The doctor wanted to amputate the arm but the injured man wanted to save it. Blood poison set in and death soon followed.

**Old Soldiers Robbed.**  
Last Thursday two old soldiers, who were at the reunion, hired Thos. Tapper to take them to Sykesville. They were furnished with a horse and buggy and a boy to drive. **Some Pumpkins.**  
W. T. Cox had three or four pumpkins on exhibition at his store last week that are not to be classed with the common yellow pumpkin, either in size or color. The largest one of these pumpkins weighed seventy-five pounds and was raised in Dr. S. Reynolds' garden. The seed was not planted until early in June and was pulled before it was done growing. It was claimed for the seed that it would produce a pumpkin that would weigh one hundred and fifty pounds.  
**Convalescing.**  
Rev. J. C. McEntire, who early in September was very near the Pearly Gates that swing into the Celestial City, has convalesced sufficiently to be able to get on the streets again. Rev. McEntire is a good christian man and his daily life does not discord with the profession he makes. Had the Messenger Death called for the old gentleman he would have gladly responded and gone to the Better Land leaving a good testimony with his friends on earth that it was "Well with his soul."  
**Member Co. A.**  
Esq. W. W. Crissman and wife, of Clayville, came to Reynoldsville last week to attend the reunion and visit friends a few days. Squire Crissman was a member of Co. A, 105th Regiment, and was wounded in the second days fight in the Wilderness by a ball going through both of his thighs. Squire called at THE STAR office, had his name added to our subscription list and informed us that he will be a candidate for nomination for county treasurer next year. Squire was a candidate two years ago and withdrew, but he says he is going in this time to stay until the primaries decides who the Republican candidate shall be.  
**Capt. Lahey has the Cow.**  
Capt. Lahey, proprietor of Hotel Evergreen at Falls Creek, has the five-legged cow in his possession that "Oklahoma Jim" had on exhibition in this place last week. A constable from Washington county, Pa., found "Oklahoma Jim" at Falls Creek Thursday day and was so persistent in having James accompany him back to Washington county, that "Oklahoma" finally consented to go and left the five-legged cow in Capt. Lahey's care until he returns. "Oklahoma Jim," of Brookville, whose proper name is Jas. C. Moore, went into the show business with a citizen of Washington county about one year ago and the partner failed to get anything for his share of the business and that is why Jim was escorted to the county aforesaid.  
**Call again Gentlemen.**  
Judge John W. Reed, who is now President Judge of Jefferson county by appointment of Gov. Hastings, and who will be a candidate for the same office at the November election, and our worthy County Treasurer John Waite, graced our sanctum sanctorum by their presence while attending the reunion in this place last Thursday. These two gentlemen are not only capable of filling the offices entrusted to them but they are genial fellows with whom it is a pleasure to spend a half hour. Judge Reed presided over the Jefferson county court at the September term, which was done with such readiness and ease that he distinguished himself as a trained and finished lawyer and a Judge who is quick in comprehension of intricate questions, swift and accurate in judgment, with ability to expeditiously conduct the business of the court. Judge Reed learned to set type in his boyhood days and was quite an expert in manipulating the distributing roller for a Washington hand press. The type setting was for pass time but handling the roller was for the remuneration there was in it.  
**Didn't Know it was Loaded.**  
Morton Gray, Albert Suttler and Bert Pierce concluded to go pheasant hunting Saturday, and armed with a twenty-two caliber revolver the lads hid away to a patch of woods hard by Gray's home. Gray was stationed near the top of the hillside they had selected as a hunting ground and Suttler and Pierce were to chase the pheasants up to Gray and he was to shoot them. After this was kept up while the two boys came up to see how many pheasants had been killed and found not a pheasant. Gray thought he had shot all the loads out of the revolver and he stretched his right arm out full length with the revolver pointed at his head and said: "Watch me shoot myself," and at the same time pulled the trigger. There was just one ball in the weapon that Gray did not know was there but the doctors located the ball afterwards in the boy's right cheek, near the ear-drum. The ball has not been removed yet. Fortunately the ball struck the cheek bone and glanced towards the ear. Had it gone up a little higher it is probable there would have been a funeral before this time.

