Thomas G. Sample, of Pittsburg, Vice Chancellor of the K. of P., in his address in this place last Wednesday evening said: "The man who lives entirely for himself is the most selfish man that lives, and he had better cry for himself, for no one will cry for him when he dies."

The Punxsutawney Spirit says: "The fact that no rich gold mines have been discovered in Jefferson county within the past year speaks volumes for the veracity of Jefferson county editors." There is not another county in Pennsylvania where the editors are as careful about sticking to the truth of the matter as they are in Jefferson county, don't you know, Bro. Smith.

Thursday, December 2nd, has been appointed by County Superintendent Teitrick as a day for parents and patrons to visit the schools of Jefferson county, and as it is a new departure it is to be hoped that a large number of people in each district of the county will visit the schools to-morrow. Parents should be interested enough in the education of their children to visit the schools occasionally. We think that Prof. Teitrick is wise in setting apart one day in the year as parents' day. If you have never visited the school try to make it convenient to make a visit to-morrow. Reynoldsville has one of the best schools in the county and the only thing necessary to convince you of this fact is for you to go and see.

The County Commissioners have not as yet made any arrangements for taking care of the prisoners in the jail during the remodeling of the same, but expect to find quarters for them either at Ridgway or Huntingdon. Brookville would be the most convenient on account of the close railroad connection but they have no jail over there—only an excuse for a jail.—Clearfield Republican.

If either one of the editors of the Republican should happen to get into the county jail they would find it a pretty good "excuse." It is high time, however, for Clearfield county to fix up the dilapidated old thing, called a jail, from which prisoners can escape without even sawing off bars. And say, Brethren, when you get the old jail remodeled, get some live officers in your county who will catch some of the murderers that do an occasional job over there.

We are indebted to Governor Hastings for a copy of a pamphlet of over three hundred pages, containing sixty-two bills passed by the Legislature of 1897 which the Governor carved up with his veto ax. Many of the bills were for the appropriation of the state's money for various purposes. Some of the bills vetoed, in our estimation, would have been all right to place on the statute books. Governor Hastings has been severely criticised by some of the Republican papers of the state. No doubt he needs a little of the criticism bestowed upon him, but there is one thing sure, he saved this Commonwealth thousands of dollars. No later than Wednesday of last week the Kane Republican, of which Col. Lucius Rogers is editor, "ripped the Governor up the back" for his outrageous extravagance in fitting up the already palatial Executive Mansion at Harrisburg. The Republican says: "And this is not the only case of outrageous extravagance on the part of the present Executive of this state. Others will be noticed hereafter." What's Rogers kicking about? Among the bills vetoed we find an act "to provide for the ordinary expenses of the Executive, Judicial and Legislative Departments of the Commonwealth," &c., and in one paragraph of that act we find this: "To the Chief Clerk of the Senate for the payment of Lucius Rogers for services as clerk to the Senate appropriations Committee, during the session of 1897, the sum of \$1,000." Because Roger's didn't get a slice of the tax-payers' money, now he proposes to squeal on the Governor. See? Some of the other newspapers that are howling may have been touched by the Governor's veto ax.

**Foot Ball Game.**

Thanksgiving afternoon the "Indians" of Punxsutawney were scalded by the "Pirates" of this town in a lively game of foot ball to the tune of 28 to 0. When the two teams lined up, Punxs' sent the ball well into the "Pirates" territory and was caught by Hoon, who made a good run before being downed. The ball was then given to McDonald and left end for 5 yards. Gibson was given the ball but was too slow and was downed. He was given the ball again and pushed over the line for a touchdown. Gibson kicked goal. Punxs' again kicked off and the ball was caught by Foster, who made 10 yards. McDonald took the ball for a 20 yd. run around left end. The ball was near the line and Gibson was pushed over for a touchdown and kicked goal. Punxs' kicked off and the ball was caught by Hoon, but downed without much gain. McDonald then made a short gain around left. Bohren around right for 15 yards. McDonald got around left again for 10 yards and also through center for 5 yards. First half ended with ball on the Punxs' 5 yard line. Score 12 to 0.

On the second half Reynoldsville kicked off and Knarr got the ball and made a short gain. McKallip, Knarr and McCartney, in succession, failed to gain and the ball was given to Reynoldsville on 25 yard line. McDonald was given the ball and with poor interference ran 25 yards for a touchdown. Gibson kicked goal. Punxs' kicked off and the ball was caught by Foley and downed, after going 15 yards. Bohren around right for 5 yards, Gibson through center for 3 yards. Then Hoon, McDonald and Bohren each made 3 yards. Gibson and Bohren each failed to gain and the ball was given to McDonald who made a nice 10 yd. run for a touchdown. Gibson kicked goal. Punxs' again kicked off and the ball was caught by Hoon and downed on the 30 yd. line. McDonald was given the ball and made 7 yards. Bohren and Gibson each 5 yards. McDonald again skipped around left end for 10 yards. Gibson was then given the ball and pushed over for a touchdown, but failed to kick goal. As time was up this ended the second half. The line up was:

PIRATES	POSITION	INDIANS
Williams	left end	B. Ford
Foster	left tackle	Graff
Ferris	left guard	Brown
Burns	center	Boney
Myres	right guard	Spencer
Foley	right tackle	McKallip
Malloy	right end	F. Ford
Hoon	quarter	L. Hastings
Bohren	left half	Knarr
McDonald	right half	Campbell
Gibson	full back	G. Hastings

Score, Pirates 28, Indians 0. Referee, Woodward, Umpire, Bohren. Linesmen, Young and Smith. Timer, Foley. Subs., McCartney for L. Hastings, Zeitler for McKallip. R. Williams for Malloy. Time, 20 and 25 minute halves.

**Thanksgiving Day.**  
REYNOLDSVILLE, Nov. 25, 1897.  
Editor STAR:—This is the day set apart by the president of the United States to remember God for his merciful providence, and to render Him thanks and praise and glory for the fruits of the earth, and every good gift that comes down from above. It is known as Thanksgiving day, and it ought to be observed by all in the manner specified; but neither a game of football nor a pleasure excursion is such an observance. I hope THE STAR will have the moral courage to say so, just as it said that Sunday excursions were not just the proper thing for this great land.

I feel very thankful to God to-day that there is at least one paper in the country that is not mean enough to countenance Sabbath desecration. Consecrated to right, justice and truth, the press is a wonderful power for good, but it, too often, becomes the devil's organ by making gain its only aim.

**The Surprise of All.**  
Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into hasty consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen bottles cured her sound and well.
