Sarsaparilla

## getall Youcain

 to prevent and cure consumption, If taken in time. With good in the beginning stages they improve the appetite, promote digestion and tone up the nervous system. But they properties, and the fat, found phosphites are valuable and Scolts Emulsion. phosphites, contains both of
these in the most desirable form. The oil is thoroughly gested. Sensitive stomachs can bear an emulsion when
the raw oll cannot be retained. As the hypophosphites, the
nedicinal agents in the oil, nedicinal agents in the oil, why not have the benefit of
all ? This combination has stood the test of twenty years
and has never been equalled.
