbyterian church at Reynoldsville.:

Some weeks ago, at a time when I did not have reason to suppose I would be called to any church and, therefore, not influenced by any such cause, I said to members of the session, that I believed my work done here, and that I ought to resign. I further added, "If I am right in this matter the Lord will open away for me to go." Unsought and unsolicit-ed the call came to me from Tyrone. If there is anything in combination of

A Crowded House.

The entertainment given in the opera house last Thursday evening under the management of the ladies of the Presbyterian church was quite an enjoyable affair and well worth the price of admission, fifteen cents. The Hopkins were adopted by the convention: Mandolin and Guitar Club, Messrs. W. H. Furgus, John L. Sliffer and William Boardinger, was one of the pleasing features of the program. The negro part of the entertainment was well performed by G. W. Palen, Jas. B. Arnold, Daniel Strouse, and E. W. Green. The recitations by Miss Lena McDowell, Miss Lillie McCreight and Mrs. J. B. Arnold were well rendered, and Misses Minnie Ewing, Roberta Ayers and May Iseman sang their sweetest solos. In the representation of sun flowers in the "sun flower chorus," could be discerned the physiognomies of Minnie Ewing, Mrs. G. W. Palen, Roberta Ayers, Mrs. J. B. Arnold, Julia Kirk, Maud Reynolds, Mrs. Dr. S. Reynolds, May Iseman and the four above mentioned negros. The humaniphone, which was played for the first time in Reynoldsville, no doubt

will produce good music when well tuned, but it was a little "out of order" when played here. The humaniphone would be a trifle expensive to keep in repair and would never be in demand for parlors, especially when there are two or three young ladies in the family, for like some of Edison's inventions it would repeat what it heard. The house was packed, many had to stand. The ladies realized a snug little sum for their missionary society.

Dr. J. S. McCreight, of Reynoldsville, was elected chairman of the general ex-ecutive committee, and Prof. W. J.
