Is your peculiarity, and peculiarities not be recognized. We study the figures of our customers and we fit them with absolute exactness. Our figures also fit our customers pocket-books to a nicety. only clothiers

In the town, and what is more, our goods are not made in sweat shops, but are all hand made, button holes are hand made, and there is nothing the matter with the following prices: Suits or Overcoats for \$4.00, 5.00, 6.00, 7.00, 8.00, 9.00, 10.00 and up to \$15.00. Boys' Suits from \$3.00 to 10.00. Child's Suits for \$1.00 to 5.00. Mothers, see the fine line of Reefers for your boys.

Poet, Orator and Genius.

Fred Emerson Brooks, the poet, orator and genius who appeared at Assembly hall last Friday evening before a large and appreciative audience, made a decided hit. Besides the intense patriotism with which his nature bubbles over, and his inimitable wit and humor, he has excellent oratorical powers—a fine baritone voice. There seems to be no dialect, nor character, nor sound of animals about the farmyard that he cannot imitate. He has the ability to win his hearers and had no difficulty in carrying his audience from the humorous to the pathetic. "Palestine," "Sherman's March to the Sea," as told by an old blind soldier, and "Pickett's Charge at Gettysburg" were master pieces. For two hours he highly entertained his audience. He stirred their patriotic sentiment, touched the fountain of tears with his pathos and made them roar with laughter at his wit and humor.

Three Murder Cases

In the courts of Elk county last week Frederick Rockwell and Patsy Banya were found guilty of murder in the first degree, which will give the sheriff of Elk county two hanging jobs. Rockwell was convicted for murdering Lewis Haines on the 21st of last December. This was Rockwell's second trial and second conviction for the crime stated. His counsel secured a second trial for him. He murdered Haines so he could marry Mrs. Haines, who promised to marry him if Haines was out of the way. Patsy Banya, an Italian, was convicted for murdering Perotti Augusto, a fellow-countryman, at Dagus Mines on July 25th. Both have been sentenced to be hanged. Saturday John Sobol was found guilty, in the same court, of murder in the second degree and was sentenced to 12 years and 6 months in the penitentiary.

Mozart Symphony Club.

Musical critics were unanimous last night in their praises of the excellency of the programme presented by the Mozart Symphony Club before a large and delighted audience at the Y. M. C. A. Hall. The committees in charge of the Star Course deserve the thanks of all lovers of music for enabling them to hear such talented soloists, who seem to vie with each other as to which number in the programme should be selected as the most perfectly rendered or the most artistically performed.—Cincinnati Critic.

At Assembly hall Saturday night, Nov. 27th. Tickets on sale at Stoke's drug store.

Pop Corn Caught Fire.

There was considerable excitement at Bohren's confectionery store about seven o'clock Monday evening. Annie, small daughter of Mr. Bohren, accidentally dropped a match into a barrel of pop corn balls. Annie was the only one in the store and by the time she gave the alarm to her sister, Marie, the blaze was almost as high as the ceiling. A man happened to come in and he threw a piece of carpet over the barrel and carried it into the back yard. The greasy tissue paper that the balls of corn were wrapped in was inflammable and burned like a flash. Mr. and Mrs. Bohren were not at home, they were in DuBois.

Died from Childbirth.

Mrs. William Dacey, of Rathmol, died at 8.00 P. M., Thursday from childbirth. The baby girl, who was 12 hours old when the mother died, is getting along nicely. Funeral services were held in the Catholic church at this place before seven o'clock Saturday morning and the remains were taken to Pittsburg on the 7.40 A. M. train for burial. Evangelist Coming.

Mr. Schiverca, the famous evangelist, will be here about December 1st, and will conduct a series of meetings in Centennial hall. Mr. Schiverca is the evangelist who so successfully led the union services in DuBois a year ago, and is one of Mr. D. L. Moody's trusted lieutenants. Speaking of Mr. Schiverca as an evangelist Mr. Moody says: "It would be hard to find his equal." While here he will hold three services daily, morning prayer service at 9.30, afternoon Bible reading at 3.30, evening service at 7.30. The day meetings will be held in the Baptist church. Mr. Schiverca has asked that a chorus of one hundred voices be organized. Will the singers rally to this effort? A meeting of the chorus will take place at the Baptist church Friday night at 8.15. Come and help. Mr. Schiverca will only promise us one week of meetings, being willing to stay longer only on condition that the meetings prove great things. Preparatory meetings are now being held every night at the Baptist church, with cottage prayer meetings every afternoon. Your earnest prayers are requested that the meetings may move the town. Many feel that such an opportunity as this has never before come to Reynoldsville. A motto is suggested for the work: "Resolved, that we trust God and fight sin." All in favor of the resolution, fall into line. J. M. D.

Ab. Recapitulates.

Editor STAR:—In your issue of last week you cast some reflection on the business manager of the opera house, and I wish to explain to the public why the Carrol and Johnson minstrel show bills were not posted. They were booked for Tuesday, Nov. 16th; their paper arrived here by express Saturday afternoon, Nov. 13th, and having "The World Against Her" Co.'s papers up, and the 14th being Sunday—it would not be in keeping with my religion to post show bills on the Lord's Holy Day—and to post the bills on Monday and show on Tuesday would be very short notice. But to recapitulate, the truth of the matter is: having not heard from the show, or receiving any notice by newspapers of where they had played in the state, I came to the conclusion that like many a good show before them, they had gone in for "repairs." A. REYNOLDS, Manager.

A Large Crowd Attended.

The free entertainment given in Centennial hall last evening under the auspices of Camp 268, P. O. S. of A., was attended by a full house. A good choir and the High School Orchestra furnished the music. State President Colburn and State Secretary Weand were present and delivered able addresses. The object of the meeting was to give the public an opportunity to become better acquainted with this Patriotic Order. After the meeting was dismissed the members of the Camp and the two visiting officials repaired to the P. O. S. of A. hall and had a social time together.

Voted Monday.

On account of the mines being idle at this place Saturday the miners did not vote for the officers of the Checkweighman Association, recently organized, until Monday morning. We did not get the vote cast here, but understand that the following candidates run ahead at this place: Patrick McHale, for miners' agent; Thomas J. White, for district president; John Frell, for secretary; James Robinson, for treasurer. At the convention to be held next week the vote of the district will be counted.

Stroke of Paralysis.

C. E. Andrews, one of New Bethlehem's prominent and highly respected citizens, had a stroke of paralysis Saturday evening and is in a critical condition. The entire left side of his body and the right side of his face were paralyzed. He is not able to speak. Mrs. M. J. McEnteer, of Driftwood, formerly of this place, is a daughter of Mr. Andrews. Mr. McEnteer and family were hauled to DuBois on a special train Sunday morning in time to catch the excursion train to New Bethlehem.

Drove too Fast.

A Rathmelite was arrested Friday night for abusing his horse and fast driving on the streets of Reynoldsville. Frank P. Adelsperger tried to stop the man once or twice and was unsuccessful, but the fellow made one trip too many up and down Main street and was caught by Adelsperger. He was put in the lock-up and his horse was put in a barn and cared for. Saturday morning the fellow was not so hilarious when taken before Mayor Stoke. The fine and costs were \$5.00.

Was it an Hallucination?

Some of the citizens of the east end of town aver that they have met a strange being on Main street, near Tom Reynolds' barn, which they think is the Devil. It meanders that section after dark and meets only one person at a time. It is described by some as being a big black thing with eyes like balls of fire. Others say it is a headless thing.
