LIFE IS UNCERTAIN.

Val. S. Murray Died Sunddenly from Heart Trouble.

Valesius S. Murray's host of friends in Reynoldsville were greatly surprised and saddened on Monday forencon of last week to learn that he had suddenly expired that morning from fatty degeneration of the beart. Mr. Murray, who had lived in this county over fifty years and was well known and highly respected throughout the county, had become better known in Reynoldsville and made many new and warm friends here since his son, Dr. J. H. Murray, located in the town less than two years ago. Mr. Murray was born in the county Langford, Ireland, in 1837, and came to this county when eleven years old, 1848, with his mother, four sisters and two brothers and settled in Gaskill township where he resided until a few months before he died, when he moved into a new dwelling that he had erected in Punxsutawney. His widow, five sons and three daughters survive him. We clip the following from the Punxsutawney Spirit concerning his death and what he was thought of in the community where he had been known over half a century:

Mr. Murray had been at the wake of Mrs. Lalie Brillhart, when, after build-Mrs. Lalie Brillhart, when, after building the fires, he retired with a view to getting a little rest. He apparently slept until a few minutes after eight o'cleck, when the family heard a noise upstairs and ran to his room. He was found lying on the floor, gasping for breath. His face was purple. His son, W. C. Murray, raised him in his arms and placed some liquor to his lips, a W. C. Murray, raised him in his arms and placed some liquor to his lips, a little of which be swallowed. But he did not revive, and died in a few mo-ments in the arms of his son before the

The name of Val. Murray has long been regarded by those who knew his generous, self-sacrificing nature, as a synonym for kindness and liberality. His services, his purse and the products of his farm were always at the of those in need. Genial and hospitable to the last degree, he was ever ready to sacrifice his own comfort to the comfort of others. He followed the dictates of his own heart, which was full of sympa-thy for his fellow-men. He was always an ardent Republican, and was a candi-date for County Treasurer in 1894, but was not successful. He was elected County Commissioner last fall by a large majority, and would have began his official duties on January 1st. Val. Murray was in the fullest sense of the word a good man, and those who knew him best will feel the keenest grief at

day at 2 o'clock P. M. The funeral ad dress at the residence was given by Rev. J. G. Noble in accordance with a request made by the deceased several years ago. Rev. Noble was assisted by years ago. Rev. Noble was assisted by Revs. Palmer and Hartman. The re-mains were laid to rest in Circle Hill cemetery, the order of Odd Fellows, of which he was a member, officiating at the grave.

Died from Over Exertion.

George W. Neff, of Sykesville, who had charge of the Burns House billiard rooms in Reynoldsville a couple of years ago, was found dead near his home on Tuesday evening of last week. It was reported in this place that he had been murdered and robbed of a watch and \$12.00, which is false. A jury was empaneled by 'Squire J. L. Long, in the absence of the coroner, and an inquest held. The verdict was: "Heart failure, brought on by over exertion and excitement."

By the evidence given at the inquest The Italian man and woman who it appears that a small boy, while passagainst the door and Mr. Neff came out and ran after the boy and after running several hundred feet dropped dead.

All the type in this office is comparatively new and of the latest styles, but in order that the office may keep up with the procession and turn out better work than heretofore, the new type has been added. A new lot of wood type was bought so that we are now able to print large posters.

M., Wednesday, Dec. 30th, by Rev. E. L. Baumgardner, in the presence of a few invited friends. Miss Rilla Howard, of Brookville, was bridesmaid, and Frank Reynolds was best man. After the wedding ceremonies and congratulations an excellent supper was served. The young couple left on the 7.50 P. M. train, amidst a shower of rice, for Brookville and went from there to Pittsburg the following day. They returned to West Reynoldsville Saturday evening and were given a large reception at the home of the groom's parents. About thirty invited guests were present at the reception. The West Reynoldsville Cornet band, of which the benedict is a member, serenaded them. Mr. Woodring is an industrious young man and his wife is an excellent young lady.

Bracket Dam Experience.

Lewis Ludwick, of Paradise Settlement, who has a saw mill on the banks of Trout Run, had an experience on the bracket dam at his mill at noon yesterday which he will never forget. The dam was full of water and Mr. Ludwick had raised the splash gate about two feet high when he accidentally fell into the dam above the gate and was carried under the gate by the mad waters and over the forty-foot chute and down the rapids into the whirlpool below. It is a miracle that he escaped with his life. He says he has thought of just such an experience but always considered it an impossibility for a man to go through it and live. The best farm in Jefferson county would not be an inducement for him to go through the same thing again. His pocket book and seven dollars found a watery grave. Mr. Ludwick, who is well on in life's journey, was none the worse yesterday afternoon from his close call and thrilling experience.

Called a Pastor-Annual Meeting.
