She was different-different at every
point; and yet if he turned away and
glanced at her from the corner of his
x . eye there was an indescribable likeness.

his misery, which at one time last
night nesomedi quite a suididal comples-
lon, but I reluonstratod with him, and he

The latter looked at the arclitect, and
seemed to hesitite whether or not to pro-
eeed, but the emotion by which he was
possessed was too moch for him; he wit
