Special Meeting Council. A special meeting of the town council was held Thursday evening, President Stone in the chair. Members present Spears, Elliott, Hoover and Corbett. Chairman of the finance committee reported he had arranged with those persons holding bonds, which are now due, to hold them until collections of taxes were made by the collector. Mr. Cox, borough treasurer, was present and stated he was prepared to pay the bill of damages awarded to Mrs. Sanders as soon as ordered by the council to do so. Mr. Elliott, chairman of the street committee, made a report of the sewerage up Piteh Pine run, from Sandy Lick Creek to Grant and Fourth streets, and after some discussion on the matter and in consideration of the fact that the recent Legislature had passed an act relating to the construction of sewers in boroughs, which act had not yet been received, it was deemed advisable to take no action in the matter until a full understanding of its meaning had been had. The clerk read a letter from C. Mitchell, Esq., attorney for J. J. Sutter, stating that Mr. Sutter proposed to have the matter of the request for a sidewalk, from Jackson street to Pleasant Avenue, returned to court as a nuisance, to be followed by indictment against the borough officers for neglect of duty, for not furnishing or making the public highways reasonably safe for public travel. On motion the letter was referred to the Solicitor for his opinion. On motion a sidewalk was ordered to be built on the east side of Grant street, from the south line of Joseph Hunter's lot to the south line of Mrs. Rhodes' lot. On motion a sidewalk was ordered to be built on the west side of Grant street from Pine Alley to F. S. Hoffman's lot. Ordinance committee presented ordinance No. 43 which was ordered read on first reading. The finance committee, together with the Solicitor, were instructed to confer with the attorney in the Sanders case and have an adjustment of the cost thereof made, so that an order can then be drawn for the amount due at the next regular meeting. Don't Abuse His Authority. James Degnan and John Dillman, two of Reynoldsville's good natured citizens, were in town on Monday. Mr. Degnan is a large lumberman employing, generally two or three hundred men, with whom he is always exceedingly popular. Mr. Degnan is a gentleman all the way through, and treats every man in his employ just as he would treat a millionaire. He does not believe, as some small bosses appear to, that a little authority over men, gives a man license to be a blackguard. When "Jim" wants to pitch into anybody or be haughty and overbearing, he always hunts up a man who isn't working for him. Hence his popularity.—Punxsutawney Spirit. Birthday Party. Mr. and Mrs. W. R. Martin, of Hill street, entertained a number of young people at their home Friday evening, Aug. 20th. The party was given in honor of their eldest son, W. J., this being the birthday anniversary which made him a voting citizen of the U. S. After having a musical treat, the guests retired to the dining room, where refreshment were served. At a late hour the young people wended their way home, feeling that they had spent a very delightful and social evening together. Blooming Out of Season. In Presiding Elder Smith's lot, at the corner of Long avenue and Church street, there is a Siberian crabapple tree ornamented with some very well developed blossoms. It is an unusual sight but easily explained. When Rev. Mr. Smith purchased the property he made many changes, and in so doing took up this tree and planted it in another part of the lot; the moving put back the development of the branches and buds of the tree, and they are just now coming along, some months behind time.—DuBois Courier. MINERS PAID IN FULL. The Company Notified Those Who Would Not Work to Remove Their Tools. Two weeks ago Monday the miners in the employ of the Jefferson & Clearfield Coal & Iron Co. at this place held a mass meeting, on account of the company discharging an Italian who had been a delegate at a convention held here a few days previous, and because the company refused to collect the checkweighmen's pay through the office. A committee was appointed to wait upon the manager immediately and report his answer to that meeting. The answer concerning the grievances mentioned was not satisfactory to the majority present and it was then and there decided to suspend work. This made the strike an entirely local affair. Last Wednesday afternoon another mass meeting was held and a vote was taken as to whether the strike should be continued or declared off. The majority was favorable for a continuation of the strike. At this meeting it was decided to demand an increase in price of mining, as follows: pick mining to be increased from 30 to 40 cents per ton, and machine mining from 25 to 32 cents. This gave the strike more than a local aspect and it was expected, and hoped by the men here, that the miners at the other works of this company would join in the demand for an increase. On Saturday the company paid all the miners up in full and on Monday posted up the following notice at the company store and several other places: REYNOLDSVILLE, PA., Aug. 23, '97. To all miners and other employees of Soldier Run mine: You are hereby notified that all miners and former employees who have not arranged with Mr. Bell, superintendent, to go to work, will be given until Tuesday next, August 24th, to get their tools out of Soldier Run mine and remove from our property. We give our former employees a fair opportunity in the above notice and such as do not care to avail themselves of it are expected to comply with the above promptly, and seek other employment. We have paid you in full and made settlement to date. J. & C. C. & I. Co. LUCIUS W. ROBINSON, Gen'l Manager. A few of the men made application for work, some went into the mines yesterday and removed their tools, but the majority of the men ignored the notice. MINERS OUT AT DUBOIS. About one hundred and fifty miners of this place and Rathmel walked to DuBois Monday to attend a meeting called to be held at that place at 9.00 A. M., but there was no meeting held until evening. A representative from the Pittsburg district addressed this meeting. We have been informed that the DuBois men were four to one in favor of coming out at that place. They came out there yesterday morning. BLOOMINGTON MINES. The miners at the Bloomington Co. mines, near Rathmel, who came out last week because the company locked their new checkweighman out of the scale house, took their tools out of that mine Monday and the mine is idle. About ninety men worked in this mine. The company had a man at the scales to weigh the coal and the men elected, what they considered a capable and suitable checkweighman to look after their interests, but the company refused to allow the man to serve by locking him out. The men claim they don't get full weight for the coal they mine and load and think that is why the company refused to admit the new checkweighman elected by them. The Bloomington Coal Co. men were paid off in full yesterday afternoon. ELEANORA. About one hundred miners walked from this place to Eleanora yesterday afternoon to attend a meeting there to get the men to join in the strike. As we go to press this morning we have not learned the result of the meeting. It is likely that the Eleanora men will join in the strike. Prohibition Convention. The Prohibitionists of Jefferson county will meet in county convention in Hilderbrand Hall, Falls Creek, Pa., Monday, August 30th, at 2.00 P. M., for the purpose of putting in nomination a ticket to be presented to the voters at the ensuing election, and to transact such other business as may properly come before them. S. SHAFER, Chairman. C. K. HAWTHORNE, Secretary. Card of Thanks. We take this method of giving expression of our thankfulness to the friends and neighbors who were so kind and helpful during the illness and after the death of our son, Albert Mark. MR. AND MRS. C. M. MILLIREN. Card of Thanks. I highly appreciate the kindness shown me by my friends and neighbors after the death of my wife, and hereby give expression of my gratitude for the same. ALFRED WIGGETT.