Mr. Lucas will enter the field again for county treasurer at the primaries of 1896. Mr. Lucas made THE STAR office a pleasant call.

**HEROES OF THE LATE WAR!**  
ALL HONOR TO THE SOLDIER BOYS WHO DEFENDED OUR FLAG.

Tenth Annual Reunion of the 105th a Glorious Success.

Five months after the rebellion was inaugurated by the rebels firing upon Fort Sumter on the 12th day of April, 1861, a regiment was organized at Pittsburgh, known as the "Wild Cat Regiment," so called from the district in which it was principally raised, nearly all recruited from Jefferson county, so far as the district was concerned. The regiment proceeded to Washington, D. C., and encamped at Kalorama Heights. A company from Westmoreland county joined the "Wild Cats" there. When this regiment crossed the Potomac into Virginia they did so with nothing but clubs to defend them from the enemy and were without uniforms. They were ragged and almost naked. Many of the brave boys who crossed the Potomac never returned to their homes and loved ones again. This regiment participated in engagements at Yorktown, Williamsburg, Fair Oaks, second Bull Run, Fredericksburg, Chancellorsville, Gettysburg, Wilderness three engagements, Spotsylvania, Petersburg eight engagements, Boydton Plank Road, and many others. It was in the battle at Boydton Plank Road that Major John C. Conser of Reynoldsville was killed in the terrible hand-to-hand conflict. The last words of this brave man were: "Fight it out." Major Conser was wounded six times—at Fair Oaks, Fredericksburg, Gettysburg, Auburn, Wilderness, Petersburg, and was a prisoner in Libby. The following soldiers now living in Reynoldsville were in the 105th: Albert Reynolds, T. C. Reynolds, S. E. Brillhart, John M. Hays, Sam'l Lattimer, John Hoffman, Philip Taylor, J. J. Smith, Geo. O. Riggs, E. L. Evans, H. C. Wycoff, Daniel Sharp, John S. Smith, B. F. Haymaker.

The tenth annual reunion of this regiment was held in Reynoldsville last Thursday and for which occasion the town was elaborately decorated with flags, bunting and evergreen, with numerous streamers floating in the breeze with the word "Welcome" on them. Two arches spanned the iron bridge so as to cross and a small cannon was placed on the top of them. The citizens of West Reynoldsville were not behind with decorations. The day was a beautiful one for the autumn season and everything seemed favorable for the old soldiers having a pleasant time, and according to the remarks at the camp fire it was the most enjoyable reunion they have ever participated in. The early trains brought in a number of the veterans, while others drove and walked to town and still others came in on the noon trains. The town was given over to the old veterans for the day. The members of the 105th registered at Esq. John M. Hays' office and received badges and the comrades of the other regiments registered at Esq. E. Neff's office and received tickets for a free dinner, the badges of the members of the 105th passed them into the banquet hall presided over by the ladies of the Woman's Relief Corps, and from statements made on the streets and in the camp fire the ladies touched the hearts—through their mouths—of the comrades who partook of their hospitality. Almost five hundred men, women and children were fed by the W. R. C.

At the places for registering it was found that there were 219 old soldiers in town, 113 of the 105th and 106 of other regiments. The 105th register showed the following: Field and staff 3, Co. A 16, B 17, C 9, D 10, E 4, F 4, G 12, H 24, I 8, K 6.

At 2.30 P. M. the parade formed in front of the opera house and marched through West Reynoldsville, counter marched up Main st. to Tenth, down Tenth to Jackson, down Jackson to Fifth, up Fifth to Main, down Main to G. A. R. hall where ranks were broken. The order of march was as follows: H. Alex. Stoke, Chief Marshal, and L. J. McEntire, B. E. Hoover, W. H. H. Bell Jr., A. M. Wadding and Esq. E. Neff aids; Keystone band; members 105th P. V., 95 in line; carriage containing infirm and disabled veterans; Kingsville drum corps; veterans of other regiments 40 in line; John C. Conser Post No. 192; old soldiers in carriage. One of the bullet riddled and weather beaten flags of the 105th and a stuffed wild cat were conspicuous in the parade. Large crowds of people were scattered along the line of march to cheer, wave flags and hankerchiefs at the old veterans as they passed by. The thirty years that have been struck off the dial of time since the surrender of Lee has robbed many of the soldiers of their alertness and it is only a matter of a few more years until there will not be enough of them left to parade the streets of this or any other town. Since the reunion last year fifteen of the regiment have re-

sponded to the last roll call and have gone the way of all flesh.

