Sunday School Convention.

The Washington Twp. S. S. Ass'n, auxiliary to the Jefferson Co. Association, held its summer convention with the Sandy Valley Union Sunday school Friday, Aug. 6th. An interesting convention throughout was the verdict of those present. The attendance was good, though it certainly would have been larger had not the belated haying and on coming oats kept many at home. The following are some of the leading features of the convention: An address, on "Necessary Preparation for S. S. Work," by Rev. A. Z. Myers, followed on same subject by McCurdy Hunter. Discussion on "Objects to be arrived at in S. S. Teaching," by A. T. McClure and Rev. A. Hill and Himes. Rev. A. A. Bird gave a most interesting outline of Paul's travels and missionary work from a map. It was well worth attending the convention to hear this feature alone, and it was both entertaining and instructive. Dr. Conway was expected for the evening service, but was detained. Rev. Myers, by request, took up the subject omitted in the afternoon, "How Shall a S. S. be Induced to Read the Bible?" The question box, by Rev. G. H. Hill, brought out some helpful suggestions. A paper by Miss Margaret Smith, on "Obstacles to Success," was helpful and well received. Excellent recitations were given during the day by Miss Curtis Patterson, Miss Ella McClure and Miss Nellie Smith.

An interesting feature of the convention was the singing by Grove Summit Quartette. Excellent music was also furnished by the Falls Creek choir, Miss Roberta Ayres and Rev. A. G. Mills. The election of officers resulted as follows: President, Rev. A. Z. Myers, of Aliens Mills; vice president, A. T. McClure; secretary, John Waite, P. O. address, Reynoldsville; treasurer, McCurdy Hunter. President Timlin and Secretary Hunter retire from office feeling that the year's work has been a success and that the work in the township is prospering. The Association has a banner and map that is given at each semi-annual convention to the schools that are entitled to them, as follows: The school giving the most money per capita for missionary work during the six months gets the banner, and the school having the largest increase of membership during the six months gets the map. The union school at Coal Glen got the banner this time and the Baptist school at Mill Creek carried home the map.

Something to Depend On. Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into hasty consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen bottles cured her sound and well. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to do this good work. Try it. Free trial bottle at H. Alex. Stoke's drug store.

THE KITCHEN

Is one part of the house that cannot be neglected. It must have a proper outfit of cooking utensils, just such as we offer in our magnificent stock of A1 hardware. Inferior hardware isn't worth buying at any price, because it's too poor to be serviceable. Good value furnishes the only genuine cheapness. It's the good hardware that's cheap, not the low-priced trash, scarcely worth taking as a gift.
