**Personally-Conducted Tours via P. R. R.**

The Personally-Conducted Tourist System of the Pennsylvania Railroad Company is the highest perfection yet attained in railway travel; it affords all the comforts and conveniences of modern railway equipment, and at the same time eliminates all anxiety and annoyance inseparably connected with individual travel.

For the season of '97 and '98 it has arranged for the following tours:—

**California.**—Four tours, leaving New York, Philadelphia and Pittsburg January 8, January 27, February 16, and March 19. With the exception of the first party going and the last returning, all of these parties will travel by the "Golden Gate Special" between New York and California, stopping at interesting points en route.

**Florida.**—Four tours to Jacksonville will leave New York and Philadelphia January 25, February 8 to 22, and March 8. The first three admit of a sojourn of two weeks in the "Flowery State." Tickets for the fourth tour will be good to return on regular trains until May 31, 1898.

Tickets for the above tours will be sold from all principal stations on the Pennsylvania Railroad.

For detailed itineraries, giving full information, address Thos. E. Watt, Passenger Agent Western District, Pittsburg, Pa., E. S. Harrar, Division Ticket Agent, Williamsport, Pa.; or Geo. W. Boyd, Assistant General Passenger Agent, Philadelphia.

**How to Be Handsome.**

It is a mistake to suppose that the only way to be good looking is to be born so. Good health has more to do with good looks than anything else. Such diseases as constipation, dyspepsia, liver complaints, rheumatism, nervous disorders, &c., not only shorten life, but spoil tempers, and "looks." Bacon's Celery King for the nerves cures these troubles. H. Alex. Stoke sells it and will give you a sample package free. Large size 25c. and 50c.

Do not suppose that because it is recommended for animals that Arnica & Oil Liniment is an offensive preparation. It will not stain clothing or the fairest skin.

For sale by H. A. Stoke.  
Down's Balm will cure any cough or cold, no matter of how long standing.

A single trial of Dr. Henry Baxter's Mandrake Bitters will convince anyone troubled with costiveness, torpid liver or any kindred diseases, of their curative properties. They only cost 25 cents per bottle.

**The Hicks 1898 Almanac and Paper.**

We are informed that the 1898 Almanac of Prof. Irl R. Hicks is now ready, and judging from its past history, it will not be many weeks in finding its way into homes and offices all over America. It is much larger and finer than any previous issue. It contains 116 pages, is splendidly printed and illustrated on fine book paper, having the finest portrait ever given of Prof. Hicks. It can no longer be denied that the publications of Prof. Hicks have become a necessity to the family and commercial life of this country. His journal, *Word and Works*, aside from its storm, weather and astronomical features, has taken rank with the best literary, scientific and family magazines of the age. Do not believe hearsay and reports. See the Hick's Almanac and paper for yourself. You will then know why they are so popular. They are educators of the millions, and unrivaled safeguards to property and human life. It is matter of simple record that Prof. Hicks has foretold for many years all great storms, floods, droughts and tornadoes, even the recent terrible droughts over all the country.

The Almanac alone is 25 cents a copy. The paper is \$1.00 a year with the Almanac as a premium. Send to WORD AND WORKS PUB. CO., 2301 Locust St., St. Louis, Mo.

**Public School Day.**

The value of a school depends upon the parents, pupils and teachers. Good schools require good parents, good pupils and good teachers. Our united efforts will not only make the schools a success, but will make the work pleasant and bring personal advantages.

That parents, pupils and teachers may become better acquainted, and especially that parents and patrons may see the good work that is being done in our public schools, and that they may show their interest in the welfare of the boys and girls of our county, I designate Thursday, December, 2nd, 1897, as Parents' and Patrons' Day in Jefferson County, and respectfully invite the citizens of each district to lay aside their duties and pay a visit to their respective schools.

It is my desire that the real work and worth of our public schools may be recognized; I accordingly request teachers to carry out the regular school program. No special literary exercises should be introduced on this day. I desire that each teacher forward a report of the number of citizens met in the school, immediately after this occasion.

R. B. TRITRICK, Supt.

**Embossed in Gold.**

To buy and reproduce famous paintings involves an expenditure that could hardly be borne unless, as in the case of *The Youth's Companion*, the enterprise is sustained by the approval of more than five hundred thousand subscribers. The Companion Souvenir Calendar for 1898, a series of charming figure-pieces, faithfully copied in colors and embossed in gold, is recognized as one of the richest and most costly examples of this form of art. Yet every new subscriber receives it without additional charge. Moreover, the paper is sent free to new subscribers every week from the time the subscription is received until January, 1898.

The popular price of *The Companion*, \$1.75 a year, and the character of its contents, make it a paper for every household. Exceptional attractions are promised for the fifty-two numbers to be issued during 1898. The Rt. Hon. W. E. Gladstone, the Hon. Thomas B. Reed, Rudyard Kipling, Lillian Nordica, John Burroughs, W. Howells and Max O'Rell are prominent in the long list of eminent contributors named in *The Companion's* announcement, which will be sent free to any one addressing THE YOUTH'S COMPANION, 205 Columbus Ave., Boston, Mass.

Colder weather is here, Fall and Winter Garments are needed. Here's the place to get them. The fact that our goods wear twice as long as those sold by other dealers is in itself conclusive evidence of the matchless inducements we offer.

See the Men's Suits we sell at \$5.00 Strictly all wool and cut in the very latest Fall styles. We couldn't sell them for less than \$8.00 if we had bought them as other houses bought theirs. But we didn't. We bought ours when woollens were away down in price. To-day the manufacturers ask more at wholesale for these goods than we sell them at retail.

Then we have some better ones at \$6.00, 7.00 and \$8.00. These suits are made of stylish, all-wool Cassimeres, Cheviots and Meltons, cut in popular sack styles, lined, trimmed and finished in a splendid manner. Each suit perfect fitting, each button hole done with care.

See our big line of Men's Working and Dress Gloves. Also our big line of Men's Heavy and Dress Shirts. Also over 3,000 pairs of Boys' Knee Pants, Iron-clad and All-wool.

**Overcoats**

That Excel in Style and Quality. That's the kind we have, the kind we built our reputation on. We have them from

\$3.50 to \$15.00

They are made of medium and heavy-weight Meltons, Cheviots, Kerseys, Cassimeres, Mixtures, Etc., all well trimmed and made throughout; in fact, any other store in this town will ask you from \$2.00 to \$4.00 more for these same overcoats than we sell them at.

**PRESERVE YOUR HEALTH**

Protect yourself against sudden changes in the weather, so common this time of the year, by wearing the proper weight Underwear. We have it. Over 300 cases, all bought by us direct from the manufacturers before the recent rise in prices. These all go on sale this week at prices lower than present wholesale figures.

25c for men's serviceable, natural wool Underwear, value 50c.

50c for men's extra fine, pure camel's hair or natural wool Underwear, value 75c.

\$1.00 for men's fancy, heavy-weight Underwear, nice and soft as velvet, 6 different colors, pearl button finish, value \$1.50.
