# MARTIAL LAW DECLARED

## BY PRESIDENT CLEVELAND.

He Orders Chickgo Under Millitary

Rule

Just before midnight Sunday President

Cleveland issued the following: Proclamation By the President of the

United States: Whereas, By reason of unlawful ob-

etructions, combinations and assemblages of

Whereas. By reason of unlawful ob-diractions, combinations and assemblages of present of the president to enforce by the ordinary sources of judicial proceedings the have of the United States within the State of Diffusions and especially in the eity of Chicago within said State; and.
Whereas. That the purpose of enforcing the faithful exceeding the laws of the United States and protecting its property and removing obstructions to the United States mails in the state and city aforesaid, the president has employed a part of the Million and State; and city aforesaid, the president has employed a part of the milliary forces of the United States.
To therefore, I, Grover Cleveland, president of the United States, do hereby admon-shal good eithers and all persons who may be or may come within the city and state software of the United States, and states and 1 do hereby warn all persons who discructions, combinations and assemb-lages; and I do hereby warn all persons who discructions, combinations and as-semblages to disperse and retire parceably to their respective aboles on or hafter 120/elock.
The who discructions of the government of the laws of the United States or inter-forming with the functions of the government of destructions of the government of the laws of the United States or index its protection cannot be regarded.
The at with all moderating the destructions of the laws of the United States or index with the accomplishment of the down on the laws of the United States or index with the accomplishment of the down on the laws of the United States or index with a moderation and forbearment or distribution or attempting to destructions of the diverse than as public emerted.
The order with all moderation and forbearment or distribution or induce the permit discrim-ination between guilty participants and those or index with a the accomplishment of the down on the the source in the induced, the period with the without criminal intent. The only safe ourse therefore for th

While there will be no hesitation or vasell-lation in the decisive treatment of the guilty, this warning is especially intended to pro-teet and save the innocent. In testimony, whereof 1 hereinto set my hand and cause the seal of the United States to be hereinto affixed. Done at the city of Washington, this eighth day of July, in the year ef our Lord, one thousand eight hundred and ninety-four, and of the Independence of the United States of America the one bundred and eighteenth. GROYER CLEVELAND, W. Q. GRESNAN, Socretary of the State. The proclamation practically declaring matrial law in Chicago, was decided upon after a full discussion in the cabinet meeting. This is the action which Gen, Miles has de-sired from the beginning as it will give him more amole authority in the city.

More ample authority in the city Saturday the strikers and the State of Illi-nois, as represented by the militia, came to-gether and a pitched battle was the result. The number of killed and wounded will never be known, as the mob carried off a number of men who were seen to fail, and whether they were dead or wounded, or how many of them fell, if is impossible to never-tain. As far as know, the causalties were as follows:

tain. As far as know, the causalities were as follows: The dead are: John Burke, striker, killed by a bayonet thrust through the addomen. The woonded are: Lieut. Harry Reed, Co. C, Second Infantry, I. G. N., struck on head by stone, condition critical; Thomas Jack-man, shot in back; will die; John Konder, stabbed with bayonet; will die: Unknown boy, if years old, shot through abdomen, will die: Tony Gajeuski, shot in right arm; Henry Williams, shot in left arm; John Kerr, shot in hip; Joseph Rhineberg, three bayonet wounds may die: Anton Kosminski, shot in rightside. Joseph Rheeberg, three bayonet wounds may die: Anton Kosminski, shot in rightside. Joseph Szespauski, shot in shoulder; Annie Siegler, left og shattered and had to be am-putated; Unknown boy shot in left leg. The fight occurred at the intersection of Forty-nith street and the Grand Truck tracks, a locality which has always had on any day two toughs for every square yard of territory within the radius of a hait mile. The seat of war in the strike was transfer-red Sunday to Hammond, Ind., just across the border line, where from an early hour mob violence reigned supreme. Two com-panies of regulars were dispatched to the seene. Late in the afternoon there was a pitched battle between the regulars and the mob. This is the list of causalitie: Charles Fleisher, a carpenter, married, ared 35, a resident of Hammond, killed in

wire at the Oil City Tube Works. There is no meat scarcity in New York, the districts east of Chicago sending a supply.

