The Ferris wheel that was raising an excitement at the corner of Main and Fifth streets for a week or ten days is owned by Mr. Bowditch and the little engine, on wheels, that run the wheel is owned by another man. These two men agreed to disagree last Saturday morning and a dissolution of partnership followed and the connection between the engine and the wheel was severed, and in consequence those who enjoy the dizzy whirl of the Ferris wheel were deprived of that pleasure.  
The members of the Jefferson County Medical Society, with a number of their friends, held a picnic in the DuBois Electric Park last Friday afternoon. The following Reynoldsville people attended the picnic: Dr. S. Reynolds and wife, Dr. J. W. Foust and wife, Dr. A. H. Bower and wife, Mrs. Dr. J. B. Neale, Mrs. P. A. Hardman, J. M. Cancer Removed.  
W. T. Cathers, of Winslow township, was at Adrian Hospital last week and had a cancer removed from the back of his left hand.  
Struck by Lightning.  
During the thunder storm that passed this way Saturday afternoon lightning struck John Glock's house on Jackson street, and Mrs. "Fannie" Beck's house in West Reynoldsville. Both houses were badly shattered. During the same storm lightning struck a fence post on the lot where ye editor lives.  
A Bicycle Track.  
An effort is being made to get a quarter-mile bicycle track at this place. About half the amount required to meet the expense of fixing up the track has been raised already. The track is almost an assured thing. The Clover Cycle Club will have charge of it. Some of the business men have been encouraging the scheme by subscribing liberally to it. Money is the kind of encouragement the boys want.

Tail Corn.  
Harry B. Field, of Kansas City, Missouri, passenger train conductor on the Union Pacific R. R., visited his brother-in-law, Andrew T. Bing, in Reynoldsville last week. Mr. Field says the corn, hay, potatoes and apples are a great success in Missouri this year. He says there is one field—fifty acres—of corn near Kansas City that the corn stalks are eighteen feet high, with three and four ears on almost every stalk.

Big Rattle Snake.  
Wm. H. Ford, Fremont Chambers, John C. Barto and sons, Pearl and Fred, went to the mountains after huckleberries last week, and besides bringing a nice lot of berries home with them they also brought a big rattle snake along. The snake was four feet long and had ten rattles on it. The reptile was curled up in the middle of the road with its head sticking up about five inches. Wm. Ford cut a long stick and attacked the enemy. Mrs. Barto got an ounce of oil out of the snake.

Our Club Defeated.  
A base ball club of Reynoldsville, composed of the following players, with Chas. Milliren as manager, played a game of ball at New Bethlehem last Friday: Jarvis Williams catcher, Chas. Bitters pitcher, John Rielly short stop, Paul Kirk 1st base, John Nolan 2nd, Will McPherson 3rd, Harry Copping left field, Fred Bohren center field, Hugh Rielly right field. The game was not called until 3:00 p. m. and only seven innings were played so the boys could catch the evening train home. Score 11-15, in favor of the New Bethlehem club.

Endeavor Reports.  
The Jr. Epworth League of the M. E. church and Junior Endeavor of the Baptist church joined with the Jr. Endeavor of the Presbyterian church Sunday afternoon in a Junior rally to listen to the report from the Jr. Endeavor meeting held in Boston. Miss Belle Arnold gave the report. In the evening Rev. H. R. Johnson gave a report of the International Endeavor convention held at Boston, Mass., July 10-15, to a large congregation in the Presbyterian church. The seating capacity of the church was not sufficient to accommodate those who went to hear Rev. Johnson's report.

Second Reunion.  
The Northwestern Reunion Association P. O. S. of A., which takes in Jefferson, Clearfield, Clarion and Elk counties, with about sixty different camps, will hold its second reunion at this place on Thursday, August 22nd. The reunion was held at DuBois last year. Camp No. 268, of Reynoldsville, is making all necessary arrangements for the second reunion to be a glorious success. It is expected that this will be the grandest and largest turnout of the Patriotic Order Sons of America ever held in this part of the State. The Reynoldsville Camp will leave nothing undone to afford the visitors comfort and pleasure on August 22nd. Arrangements will be made for excursion rates on the railroads.

