See Hill's fine all-wool suits for \$5.00. Do not suppose that because it is recommended for animals that Arnica & Oil Liniment is an offensive preparation. It will not stain clothing or the fur skin. For sale by H. A. Stoke. Down's Blistr will cure any cough or cold, no matter of how long standing. For sale by H. A. Stoke.

Colder weather is here, Fall and Winter Garments are needed. Here's the place to get them. The fact that our goods wear twice as long as those sold by other dealers is in itself conclusive evidence of the matchless inducements we offer.

See the Men's Suits we sell at \$5.00. Strictly all wool and cut in the very latest Fall styles. We couldn't sell them for less than \$8.00 if we had bought them as other houses bought theirs. But we didn't. We bought ours when woollens were away down in price. To-day the manufacturers ask more at wholesale for these goods than we sell them at retail.

Then we have some better ones at \$6.00, 7.00 and \$8.00. These suits are made of stylish, all-wool Cassimeres, Cheviots and Meltons, cut in popular sack styles, lined, trimmed and finished in a splendid manner. Each suit perfect fitting, each button hole done with care.

Overcoats

That Excel in Style and Quality. That's the kind we have, the kind we built our reputation on. We have them from \$3.50 to \$15.00

They are made of medium and heavy-weight Meltons, Cheviots, Kerseys, Cassimeres, Mixtures, Etc., all well trimmed and made throughout; in fact, any other store in this town will ask you from \$2.00 to \$4.00 more for these same overcoats than we sell them at.

— PRESERVE YOUR HEALTH —

Protect yourself against sudden changes in the weather, so common this time of the year, by wearing the proper weight Underwear. We have it. Over 300 cases, all bought by us direct from the manufacturers before the recent rise in prices. These all go on sale this week at prices lower than present wholesale figures.

25c for men's serviceable 50c for men's extra fine natural wool Underwear, value 50c. pure camel's hair or natural wool Underwear, value 75c.

In making a selection of Goods for Fall and Winter Wear

It is important that the choice should be made from a thoroughly up-to-date and well assorted stock. Then there is no possibility of getting goods of doubtful style. Our offerings of

DRESS GOODS, LADIES' JACKETS AND CAPES

Can be accepted as being absolutely correct, care having been taken to secure exclusive, but popular styles. In every department the articles presented will be found of a quality to command approval. Prices are wonderfully small for such value. Such goods as we have will serve better purpose elsewhere than on our shelves, and we sacrifice profits to make quick sales.