Albert Perry, an Alliance railroad employe, fatally beat John Miller, colored, for insulting his wife.

At Joliet, Ill., on Wednesday, Prof. Jones of Bloomington, fell from his balloon and was fatally injured.

Ex-Premier Stambuloff, of Balgaria, will windicted for general abuse of power and opening private letters.

Epb Allen, under indictment for maninughter at St. Paul, committed suicide by booting himself through the heart.

Advices from Bolivia report that Ex-Presdent Arce has been assassinated. His body vas horri bly mutilated by his murderers.

Dr. Cook's Artic expedition, of which Prof.

B. C. Jillson, of Pittsburg, is geologist, will sail from Brooklyn in the steamer Miranda.

Albert Kent and Mez Golden were drownd in the St. Joe river and George Wells was drowned in the lake at Airla, all near Fort Wayne,

At Coder Springs, Mich., the lumber varies of J. H. Worden and 2,000,000 feet of lumber were destroyed by fire. Loss covered by inurance.

Jas, Allen, colored, was hanged at Upper Marlboro, Md., for assault upon the 12-yearold daughter of Thos. Simpson, residing near Woodmore,

Attorney Charles E. Lyon was killed by train near Dubuque, In., while he was on his way to get an information against the strikers signed by a United States commissioner.

The by-election made necessary by the levation to the British peerage of Bernard Coleridge, son of the late Lord Coleridge, was won by the Liberals by a plurality of 1,991.

The McKeesport Tube Works strike situation is mixed. The tube workers decided by a large majority to stay out, but the mechan ical workers have decided to go back to work.

At Cairo, Ill., two freight sheds 350 feet wide and 600 feet long respectively, and 23 freight cars in the Mobile and Ohio yards were destroyed by fire. It is believed the fire was incendiary.

Joseph Hubscher, of Chicago, has been held at Santos, Brazil, since last March, on sus-picion of murder, notwithstanding that three preliminary examinations have failed to show

any testimony against him. A frail scaffold on the sixth floor of the formitory annex of the University of Pennsylvania gave way, precipitating three men to the ground. Thomas Jenkins, colored 25 years of age, and John Lowry, 30 years of age, were instantly killed. The third, John Davis, escaped with slight bruises,

A costly wreck occurred near Sedalia, Mo., on the Missouri Pacific Railway. Thirteen cars of a westbound freight train went into the ditch. No trainmen were injured. Three unknown tramp negroes are in the debris The wreck is supposed to have been caused by the removal of a rail strap by unknown parties.

A horrible murder was committed at Talequah, I. T., Thursday night, and the Coroner's jury has been trying to get a clew to the perpetrators without success. George Craft was the victim, and his dead body was found, with his skull crushed and his neck broken. His watch and \$230 in cash were found on the body, showing that he was murdered for other purposes than robberv

## THE STRIKE SITUATION

### As Bad As Ever From Cincinnati Westward. The following is the strike situation to

WEST VIRGINIA-A. R. U. organizars failed

### IN CHICAGO BLOUDSHED

# THE STRIKE STILL GROWING.

#### One Man Killed and Much Property Deing Destroyed.

At Chicago bullets flew in the stock yards listrict at dusk Friday, and a big rlot was narrowly averied. Just after the stalled stock train had been taken back and the regulars had departed, Special Agent Gregory, of the Western Indiana road, at tempted to take South an engine and way ear. At Forty-first street he was stopped by

