The Brookville Dramatic Company will present the great border drama, "Nevada or the Lost Mine," at the opera house, Reynoldsville, Tuesday, April 2nd. It is claimed that this is a good show and that it will please the people.

Some people have been finding fault with Assessor Spry for the occupation assessment, but he is not to blame. The commissioners decided to make the occupation tax uniform throughout the county and made the assessments accordingly.

While the depositors of the defunct bank were waiting to hear how much money there wasn't in the institution the docketers at Clearfield and Brookville began to show how much property some of the "individually liable" stockholders didn't have.—DuBois Express.

"What's in a name?" Well, that depends. For instance, the name of "Ayer" is sufficient guarantee that Ayer's Sarsaparilla is a genuine, scientific blood-purifier, and not a sham, like so much that goes by the name of "sarsaparilla." Ayer's Sarsaparilla is the standard.

THE STAR office force are thankful to Mr. and Mrs. R. S. Williams for some choice wedding cake sent to this office last Friday. Any person of the opinion that printers are not fond of cake, especially wedding cake, would change their mind very quickly if they were to see how quickly a large piece disappears when it gets into the hands of a printer. The "devil" can devour wedding cake with as much satisfaction and delight as it is possible for any person to do.

John E. Burns, an old time employee of the B. L. & Y. C. M. Co., who has been a mine foreman in Rochester mine, for some time, moved to Reynoldsville to-day. His family was one of the first to make a home in the coal metropolis. For a number of years he was prominent in organized labor circles. He represented his ward on the town council a few years ago.—DuBois Express.

WIRE GLASS WORKS.

An Opportunity to Get a Glass Plant at this Place.

C. C. Stauffer, of Kensington, has been in town several days trying to get the citizens interested in getting wire glass works located at Reynoldsville. The capital stock to be \$45,000. The citizens to put in \$22,500 stock and Mr. Stauffer and his partner to put in their patent for wire glass manufacturing and experience for \$22,500 of the stock. The plant would employ fifty men or more. Such a plant would be a good thing for Reynoldsville.

A special meeting of the Board of Trade was held in Flynn's hall last evening which was attended by about forty leading business men. The proposition to put in the plant was considered, the shares were put at one hundred dollars, and a committee of five, Charles Shaffer, William Cox, Charles Herpel, F. M. Brown and A. G. Millin, were appointed to solicit stock and report at a special meeting of the Board Friday evening. It is hoped that all who can will take stock when the committee calls on them. Don't wait until the opportunity to get a good industry in town slips away.

Soldiers Turned Out.

The funeral services of John K. Dunkle, who died from heart trouble, as mentioned last week, were held at his late home in West Reynoldsville at 2:00 P. M., Thursday and his remains were buried in Beulah cemetery. Mr. Dunkle was one of the brave men who left home and friends to go to the front to risk his life and suffer hardships for his country during the unpleasantness between the north and south, and the Grand Army, Sons of Veterans and Women's Relief Corps of this place paid their respects to the departed comrade by attending the funeral. Mr. Dunkle was 60 years, 4 months and 19 days old.

Si Perkins.

Si Perkins last Friday evening was one of the best drawing cards Manager Reynolds had had at the opera house this season. The house was filled. The play was mirth provoking and from beginning to end was one continuous round of merriment. The plot was a good one and was made up by the funniest of dialogues, amusing incidents and laughable complications, together with specialties of every description, which were interwoven with ludicrous situations of each act. The company travels in a special car which was brought into Reynoldsville on the 1:42 P. M. train Friday.

Girl's Arm Broken.

Coxson, of Clayville, sustained a painful accident. She was going down the cellar steps when she slipped and was precipitated headlong to the bottom. Her left arm was broken in two places between the elbow and wrist. Dr. Blaisdell, of Walston, gave the necessary surgical attention.—Punxsutawney Spirit.

Mass Meeting.

The miners held a mass meeting in Centennial hall Saturday afternoon and decided to ask the B. L. & Y. C. M. Co. for a raise of ten cents per ton for mining coal, machine men and all mine laborers to get a raise in proportion to that rate, which would be forty-five cents per ton. The miners elected three delegates to represent the men of Reynoldsville at the district convention to be held in DuBois to-day.

Bad Boys.

Some boys gained an entrance into the ware room of Walter Spry's store Saturday night and carried off a lot of cigars, tobacco and peanuts. They tried to get into the store room but failed. Mr. Spry has a clue of the guilty boys and will likely make them suffer for the robbery. There are a few boys in this town that are developing into "tough" characters and unless they are checked while in tender years will turn out to be criminals of the deepest dye. Their bad deeds should not be covered up too often on account of the parents, for sooner or later such chaps are bound to disgrace their parents and every step down will only add fuel to the flame which will burst forth with more fury upon the parents when it does come.

Clark-Mix Feud Again.

The readers of THE STAR will remember that Warren Mix, of Mix Run, four miles west of Driftwood, on the A. V. R'y was shot by Robert Clark, of Grant Station on the same line of railroad the latter part of April, 1894, for which Clark was tried for murder in the Cameron county court last September and acquitted. Tuesday of last week Robt. Clark got off the train at Mix Run and started to walk to the home of Hiram Mote, where he was going the morning he shot Warren Mix. Newton Mix, for a number of years a fireman on the A. V. R'y, a brother of Warren Mix, saw Clark get off the train and he took his Winchester rifle and followed him and near the spot where his brother was shot Newton opened fire on Mr. Clark and fired seven shots at him. The fourth shot took effect in Clark's left knee.