Red Men.  
The second anniversary of the Improved Order of Red Men held in the Grand Army hall last Saturday night was a grand success both financially and socially. An excellent supper was served in the hall after which a first-class entertainment was given. The small sum of twenty-five cents purchased a ticket which entitled the holder to a square meal and a reserved seat to hear the entertainment. Ice cream and cake was served during the evening to all who made application for the same and had enough "coin of the realm" to liquidate the expense of such indulgence. The Excelsior Cornet band enlivened the anniversary with some delightful music. The Red Men, their wives and friends were well pleased with the second anniversary, and it is likely they will have a similar "blow-out" when Old Father Time brings in the date of the third anniversary.

Killed on a Railroad.  
J. Pearl Hoffman, son of Frank Hoffman, of Sandy Valley, and Mrs. Kate Hoffman, of Summerville, Pa., was instantly killed on the D. L. & W. R. R. near Hobokin, N. J. on the 23rd inst. Just how the young man was so suddenly ushered into eternity is not known. He left New Hartford, Iowa, July 19th in charge of a car load of horses that were being shipped to Patterson, N. J., and was killed before reaching his destination with the horses. His remains were shipped to Summerville and buried at that place last Friday. The young man was nineteen years old the 5th of last April. Four years ago Pearl spent sometime with J. A. Welsh, the groceryman, in this place and many of the boys were well acquainted with him. In July, 1892, Pearl went to South Dakota where he remained until August of 1894, when he came to New Hartford, Iowa. He expected to deliver the car of horses at Patterson, N. J., and then visit his mother at Summerville, having sent his clothing home with the understanding that he would reach home on the 26th inst. His remains arrived at Summerville on that date, but it was a sad home coming for his mother.

Wheels in Their Heads.  
Men make cities—men of enterprise—men who are not afraid to venture. Conservative citizens who hang onto their dollars, and comfort themselves with the reflection that "a bird in the hand is worth two in the bush," are not the fellows who develop towns into cities. Import into a stagnant and stationary town a colony of hardy Yankees with heads full of steam-hammer, pulley, crank and toothed wheel; with ideas, energy, hustle and courage, and everything begins to shine with values. It gives life to all. They make things spin. The old, contented fellows are astonished at the turn things have taken, but they never suspect the true cause. Jamestown, N. Y., is a sample of what a little Yankee enterprise has done for a slow community. The citizens of Punxsutawney could every one afford to give half they own to induce people with the wheels of industry in their heads to come here and make things hum.—Punxsutawney Spirit. Reynoldsville is badly in need of a few more people with "wheels in their heads."

Editor was Misinformed.  
"We are informed that Rev. W. S. Gearhart, now in charge of the Emerickville circuit, will retire from the ministry at the meeting of the Erie annual conference in September, his purpose being to settle down on his farm near Putneyville, in Armstrong county."

The above item appeared in the Brookville Democrat, last week. Rev. Gearhart was in Reynoldsville on Friday and we asked him about the statement. He said the editor of the Democrat had been misinformed, as he had no intention of giving up the ministry and settling on a farm. A few years ago a small farm was willed to him with a debt of one thousand dollars hanging over it. If he ever gets that paid the farm will be his. The farm, however, so far has been somewhat of a burden to him as he has not received enough off it to pay the taxes and necessary expenses of keeping it up.

New Society Organized.  
At the meeting of the Jefferson County Medical Society held in the Electric Park, DuBois, Friday afternoon, the following new officers were elected: President, Dr. Hamilton, of Punxsutawney; Vice-President, Dr. F. M. Free, of DuBois; Secretary and Treasurer, Dr. A. F. Balmer, of Brookville; Censor, Dr. J. W. Foust, of Reynoldsville. The ladies, who attended the picnic, inaugurated a new departure in the formation of the Ladies' Social Auxiliary of the Jefferson County Medical Society. The officers elected for this new society were, Mrs. Dr. Williams, of DeLancey, President; Mrs. Dr. J. K. Brown, of Summerville, Vice-President; Mrs. Dr. F. M. Free, of DuBois, Secretary and Treasurer; Mrs. Dr. A. F. Balmer, of Brookville, chairman of the executive committee.