An overtured car, and a mob of several housand surged about the engine and attempted to capture it. Drawing his revolver Greenery, who was leasing out of the window, fired at times in succession. Two of the bots took effect, one fatally wounding Ed. O'Neil, a striking switchman, and the other assing through the shoulder of a man, who was quickly taken away by friends. The mob commenced to three you are assing through the shoulder of a man, who was quickly taken away by friends. The bots took effect, one fatally wounding Ed. O'Neil, a striking switchman, and the other works at the engine but the man at the throttle pulled the layer wide open and the train dashed forward. A housand of the mob tried to keep up with it, but were distanced.
 Anob of about 500 has held almost complete way in the towns of Kensington, Burget, Fordham and Grand Crossing, on the outskirts of the city along the like individual date into the infortated mob, and upwards of 200 cars, some of them Pullman stepers, were burned. These dependations continued late into the infortated mob, and upwards of 200 cars, some of them Pullman stepers, were burned. These dependations continued late into the infortated mob, and upwards of 200 cars, some of them Pullman stepers, were burned. The set dependations continued late into the fames of the 200 or no fan attack by the mob. The sky is lighted on with the giner of the Grand Trunk road. A hundred poles have gone to the acres with orders to shoot on sight if they are attacked. The lose to the Grand Trunk will be encomos, A mob legan work on the Burlington they write a mot the advection of the dates of about one mite, were totally destroyed by free.
 Moted States Marshail Egan arrested D. D. Donotsus, an American Bailway Unitor or an the Amanale tracks featware. Chicago and Alton at Bloomington has been raised with the side of the United States marshais, and all trains were forwarded with of an experimental strain at Kankakee and endineer. The Minage States and and the

Anto announces, freemen, trainmen and duties, The engineers, freemen, trainmen and switchmen of the Calumet and Biue Island railroad in the South Chicago yards of that company went on strike giving their employ-ers three hours' notice. As this company does the switching for the South Chicago does the switching for the South Chicago

SENATE. - No session of the senate was held to-day. Horsz. - When the House convened this afternoon Secretary Cox, of the Senate, up-peared and announced the passage, with amendments, of the tariff bill by the Senate last Tuesday, together with the request that the House would agree to a conference on those amendments. The bill was laid on the Speaker's table and will be laid before the House in the regular course of business to-morrow. The House then took up the bill introduced by Mr. Cooper, Democrat, of Indiana, permitting States and Territories to tax greenbacks and treasury notes the same as other forms of money and personal prop-erty is taxed. This was discussed, but no action was taken. erty is taxed. n was taken

erty is faxed. This was discussed, but no action was taken. ONE HUNDEED AND SIXTY-FOURTH DAY. SEXATE. — In the senate to-day the great railroad strike had three separate and dis-tinet propositions directed to it. One was in the shape of a resolution, offered by the Pop-ulist Senator from Nebraska, Mr. Allen, look-ing to the acquisition and operation by the government of all the railroad, telegraph and telephone companies of the United States. The second was a bill introduced by Senator Divis, Republican, of Minnesota, by request, for the settlement of controversides between railroad companies and their employees; and the third was a bill introduced by Mr. George, Democrat, of Mississippi, defining the duties of the Cuited States courts in eases of railroad strikes or lockouts, and providing that ob-structions of United Biates mails shall be con-sidered such cuity when the trains do not con-tin cars for the transportation of passengers or freight. The bills were referred to the Ju-diciary Committee, and the resolution went over till Monday next, when it will be enti-ted to consideration in the morring hour. House laid before the House to-day and referred the Committee on Ways and Means. The greater Date of the day's session was oc-cupied in the bill to permit States and Terri-tories to ac greaten backs and Ternary notes. This was passed by a vote of 171 to 41. ONE HUNDEED AND SIXT FOURTH DAY.

Crites to tax greenbacks and Treasury notes. This was passed by a vote of 171 to 41. ONE MUNDRED AND SIXTY FOURTH DAY. BREATE.—The Senate Committee on Hivers and Harbors, yesterday, without stipulating any amount, ordered a survey of the Miami and Erie canal for the purpose of establish-ing a ship canal between the lakes and the Ohio river. Nothing else of importance was transacted by this body. HOUSE.—At the request of many members of the Grand Army of the Republic in Penn-sylvania, Congressman Hicks introduced in the House a bill granting pensions to all persons who served 93 days or were in eirher the army or navy, at the rate of \$4 per month for persons 50 years of lage. The conferences on the tariff bill appointed in the House are Mesars. Wilson, of West Virginia, MeMilen, of Tennessee, Turner, of Georgia. and Montgomery, of Kentucky, Democrats, and Payne, of New York, Republi-cans.