Over the Hill.

During the big snow drifts of last month the road along what is known as "Paradise hill," just above Prescottville, was drifted so full that travel over the road has been abandoned since then. Last Saturday a man with a team of horses, a wagon and a woman and children therein tried to drive over the road and come up with a mishap. He came to an impassible place in the road and after getting the occupants out of the wagon he attempted to turn his horses and wagon and go down the hill again, but the road was so narrow that in place of getting the team turned the horses and wagon turned over and over down the steep hill until they struck a level place. It is hardly necessary to add that the horses and wagon were not in as good condition when the man got them at the foot of the hill as they were before the accident happened.

A Boy Got Lost.

J. M. Dunn, brother of our townsman, A. E. Dunn, moved from Clarion county to Reynoldsville last Thursday and domiciled his family in the building near Miss Moore's millinery store. Monday forenoon, Robert, a four-year-old son of Mr. Dunn, went down town to buy some chewing gum. It did not take him long to find a store where he could squander his penny, but it was a long distance home again. There were so many buildings that the little chap, who was accustomed to the farm, got confused and did not know his home when he came to it, so he kept going on until he got to Prescottville and there he stood on the street and cried and thus attracted the attention of a kind lady who inquired into the trouble and learned that the boy was lost. He was sent home with a lady who happened to be coming to Reynoldsville. While the boy was tramping to and from Prescottville there was some commotion at the boy's home and search was made for him in all directions. His mother was as much rejoiced to get the boy home as the boy was to get home.

Nuptial Knot Tied.

At five o'clock last Thursday evening Rev. E. Lewis Kelley, pastor of the Baptist church, performed the ceremony that joined I. M. Hoch and Miss Nettie J. Williams in the bonds of holy matrimony. The knot was tied at the home of the bride's parents, Mr. and Mrs. R. S. Williams, in the presence of a number of relatives. After the ceremony an excellent supper was served. The newly wedded pair went to Maysville Friday afternoon to visit the parents and home of the bride. They returned Saturday and went to house-keeping in rooms in G. G. Williams' house, which were furnished before the wedding. Mr. Hoch, who is an operator in the A. V. office at this place, has not reached that age yet to exercise the political privilege of casting a ballot for the private party of his choice, but he is a sober, industrious and nice young man. The bride, who is also young in life's experience, is a perfect little lady. The young couple start out in life with good prospects. THE STAR joins their friends in extending congratulations and wishing them smooth sailing on the high sea of life.

Builders look to your walls. "Adamant" is the perfection of wall plaster and is the result of a life devoted to scientific research. I can show you an interesting story about some of the imitation, H. Alex. Stoke, agent.

We sincerely thank our friends and neighbors for their kindness to us in our time of bereavement.

SHOT IN A COAL MINE.

Thomas Kuntz Accidentally Killed by George Johnston Saturday.

Thomas Kuntz, who would have been sixteen years old sometime next June, was instantly killed by a revolver in the hands of George W. Johnston, Jr., in the Sprague mine Saturday forenoon. The lad was a son of Henry Kuntz, deceased, who was a tailor in Reynoldsville some years ago. After the death of the father Thomas went to make his home with Lewis Wagner and was working in the room with Wagner when the accident happened. If reports be correct, Johnston went to the room where the man and boy were laying track, walked past Wagner, went up to Kuntz and said: "Look here Tom!" and pointed the revolver at him and it went off. The ball entered the boy's forehead just above the eyes. The revolver was so close that the victim's face was burned. Kuntz's funeral was held Monday afternoon, conducted by Rev. H. R. Johnston, and the remains were buried in Beulah cemetery.

An inquest was held Saturday afternoon and the jury gave a verdict of accidental shooting. Johnston was afterwards arrested for carrying concealed weapons and had a hearing before Squire Hays and was bound over to court.

On Friday Johnston had trouble with Mrs. Pat McCloskey, of Rathmel, and he claims that he feared that Mr. McCloskey would jump onto him and on Saturday he carried two revolvers into the mine with him. Mrs. McCloskey appeared before Esq. E. Neff of this place Saturday morning and had a warrant issued for George Johnston for assault and battery and threatening to shoot her. Johnston was brought before Squire Neff Saturday evening for a hearing and was bound over to court on the charges preferred. His father-in-law, T. B. London, bailed him.

While in town Saturday evening people crowded around to see the man as if he was some wonderful curiosity. He is a young man and was married several months ago. He has been almost wild over the sad accident.

Reynoldsville Doctors' Toasts.

A meeting of medical men was held in DuBois last Wednesday afternoon and evening, at which Dr. Roberts of Philadelphia was present and delivered a lecture and performed a surgical operation. Drs. J. W. Foust and S. Reynolds were called upon for toasts at the banquet, and from the Courier we clip the following:
 Dr. S. Reynolds, one of the oldest men in the profession present, was assigned "Our Jefferson County Medical Society." He gave a short review of the association, stating that it was organized September 11, 1877, in Brookville; that Dr. C. M. Matson was its first president and Dr. A. F. Balmer the first secretary, and that the latter had acted continuously in that capacity ever since. Four members had died and the membership at present numbers about forty.

Dr. Foust, of Reynoldsville, gave a very good talk on "Our Wives." He said it was a little like sleighing in July to talk of the ladies when they were not present. He, however, recalled the saying that a good wife is a good thing, and said he could not dissent from it after having had a good wife for more than thirty years. He advised the young physicians who had no wives to get married, and told those who already had wives to learn to appreciate them more.
