Snow balls were flying thick and fast on Main street early Saturday evening, hurled through the air by the muscles of a number of small boys. They made themselves liable for arrest, but no officers happened to come along at that time.

Three fellows were locked up Saturday night for rowdyism and profanity on the streets. Two of them had to remain in durance vile forty-eight hours because they lacked a sufficient amount of the "coin of the realm" to pay their fines.

Several Reynoldsville fellows were arrested last week for malicious mischief and forcible entrance into a house on Poverty Flat. They were to have been tried before 'Squire Johnston's tribunal. but the case was settled without a trial before the Squire.

An exchange very pertinently remarks: "The man who attempted to run a newspaper to suit everybody has been planted under a juniper bush, and the katydids now sing his evening dirge, and a mule-cared rabbit stands as a sentinel over his grave."

From first to last Mr. Lindsey held the closest attention of his hearers. The impersonations of the characters from Dickens' Copperfield and Nickleby were so realistic that one almost forgot that but one man was speaking .- Du-Bols Courier. Assembly Hall Friday evening, Feb. 26th.

Esq. Neff, who makes application for pensions for old soldiers and soldiers' widows, received official papers yesterday to the effect that a pension of eight dollars per month, dating from July 13th, 1892, has been granted to William Hill of Prescottville. That will give William the snug sum of \$440,00 back pension to start in with. Almost a small fortune for one in his circumstances.

James Cox's Mishap.

James Cox, of Washington township, met with a mishap in West Reynoldsvilie yesterday afternoon. Jim was homeward bound and when near the West End Hotel he accidentally fell off his cart. The horse ran a short distance and kicked the cart to pieces. Jim gathered up the pieces and put them in a pile along side the public highway, got on the horse's back and rode home.

Improvement in Hotel Belnap.

John C. Dillman, proprietor of Hotel Belnap, has had some improvements made in the interior of that hostelry, which gives the hotel a spacious and pleasant dining room. The partition between the dining room and writing room has been torn out and the dining room now extends to the front of the building, the parlor on the second floor has been converted into a writing room and another large room has been fitted up for a parlor.

Last of the Course.

Rev. J. Bell Neff, of Erie, lectured in the Assembly Hall Friday evening. His subject was "Into the King-row and Crowned a King." This was the last lecture of the course under the auspices of the public schools. Neff did not give the satisfaction that Col. Ham and Dr. Nourse did, but we think our people were highly pleased with the course, and that Prof. Lenkerd and the public schools are to be congratulated on giving the four entertainments for the price of the season tickets, \$1.20. It is expected that next season four first-class lecturers can be secured and the season tickets be sold for \$1.00.

Later in the evening the feasters will repair to the Unique Nonpareil Social Club rooms, in the Nolan Block, where good music will be in readiness, and they will squander a few hours in "tripping the light fantastic."

J. T. Kelso Dead.

J. T. Kelso, who was at one time a teacher in the public schools of Reynoldsville, died at his home in Punxsutawney on Sunday, Feb. 14th, aged 51 years. His death was caused by grip and stomach trouble. We clip the following from the Punxsutawney Spirit:

"J. T. Kelso was a son of James Kelso, of Clover township, and was born March 3, 1846. Early in life he began teaching school, at which he was very successful. He enlisted in the army when a very young man, and served in the six months and afterwards in the bundesd. months and afterwards in the numerical day service. When he returned he taught school in Punxsutawney for a number of years. He then moved to Reynoldsville, where he also taught Reynoldsville, where he also taught Reynoldsvnie, where he also taught school for several years. Later Mr. Kelso returned to Punxsutawney, where he taught school for a little longer, after which he went into the grocery business, in which he has been engaged for the past ten years. As a school teacher Mr. Kelso was carnest and teacher Mr. Keiso was carnest and sincere. He had the rare and valuable faculty of inspiring his pupils with a thirst for knowledge. As a merchant be was energetic and reliable, and was rigidly honest in his dealings with his fellows."