### Double Murder and Suicide.

Near Butler, S. D., K. B. Qvaum, a Nor-wegian farmer, became so worried over crop prospects that he cut the throats of his two children, aged 6 and 8, threw them in a well cut his own throat and jumped in after three.

## PROMINENT PEOPLE.

# Ma. GLADSTONE rogards it as impossible

## THE LABOR WORLD.

In London there are 14,000 servants out of Tux miners in general are returning to their work.

CLOTHING CUTTERS' UNION, New York City, has 1000 members out of work. Sattons' wages have been reduced in al-most every port on the Pacific Coast.

Tan E fan Thomson Steel Works resumed at Braddosk, Penn., giving employment to 1500 men.

The American Railway Unice, in session at Chicaso, decided to work with the Popu-list party.

The American Flint Glass Workers' Union is considering the abolishment of its death benefit fund.

Tan convention this year of the Interna-tional Furniture Workers' Union will be held in Cincinnati.

In Cincinnati, Tur annual convention of Plambers' In-ternational Union will be held in St. Louis the last Monday in July. Tur English are making more rapid progress than we are toward the amicable settlement of labor questions.

GRANLES PORTREN, orzanizer for the Ra-tal Clerks' National Union, has gone to Wheeling, W. Va., to form a local organiza-

LEE JOUNSON has been re-elected President of the Brothschool of Boller-Makers, and Secretary-Tressurer W. J. Gilthorpe was uso re-elected.

A CHARTCH was granted by the American Federation of Labor to the Boston Public Works employes who seeded from the Knights of Labor.

Anights of Labor. LATERES and shinglers are contemplating forming a Nationalorganization. There are about thirty local unions of that trade in different parts of the country. Amour 65,000 Scotch miners struck against the proposed reduction in their wages. The strike has also thrown 20,000 steelworkers out of employment, on account of lack of fuel.

Miss ALICE C. WOODSHIDDE, Secretary of the Workingwomen's Protective Union, es-timates that at least 20,000 workingwomen are out of employment in New York City at

Is the manufactures of Great Britain alone the power which steam exerts is estimated to be equal to the manual labor of 4,000,000, 000 of males, or more than double the number of males supposed to inhabit the globe.

The union label is said to be the could weapon of unionism. The consense of opinion among organized workmen is that the union label is more powerful than the boycott, more certain than the strike and more popular than either.

A MIRACLE IN VERMONT. THE WONDERFUL EXPERIENCE OF A WELL KNOWN CHELSEA MAN.

Stricken with an Incurable Disease and yet Cured. His Personal States ment in Detail. (From the Argus and Pairiot, Montpelier, VI.)

This is an age of progress an 1 everything that halls the advance of new ideas for the good of humanity is balled with delight.

It is the province of newspapers to watch

or strangs events or pheno nena of any kind

and to immediately investigate a reported rass out of the line of regular community

happenings. So when the story of Mr. George Hutchinson, of Cheisen, Vt., and

how he had been raised from a be i where he

lay stricken with a supposedly incurable dis-

onno was told, the Argus and Patriot de-

tailed a reporter to look up the reported facts of the case, to whom Mr. Hutchinson

"I am a native of Massachussits, a wood-

worker by trade, and forty years of age, and for the past fifteen years have been working in various sawmills in Vermont and Massa-

chusetts. Eight years ago I movel from

Bradfor I to Chelsen an I longht the sawmill

of which I am now proprietor. I was in per-

feet health and known throughout Chelsen

and vicinity as one of the strongest men or

mote. This is the list of casualities: Charles Fleisher, a carpenter, married, aged 35, a resident of Hammond, killed in-stantly, a bullet entering his abdomen and passing clean through the body. W. H. Campbell, shot in right thigh; probably fatal. Vietor Seitor, also of Hammond, shot in the second se fatal. Victor Seitor, also of Hammond, shot in the knee; amputation of leg necessary; condition critical. Miss Annie Fleming, of East Chicago, bullet wound above right knee; not serious, Unknown man, stranger in Hammond, shot in right leg; amputation probably necessary.

