There was no damage done in this place on hallow'en night that we have heard of. There were a few harmless jokes and a little disarrangement of property in accordance with the time honored custom of the occasion, but there was no willful destruction of property.

Joseph Shober, father of Mrs. J. R. Emery and John Shober, of Reynoldsville, died at the home of his daughter, Mrs. Elizabeth Durgan, in Brookville, on Tuesday of last week, in the 77th year of his age. His death was caused by dropsy. His funeral was held Thursday.

Postmaster General Wilson has issued an order prohibiting such notices as "please send out," or "please post up" being placed on the wrappers of third class mail matter. Reynoldsville sent large delegations to both towns. The Keystone band accompanied both excursions.

The Democratic meeting held in Centennial hall last Friday evening was largely attended. The West Reynoldsville brass band furnished music in front of the hall before the meeting began. The first speaker of the evening was R. M. Matson, of Brookville. Hon. David L. Krebs, of Clearfield, was the second and last speaker. He is an able speaker.

Rev. G. A. Robinson, the soon-to-be new pastor of the Reynoldsville Presbyterian church, will preach in the church this Wednesday evening. It is probable that Rev. Robinson will tell the congregation to-night when he will take up his work at this place, if he accepts the call, and there is little doubt about that. He will not be here next Sunday.

On Tuesday night of last week a "husking bee" was held at the home of David Moore, in Beechwoods. About twenty-five neighbors and friends were present and spent a pleasant evening. One of the number found quite an oddity in the shape of seven ears of corn in one husk, one long ear in the center and six smaller ears around it, all being perfectly formed and joined together at the one end.

The coming season, Tony Farrell will be seen in a grand revival of "Garry Owen," with the scenes laid in the picturesque county of Galway. It abounds in true Irish sentiment and wit, interspersed with the ever popular Gallic songs and dances that recalls, and carries back every true Irish son to the land of their birth. At the opera house Thursday evening. Tickets on sale at Stoke's drug store.

Team Ranaway. While William Dougherty, a Winslow township farmer, was driving down a hill near the old Jenks place yesterday, part of the harness broke and let the back run on to the horse's heels and they jumped like deers and a lively runaway was the result. Mrs. Crawford's Father Died. Mrs. J. W. Crawford received word Saturday afternoon that her father, Claudius Hamilton, who was born in Ireland ninety-one years ago, had died at his home in Delaware, Ohio, that afternoon. It so happened that the 7:52 P. M. train on the A. V. R'y was to run through to Red Bank Saturday night to bring back some excursionists from Pittsburg and Mrs. Crawford was thus enabled to get to Delaware Sunday evening. Rev. Crawford, who could not go Saturday night, left this place on the first train Monday morning for Delaware.

Jumped His Bail. John Hazlet, who worked in this section and got into trouble and got David Hartman to go his bail for appearance at September term of court, and who was conspicuous by his absence when court time rolled around, is now languishing in jail at Brookville so that there will be no doubt about his appearing at the next term of court. The Court gave Mr. Hartman until the December term to look for Hazlet. He learned that Hazlet was over in Indiana county and a man was sent after the ball jumper who caught him and took him to Brookville jail last week.

Annual Ball. The fourth annual ball of the Ancient Order of Hibernians of America, Div. No. 1, was held in the Star building Monday night, November 2nd. When Roscoe's orchestra began playing exhilarating music there were about forty-five couples on the floor to participate in the grand march and before the evening was far spent there were eighty couples in the hall. The hall was tastefully decorated for the occasion. The members of the Order wore the regulation caps and badges, and some of the ladies were dressed in fine costumes. About three o'clock Tuesday morning the music ceased and those who had been whirling in the mazy dance four or five hours, departed for their respective homes satisfied with the success of the fourth annual Hibernian ball. The committee of arrangement were John Delaney, Thomas Shannon and George Bolton.

After a sumptuous dinner Mr. and Mrs. Mabon drove to their own home where a large reception was given them by friends of the groom.

Attempt to Kill a Girl. What seems to have been an attempt at murder took place Sunday evening about 8 o'clock out at the Gillung school house, in Sandy township. Burlay Ferrier, a son of Benjamin Ferrier, lives close to the school house, and Sunday evening as he was sitting with his wife and her sister, Susan Travis, of Reynoldsville, around the lamp, a gun was fired through the door and the bullet passed through Miss Travis' right side. The door stood open, as the evening was not cold and the room had been made uncomfortably warm in getting the evening meal, and while sitting there they heard a footfall on the doorstep, and almost the same instant the report of a gun, the bullet taking effect as stated. It is not known who stepped up to the door, as the party immediately disappeared in the darkness, and the attention of Ferrier was given to the wounded girl. Dr. Jas. Spaekman was taken to see Miss Travis and found that the bullet in passing through her side, had penetrated her liver, but the injury need not be considered fatal.—DuBois Courier. The girl is a daughter of William Travis of "Poverty Flat."

Sanitary Laws will be Enforced. Mention was made in THE STAR several weeks ago that at a special meeting of the town council the president of that body, W. S. Stone, was authorized to appoint officers for a local Board of Health, and names of the gentlemen appointed, the length of their term and the districts assigned them, was published at the same time. The new Board met one night last week and Burgess Robertson administered the oath of office to them. The Board elected the following officers for the balance of 1896: President, D. F. Robinson; Health officer, Dr. J. B. Neale; Secretary, L. J. McEntire. The secretary was instructed to notify the superintendent of the public schools and all practicing physicians in the borough of Reynoldsville that a Board of Health has been organized and that they are requested to comply with the sanitary laws relating thereto.

"Garry Owen." Tony Farrell, the well known Irish singing comedian, made his appearance last night in his new play of "Garry Owen," and judging from the applause bestowed on him, scored an instantaneous success. The play abounds with clear refined comedy and in his singing and acting, reminds one of the famous Scanlon. The vocal selections, incidental to the performance, were quite captivating. We predict a prosperous future for "Garry Owen."—New York World, March 12th, 1895. At the opera house Thursday evening, Nov. 5th.

Every Girl Has Done So. What young girl exists, or ever did exist, but who has secretly placed a four-leaved clover in her shoe with the expectation of walking over a bridge with some young man who will be her future husband, according to the sign? Or who has not placed a wish-bone over the front door to see who comes under it? Haven't we all tried the charm of pulling off the daisy petals to see if "he loves me or loves me not?" Didn't we always name each other's apple seeds to tell the state of a certain young man's affections for us? It is not supposed the girl ever lived who was not glad to see a spider swing from its web in front of her, or who would not sleep on wedding cake, or remember what she dreamed the first time she slept in a bed, or stopped hicoughs by "thinking of the man she loves the best."—Mary R. Niver, Brockwayville.

Firemen Fooled. About one o'clock this morning some one blew the woolen mill whistle because the election returns were favorable for McKinley's election and, naturally enough, the people mistook the blowing of the whistle for a fire alarm and the fire bell was sounded and the firemen responded to the call. It is hardly necessary to add that there was some indignation over the matter.