In the Clutches of Uncle Sam

Mike Cloak, of St. Marys, Elk county, was arrested in DuBois last Wednesday for raising a \$1.00 bill to a \$5.00. Cloak tried to pass the bad money in the barrrom at the St. Elmo. When Cloak was arrested and searched the officer found on his person all the stencils. brushes, chemicals, ink and colored carbon pencils necessary for the business of raising bills to higher denominations. He was given a hearing before United States Commisioner Herron, Cloak was unable to state where he got the bill and his explanation for having the "outfit" with him was that he had the pencils, &c., for the purpose of "making valentines for the boys." He could give no good reason for being in DuBois. He was "just going about and made one of his periodical visits to the town." He failed to state facts to substantiate his claims of innocence and in default of \$500.00 bail was taken to the Allegheny county jail Thursday afternoon to await a trial before the

An Awful Scourge.

There are quite a number of people in Reynoldsville that are either suffering with grippe or just recovering from an attack of it. The Pittsburg Advocate says: "If our country had in it to-day half as many typhoid fever, smallpox or cholera cases as it has of grippe, our people would be panic-stricken. In fact we are suffering form a terrible plague, and we seem scarcely to realize it. The prevalence of damp, foggy weather this winter has done much to spread the grippe germ, and in many places the epidemic has seriously interfered with Mrs. Thomas Kirkman, of Peale, Pa. church services and with business. This influenza is responsible for so great the guest of Charles A. Dickinson, the a number of deaths that we would be groceryman, several days since our last seriously frightened were any so-called serious disease the cause of them. One of the terrible things about grippe is its after effects. In a very large proportion of cases it leads to heart-failure, pneumonia, quick consumption, bronchitis, catarrh of various organs, and other diseases. Its presence among us is a matter for individual concern. It is a present duty for each person to take the best possible care of himself during institute, and will, no doubt, be largely the raw days of spring. If the disease develops, the patient should immediately house himself up, and remain indoors until he is sure of recovery. In many cases patients should keep in bed for days. Any triffing with this trouble is

Neist stuck his head out between two box cars just as the car he was on struck the bridge and his head came so violently in contact with the bridge that the top of his head was crushed. He fell from the car through the bridge into the river. The young man lived a few hours after the accident.

Why hasn't some ingenious and thoughtful Reynoldsville lady established a public bath room for ladies only. There would be considerable pin money in the scheme. Several of our barber shops keep up public bath rooms for men, but there are no such opportunities for ladies whose homes do not afford them the luxury of a large bath tub with plenty of hot and cold water. It eems as though the scheme might pay.

An old-time re-union and an oldfashioned reception will be held in the Star block to-morrow evening. Supper will be served at one of the hotels. Opening Ball.

The latter part of December a social organization, to be known as the Unique Nonpareil Social Club, was organized in this place. The officers elected were: James Delaney, president; M. J. Coyle, secretary; Guy Corbett, treasurer; Harry Copping, Jay W. Evans and George Bolton, trustees. There are forty-two members in the club, and their rooms are on the second floor of the Nolan block. Monday evening the club gave an "opening ball" in their club rooms. Music was furnished by Roscoe's orchestra and supper was served at Hotel Belnap. A large crowd attended and the mazy dance was indulged in until the night was far spent. The club rooms were handsomely decorated for the ball. It was a pleasant affair.

Utopia Club Given a Banquet.

Six years ago a number of married ladies of Reynoldsville organized a society known as the Utopia Club, the object of the club being intellectual advancement for the members. Soon after this club began weekly meetings the "lords" of the members, without any special object in view, called themselves "Rebeccas." During the six years the "Rebeccas" have talked of giving the Utopia Club some kind of a 'blowout," but it always ended in talk until last night, when the "Rebeccas" gave the Utopia Club a banquet at Hotel Imperial. Several hours were spent in the dining room eating good things and giving "toasts." The most prominent among the parlor amusements was completing a "floral story," which each one was given a copy of to fill in the blank spaces.

"Squeers' School."

It was in those familiar scenes from "Squeers' School" that Mr. Lindsey displayed his dramatic talent with great effect. The scenes in this story must be well rendered to satisfy a Canton audience, and the applause showered upon Mr. Lindsey as he closed with "Nichotas Nickleby's" haughty defiance and final subduing of Old Squeers, was evidence enough that the reader had satisfied his hearers .- Canton (O.)