## **REGULAR SIGNS VALUELESS**

The Interruption of Business by the Rail-road Strikes Spoils All Calculations.

R. G. & Co.'s "Weekly Review of Trade." New York, says: The interruption of business by the railroad strikes has been such that the usual signs, whether bright or

gloomy, have little value. Stocks are not ably unaffected, and close with a decline of ably unaffected, and close because it is com-only 14 cents per share, because it is com-monly believed that the struggle cannot last, and will be followed by quick recovery of any loss. Bailroad earnings show a decrease of 21.3 per cent. for June, against 20 per cent. for May. Speculation in products has turned largely

In May. Speculation in products has turned largely upon temporary uncertainties, but meat pro-ducts have been higher, with a threatened famine here and the probability that large upon temporary uncertainties, but meat pro-property of the spoiled in Chicago, while wheat 1% cents. The crop year ends with and late, and the aggregate for the year has been not far from 165,000,000 bushels, flour networks, though a title larger than of late, and the aggregate for the year has been not far from 165,000,000 bushels, flour networks, the constant of the sear has been not far from 165,000,000 bushels, flour the decrease of \$55,919,292 in revenue, and has now to make numerous payments which has now to make numerous payments which has now to make numerous payments which has now to danger is past, especially as gold exports have about stopped. Large imports the decrease of exports in the fail. Theres during the week have been 181 in the Third States, against 28 last year, with no sportant disaster as yet since the new hall vera been.

Bervices in Washington. At the church of St. Matthew, the leading fatholic church of St. Matthew, the leading for Fresident Carnot was celebrated Sunday. President Cleveland was present with Secre-ary Grasham, Altorney General Olney, Secr-ary Helsert and Private Secretary Thurber, in the fast pew on the opposite side of the insis were M. Jules Patenotre, the French Ambassador, in full diplomatic uniform, and sis brids. The Futenotes represented the annily of the dead President and the official signity of France.

-22

to accomplish anything at Parkersburg.

to accomplish anything at Parkersburg. OHIO-NO change at Cincinnati. KENTICEX-Chesapeake and Ohio and Louisville and Nashville are having trouble at Covington, vardmen having struck. INDIANA-Efforts for a general strike at In-dianapolis have failed. Vandalla switchmen at Brazil are out. Railroads at Terre Haute were unable to move a car of freight. A Pull-man sleeper which arrived there on the Chi-cago and Eastern Illinois had muny windows broken.

MICHIGAN-No Grand Trunk trains sent out Micronax—No Grand Trunk trains sent out from Battle Creek, ongineers and fireman re-fusing to go to work. A trace for the Fourth by which trains were moved during the day, was concluded at Detroit. LLINGS.—Fourteen Alton trains and 2,000 passengors are delayed at Bloomington. Not a wheel is turning on the Alton at Rood-house.

MUSSO, WISCOSSIS — All quiet at Milwaukee, MISSOURI, — The Alton and Wabash are tied up as tight as drums. The situation of the Big Four at St. Louis is serious.

Iowa. -- Troops are on the way to Sioux City. All railroads are tied up there except the linois Central. TENNESSEE, -All railroads at Nashville are

running trains. At Memphis switchmen on the Illinois Central and Memphis and Charleston are out.

COLORADO,-The strike has not reached Denver, though it is in force at other points. United States troops have occupied Pueblo and Trinidad.

and Trinidad. CALFORNIA.—Milita have gone to Sacra-mento and Los Angeles. The trouble in the State is centralized at those cities and Oak-land. An attempt will be made to break the blockade at those points simultaneously. At West Oakland two trains were seized and a fight between deputy marshals and strikers followed. Cars were run off the main line, trains were cut and every effort was made to blockade the line.