After the parade a business meeting was held in the Post room to select a place for the next reunion and elect officers for the ensuing year. S. E. Brillhart presided and John M. Hays was secretary of the meeting. It might not be out of place to mention here that these two gentlemen, especially Mr. Hays, deserve great credit for the success of this reunion. Clarion and Brookwayville wanted the next reunion. The vote showed 54 for Brookwayville and 20 for Clarion. Thos. Hutchison, of Brookwayville, was elected president; Jos. H. Gray, of Pittsburgh, vice-president; J. Nelson Atwell, Sugar Hill, secretary; Henry C. Gray, Brookville, treasurer. The newly elected president and secretary made appropriate and timely remarks. Letters containing friendly greetings from members who could not be present were read.

Mrs. Col. Greenawalt was added to the list of honorary members and a vote prevailed that all widows of deceased members should be made such without individual action.

A committee of five were appointed to compile a history of the old organization. The committee was as follows: John McLaughy, chairman, Col. Jos. H. Gray, Col. Levi Bird Duff, Capt. S. A. Craig, Miss Kate Scott, the regiment's historian.

A camp fire was held in the Centennial hall in the evening. The large hall was too small to accommodate the crowd that wanted to attend the camp fire. The program printed for the camp fire was not carried out, many of the old veterans not being present and others begged to be excused. The program was as follows: Music by orchestra; hearty address of welcome by Hon. S. B. Elliott; happily responded to by Capt. S. A. Craig, of Brookville; toast, "Wild Cats Tamed," Col. James Miller, of Gramplan. Incidents of army life by members of the regiment, was responded to by John McLaughy, Indiana, Capt. S. A. Craig, Brookville, J. M. Dinsmore, Irvin Station, Elder Peelor, Indiana, C. H. Prescott, Cleveland, Col. D. W. Goheen, New Bethlehem, W. W. Crissman, Lindsey, Capt. L. M. Truxell, DuBois, Melton Craven, Kane, Thos. K. Hastings, Punxsutawney, Capt. W. S. Barr, Parker, furnished a substitute who sang a Dutch song, and being encored onto the platform the second time sang one verse of an Irish song and capped the climax with a clog dance. Miss Ethel Winslow recited a very pretty and appropriate selection. John McLaughy and Capt. T. C. Reynolds sang "Marching Through Georgia." The Methodist Episcopal choir interspersed the program with some excellent selections well sung.

**Exaggerated Reports.**  
The daily papers are frequently imposed on by those who send reports for publication. Some one sent a ten-line account of the reunion at this place Thursday to the Pittsburgh Dispatch and added that a fight occurred during the parade in which "several men were seriously injured and Herman Dayton may die. Four arrests have been made." The fight did not occur until two hours after the parade, and only one man was injured and he was able to walk to a doctors office, and there were no arrests made, although there should have been one arrest made. When a fellow kicks another one down and kicks him twice in the head without any just provocation, as we have been informed was done in this case, it is time he gets a generous dose of the law.

**Town is Growing.**  
A number of soldiers who attended the reunion last week, who have not been in Reynoldsville since the war closed, were heard to remark about the wonderful growth of Reynoldsville since that time. If these gentlemen visit the place every two or three years they can notice big improvements. Notwithstanding the dull times of the past two years the town is growing. The new buildings going up settles that matter beyond dispute.

**Oyster Supper.**  
An oyster supper will be served in the West Reynoldsville town hall on Saturday evening, Oct. 29th, for benefit of the West Reynoldsville Tannery Band. Ice cream and cake will also be served. A free musical entertainment will be given by members of the band. All are cordially invited to attend.

**Shot Through Hand.**  
Charley, son of W. H. Bliss of Sandy Valley, was shot through the left hand with a thirty-two caliber revolver Monday morning. Mr. Bliss was going to shoot a hog and sent his son up stairs to get the revolver. Before the boy got the revolver to his father it went off, with the above result.