Democrat Primaries.  
B. H. Whitehill, Chairman Democratic County Committee, has issued a call for the Democrat primaries to be held on Saturday, August 3rd. At a meeting of the committee men held at Brookville recently they decided not to put a candidate in the field for President Judge, but the chairman's call says "one person for President Judge." There are no candidates out for the nomination for that office. The Brookville Democrat says: "The Democrats of the county will now have a chance to put in practice the old rule that the 'office should seek the man.' They will be compelled to do this, as no man is seeking office."

AN EXCITING RACE.  
Five Bicycle Riders Make Good Time Over Hills and Vales.  
It was announced in THE STAR last week that Will H. Bell was the instigator of a twenty-one and a quarter mile road race that was to take place Friday evening, start to be made at six o'clock and the route to be via Falls Creek, DuBois and West Liberty. At two minutes after six o'clock on the evening set five bicycle riders, John H. Schofield, Frank O. Sutter, Roman E. Koehler, Chas. B. French and Howard Kaucher, shot over the scratch line in front of Bell's store with a determined expression of I-will-cross-that-line-first-on-the-return-trip-if-possible depleted on their countenances. A large crowd was present to see them start. Ed. Gooder was stationed at Falls Creek, Louis Mellinger and Frank Alexander at DuBois, Clarence Reynolds and Chas. McKee at West Liberty and at each place there was a line across the street and as each man passed over it their time was taken and reported to Reynoldsville by telephone. The time was as follows: Falls Creek, Sutter 6.32, French 6.32 and 10 seconds, Schofield 6.32 and 15 seconds, Kaucher 6.33 and 5 seconds, Koehler 6.35; at DuBois: Sutter 6.43 and 30 seconds, French 6.44 and 15 seconds, Schofield 6.44 and 45 seconds, Kaucher 6.45 and 45 seconds, Koehler 6.46 and 45 seconds; at West Liberty: Sutter 7.00 and 10 seconds, French 7.01 and 20 seconds, Schofield 7.01 and 25 seconds, Kaucher 7.02 and 40 seconds, Koehler 7.06 and 50 seconds; at Reynoldsville: Sutter 7.23, Schofield 7.24, French 7.29, Kaucher 7.29, Koehler 7.31. They made the run of 21 1/4 miles as follows: Sutter, one hour and twenty-one minutes; Schofield, one hour and twenty-two and one-half minutes; French, one hour and twenty-seven minutes; Kaucher, one hour and twenty-seven and one-half minutes; Koehler, one hour and twenty-nine and one-half minutes. The last man in made better time than many of the people thought any of them would make. Considering the hills to climb, rough road in some places and the dust, all riders did remarkably well.  
There were people at all prominent places to see them pass by. Main street was alive with people ten minutes before the first rider came in who were anxiously waiting to see how the race would terminate. The race raised the biggest excitement Reynoldsville has had since the Fourth of July.  
It is likely there will be another race over the same route before very long in which more riders will enter and there will be more prizes offered.

We are in receipt of a copy of the fifth annual report of the Pennsylvania Memorial Home, Brookville, for the year 1894, from which we gather the following items: Inmates, Jan. 1st, 28; admitted during the year 27; discharged 19; left, 1; died, 1; remaining Dec. 31, 34. Brookville Fair.  
At a meeting of the Board of Directors of the Jefferson County Agricultural Association, held Saturday last, it was resolved to hold a fair September 24th, 25th, 26th and 27th. The Association has secured leases of the grounds and race track and will offer some \$1,200 in purses for trials of speed, which will insure an interest in the success of the fair in the part of horsemen and the public generally. A committee is now arranging to put the track in the best possible condition, and the work will be completed in a few days. The grounds will be placed in good condition, and the best possible accommodations afforded those who may desire to compete for any of the premiums offered.

A Bicycle Victim.  
A few remnants of what was once, no doubt, a whole man were sitting over on the porch of the Hotel Evergreen one day this week. His eye was blackened and there was a huge cut underneath it. His hand was swollen until it was about three or four inches thick, and he looked a great deal as though he had got up from a dissecting table after the doctors were about half done with him. When he was asked what was the matter with him, he said "Bicycle," and no further questions were asked. Everybody understood him.—Falls Creek Herald.