## Inconduaries Cause the Destruction of Six

of the Big Exposition Buildings. The Terminal station, Administration. Manufacturers,' Electricity and Mining build, ings, Machinery Hall and the Agricultural

ings, Machinery Hall and the Agricultural buildings at the World's Fair burned down. The Art Gallery and the Government build-ing were saved, together with the minor buildings south of Machinery Hall and the Agricultural building. The fire started almost simultaneously on the second floor of the Terminal station, the southwest corner of the Mechanical Arts building and on the southeast corner of the Manufacturers' building. At each place a man was seen running away. One man was killed and one injured. Edward Anderson was burned to death and Edgar Bassett was severely burned.

#### Treasury Balance.

The cash balance in the treasury Saturday was 6119,020,055, of which \$64,711,897 was gold reserve.

does the switching for the South Chicago plant of the Illinois Steel Company if forced the closing of the works of that company, throwing out of employment upward of 3,000 men. Sixty-five freight handlers of the Illi-nois Central weat on strike in sympathy with the switchmen, brakemen, conductors and fremen, who are now out on the Central. Conductors and brakemen on the Northwest-ern met and decided to remain out. At Blue Island Charles Becker, a police of-ficer, was arested by a deputy United States marshal for attempting on Monday to inter-fere with the marshal in the performance of his duty. Besenfants, one of the strike lead-ern arceded is the man who con Monday

ers arrested, is the man who on Monday, while Marshai Allen was reading the injunc-tion issued by the court, shouted from amids the crowd: "To hell with the U.S. court." All is quiet at Blue Island and no strikers in sight

All is quiet at Blue Island and no strikers in sight. "If the strike were settled to-morrow, if would not make any difference," said Edwin Walker, special counsel for the government. "Every man who has trampled on the law will be punished. I do not care anything about the few misguided men who have been arrested. It is the instigator of the lawless-ners that the government wants to punish. That is Debs. We shall have Debs. We have the evidence against him now, and he will be punished." punished.

#### ALMOST A MILLION.

## Hudson, Mass., Devastated by a Devouring

Configuration. At Hudson, Mass., the most disastrous fire this section of the country has ever seen broke out in Chamberlain's shoe factory, Woods square. The flames spread with wonderful

square. The flames spread with wonderful rapidity, the factory being being burned to the ground within half an hour. Within an hour the flames had spread to the union de-pot, the public telephone office and Higgin's shoe factory. The freemen were perfectly helpless and as-sistance was called from surrounding cities and towns. The postoffice with its contents was totally destroyed and the loss in this case annot be fixed. It is know, however, that several registered packages arrived on the norming mall and were not delivered on ac-sount of the holiday. Forty dwelling houses were destroyed, to-rother with their contents. The firemen worked with a will, but their efforts seemed to be in vain and it was finally found neces-ary to blow up a number of houses to sare the entire town from destruction. The loss is stimated between \$750,000 and \$1,000,000, and it is said to be mostly insured. The Bos-ton fire department also assisted.

#### Russell Now Lord Chief Justice.

It is officially announced that Sir Charles Russell, formerly attorney-general, who re-sently succeeded the late Sir Charles Bowen us lord justice of her majesty's court has been appointed to succeed Lord Coleridge, who died on June 14 last, as lord chief jus-tice of England.

or him to visit the United States.

The Duke of Parma, father of the Princess of Bulgaria, has ten daughters an I five sons, all of whom are living. Tux oldest doctor and the oldest Free-mason in England is Dr. Salmon, of Cam-bridge, Wales. He is 104.

The Rev. William Mays, of Perryville, Ky., has preached the gospel for sixty years, and has never accepted a dollar for his ser-vice.

MARIETTA ALBONI, the greatest contraito singer of the century, died in Paris a few days ago. She was the wife of Count Pe-polo.

GEORGE P. A. HEALT, one of the greatest portrait painters of the century, disi re-sently at his home in Chicago, aged eighty-

W. H. WALLACE, who was appointed post-master at Jefferson, Ohio, by President Jackson, in 1831, still holds the office. He is eighty-four years old.

The Queen of Greece is the only female admiral in the world. Some time ago the Cear of Russia, her cousin, appointed her an admiral in the Russian first.

