Character grows and strengthens continually; each day discovers some change in us, and the change is in a specific direction. There is a tendency in us towards fixity and moral nature. This development of character into distinct and permanent form is rapid. Youth is the formative period of life; then the nature is plastic; it receives impressions easily, and the impressions are lasting.

The Republican county convention was held at Brookville on Monday. The committeemen elected from Reynoldsville were Dr. J. W. Foust, Edwin Hoar and John W. Fink. John W. Reed was declared the Republican candidate to be voted for this fall for President Judge, and James B. Caldwell for County Surveyor. James H. Elkin and P. J. Gill were declared delegates to State Convention. Ed. Carmalt was reelected by the convention for county chairman. By a mistake there was no candidate on the ticket at the primary Saturday for Coroner and the convention nominated Dr. Cochran, of Big Run, for that office.

"How much a man is like his shoes! For instance, both a sole may lose; both have been tanned; both are made tight by cobblers; both get left and right, both need a mate to be complete, and both are made to go on feet. They both need healing, oft are sold, and both in time will turn to mold. With shoes the last is first; with men the first shall be last; when the shoes wear out they're mended new, when men wear out they're men dead, too. They both are trod up on, and both will tread on others, nothing loath have their ties, and both in cline, when polished, in the world to shine; and both peg out. Now would you chose to be man or be his shoes?"-

#### Female Lawyer.

Miss Suhane S. Beatty, who has been stenographer in the Jefferson county court for a number of years, was admitted to practice law at the Clarion county bar last week.

#### Reed Appointed.

Governor Hastings on Monday appointed John W. Reed, Esq., to be President Judge of Jefferson county, to serve until January, 1896, when the Judge to be elected this fall will take the bench.

#### Saw Mill Burned.

One of the largest industries of Paradisc Settlement, the saw mill of Miller & Pifer, owned by Adam Miller and Isane Pifer, was destroyed by fire shortly after twelve o'clock Saturday night, with all the lumber in the yard. The origin of the fire is a mystery. The entire loss amounts to over \$5,000 without any insurance. Unless rebuilt the mill will not only be a loss to the owners but also to the community.

### Republican Primary.

The Republican primary election for Jefferson county was held last Saturday and it resulted in a one-sided election for nomination for President Judge, The candidates were John W. Reed and Wm. F. Stewart. The total vote east was 3,769, of these Reed got 3,034 and Stewart 734. Stewart did not carry one precinct. A purse was raised here Saturday night to get the returns, but the result was too much one way to even make it real interesting for Reed's friends.

### An Operation Sunday.

We mentioned last week that Ray, six-year-old son of Jas. B. Deemer, of Winslow township, had a dried milk weed run into his left check while playing. He and an older brother were playing hunting deer and the older brother accidently ran the weed into Ray's mouth and three inches of it penetrated the inside of his cheek. Last Sunday morning the boy was brought into Reynoldsville and Dr. Howser removed the weed from his cheek in three pieces, 14 inch, 1 inch and 4 inch in length. The check had festered, the weed softened and it was a difficult operation to perform.

# Did Not Get Excited.

The Western Union message boy took a telegram to an employee at the tannery several days ago with 25 cents due on it. The day before was pay day at the tannery and the fellow was already "busted." The man told the messenger to keep the telegram until next pay day, which would be in two weeks. The message boy said he would pay it and the man to pay him in two weeks. The man took the message, stuck it into his pocket without opening it and went about his work. It is perhaps the first telegram the fellow ver received, but he about the contents.

# Eloped to N. Y. State.

Walter D. Williams and Agnes Gordon, of West Reynoldsville, have been indulging in a little romance during the past week by walking to Sandy Valley Thursday noon, boarding a passenger train, skipping to New York state, joining the matrimonial ranks, returning to Reynoldsville after the somber shadows had spread over mother earth Friday night-so says Dame Rumorand secreting themselves two or three days at the home of James B. Orr in West Reynoldsville. The groom will not be sixteen years old until August and the bride is about nineteen. Mr. and Mrs. Williams were greatly opposed to the wedding on account of the boy's age, and that is why the marriage ceremony was performed in New York state. Mrs. James Orr. sister of the bride, went with the runaway couple as far as Falls Creek. In another column of this issue will be found a caution notice signed by Walter's parents.