Sin Baac Frinkin, the venerable inventor of a system of shorihund, who was recently knighted by Queen Victoris, for sixty-five years worked from ten to thirteen hours daily.

DEUTS TURCE, whose murble figure of the Seins is the best piece of sculpture exhibited in Paris this year, and who is regarded to the "hope of the young art" of France, is the son of one of the poorest peasants in the Banablic Republic.

REV. NATRANIEL CARTER, who was recent ly ordained as a Lather in elergymon in Bu-timore, is the first ordained min to become a minister of that denomination in Mary-land. He is twenty-sight years old and a native of Virginia.

WILLIAN C. CANPENTES, the oldest pric-ticing lawyer in New York, appeared as counsel in the city court the other day. He is ninety-one years of age, in vicerous health and sound of mind, and says it is work that keeps him alive.

CAPTAIN FRANCIS MARTIN, who retiral from the United States revenue marin : in 1877, after forty-six years of service, cele-brated at Datroit, Mich., recently his ninety-fourth birthday. He uses glasses when he writes, but reads without them.

PROFESSION AND WILLOUT THEM. PROFESSION ANTIMULIAN SCHELE DE VERME is just completing his fiftieth year in the chair of molorn languages of the Uni-versity of Virginia. He is seventy-four years of age. Dr. De Vers and Dr. Francis H. Smith, of the chair of natural philosophy. alone represent the faculty of forty years after ago.

ago. Bismor Joux M. WALDEN, of Cincinnati, of the Methodiat Church, had a hard strug-gle to obtain an elassiton, at one time working on the Ohlo River floatboats for fitty cents a day. Atterward, as a clerk in a country store, he savel enough money to enter Farmers Collage, at Cincinnati, where he had for fellow-pupils ex-President Har-rison an 1 Murat Haistead.

has an Irish shilling which is pr ably one of the first issues of that coin. It is a family heir.com that has been bequeathed to the oldest son in his family through successive generations. It is sliver and about the size of our twenty-five cent currency. Mr. Russell has bequeathed it to his son, Kelly Russell, with its tradition.

Numismatic Curio.

George Russell, of Raywick, Ky.,

N. Y.

Notable Career of the John P. Lovell Arms Company. For over half a century the Joint P. Lovell Arms Co. has been looked to as an antorrity on sporting pools, and no one who ever had business dealings with thit well known from has ever had cause to complian of unfair treat-ment.

After 55 successful years this houst is now known throughout the contry, and the very mention of the name Joins P. Lovell Arms Co. is a synonym of honsety and reliability. John P. Loved, the Jourder of the Company, although 74 years old, is inversibly at his desk every day to overlook the rapidly increasing lumines.

wery day to overlook the rapidly increasing indices.
 No sharp oractices in trade can be laid up usinst him. His record for homesty and increasing in the increase indicates in the second domain of the increase indicates in the second domain of the increase in the second domain of the increase in the increase in the increase of the Company in a most horizong manner. Russell A. Alger in 1889, and with Gen. Paimer in 1892. Thus, P. Lovell and H. L. Lovell are the bolonel's valuable assistants in keeping the company to the front. The John P. Lovell Arms Company have every facility which money, a thorong a knowl-edge of the business, and the greatest skill mechanism can produce to make the "Lovell Diamond" the best bicycle in the world. Every year since its first appearance this bi-cycle has been improved, until now it is un-urpassed in point of material, workmanship, finish, safety, speed, beauty and easy remning qualities.

inish, safety, speed, beauty and easy ranning qualities. Not only is the use of the Lavel D'amond becoming more widespread in this country, but foreign dealers are not alow in recognizing the merit of this machine. The "Lovell Diamonic" has the field, and it has already demonstrated that it is the sing of bicycles. As the mountains of New Eng-ind stand for all that is substantial in me-ture, so does the Joan P. Lavell Armae om-pany represent all that he sold out rema-nent in the business work.—*Boston Record*.

DOCTOR-"Madam, your husband has paresis." Wile-"O, Doctor, I'm delighted! I was afraid it was measles, and they are so common, you know."-Arkansaw Traveler.