# Has Been Ordained.

Rev. Paul William Metzenthin, the young minister who supplied the Lutheran pulpit at this place during a three months' vacation last year and on several occasions since then, is now the regular paster of the Reynoldsville charge, which includes the Chestnut Grove and Emerickville Lutheran churches. Rev. Metzenthin graduated from the Berlin University, Germany, in 1892, and on the 4th day of June, 1895, graduated from the Lutheran Theological Seminary in Philadelphia. He was ordained a minister of the gospel on the 10th inst. He preached his first sermon for the Lutheran congregation at this place last Sunday as their regular pastor and an ordained minister. Services hereafter will be held twice every Sunday, morning and evening. Rev. Metzenthin is a very pleasant young man and THE STAR welcomes him to Reynoldsville as one of the messengers to proclaim the "Glad Tidings of Great Joy."

### Two Weddings.

W. H. Moore, one of the young men who recently bought the Shultze & Son grocery store, hied away to Corsica, Jefferson county, last Wednesday and at 8 P. M. of the same day joined hands with Miss Annie Maud Moore at Hymen's Altar for a voyage over life's sea. Rev. Purdy said the words that made the twain one. Thirty-eight invited guests witnessed the ceremony and afterwards help relieve the tables of the choice viands that had been prepared. for the occasion. Mr. and Mrs. Moore came to Reynoldsville Thursday evening and have gone to housekeeping in Mrs. Armor's house on Grant street. Mr. Moore is a promising young business man, and Mrs. Moore is the daughter of Henry Moore, of Corsica, who is president of the Jefferson Milling Co. at Brookville, director in a Clarion bank and an extensive lumberman.

Lawrence M. Snyder, the Jackson street blacksmith, and Miss Ella M. Anderson, daughter of Ex-Sheriff S. P Anderson, of Summerville, were married at the home of the bride's parents at noon on Wednesday, June 12th, in the presence of about fifty relatives of the contracting parties. A repost that would please the most fastidious was served after the wedding ceremony, which was performed by Rev. F. P. Britt, Presbyterian pastor of Corisea. The wedding presents were numerous. The same evening the benedict brought his bride to Reynoldsville and on Thursday morning they went to housekeeping in the Bennett house on Hill street, near Ed. Scaley's.

#### A Town Fountain.

While preparations are being made for celebrating the Glorious Fourth in Reynoldsville in an up-to-date-style, there is one very important thing that should not be overlooked, in fact it is omething the town needs badly all the time, and that is some place where people can slake their thirst. A public place on Main street should be provided for the accommodation of people who come to town. On special occasions when women bring their small children to town they have trouble in finding places to get a drink of water. Reynoldsville has the best water works of any town in this section and the town should, by all means, have a public fountain or hydrant. It is possible the Water Co. would furnish the water free if the town or citizens would put in the hydrant, or what ever is decided upon. We hope to see steps taken in this direction before the 4th of July.

### Be Convinced.

It is seldom that opinions are exactly similar, and the only evidence to be relied upon is the evidence of your experience by comparing the qualities of Fitzegerald wall Plaster with your experiece in the use of other plasters, and you will find the best possible evidence to guide you.

Try it and we will show you that other patent plasters are only a substitute to the old reliable lime and hair mortar improved without any alteration, and that it has none of the defects that time and use have shown to exist in most of the plasters now placed on the markets to-day. A book that will tell you all about its ingredience which no other plaster companies do, can be secured from Math Mohney, agent, a practical plasterer and contractor, Reynoldsville, Pa.

# West Reynoldsville Council.

The West Reynoldsville town council met on Tuesday night of last week, the following members being present: Sam'l Sutter, James M. Moore, G. M. Davis and John Benson. Minutes of last regular meeting and minutes of three special meetings were read and approved. The following bills were presented and ordered to be paid: J. S. Barr \$2.00 for recording deed; H. Alex Stoke \$1,50 for ordinance book; Chas, Herpel \$2.00 attorney fees and fifty cents for burying dog killed by A. V. R'y; semi-annual interest on certificate of indebtedness \$30.00.

# A Pointer.

What is known as the Pleasant Valley spring, near the old Pleasant Valley tipple, has become quite a resort for gambling on Sunday. The participants have become bold and the crowd so large that the officers would have no difficulty in getting a long list of names. The officers should keep an eye on the place and speedily bring to justice all who indulge in eard playing there on Sunday, or any other day.

# The Way of the World.

Last Wednesday the 1.42 P. M. train on the A. V. R'y got as passengers at this place a young man who was on his way to get married, a newly wedded pair and a man who was being taken to Brookville jail for threatening to kill his wife. So the world jogs on.
