Benham, pastor of the Tabernacle Presbyterian church in Pittsburg, who about ten years ago was a summer supply in the Reynoldsville Presbyterian church, tendered his resignation to the Pittsburg congregation Sunday to accept a call to a large and wealthy church in Baltimore, Md.

Cut His Hair Like Dr. Neale's. A few days ago a five-year-old 'hopeful' of this place secured a pair of scissors and, going where he could not be observed, proceeded to cut his hair. When discovered he had the hair on top of his head trimmed short, leaving it long at the sides. On being asked why he had done it he replied: 'I wanted my hair cut like Dr. Neale's.'

The Dead Woman Objected. A lady died in Reynoldsville not long since who had requested that her remains be buried at a place some distance from here. After she died the friends decided to bury her in a Reynoldsville cemetery. Several members of the family went to the cemetery and selected a lot and when they returned to the house the dead woman raised her head and said: 'I knew you would not bury me where I wanted you to.' That settled it. The woman was taken to the place she had requested for burial. The above story was told for a fact by a member of the family.

Large Wedding. At 5:00 P. M. last Wednesday a beautiful home wedding occurred at the residence of Mr. and Mrs. Robert Mason, on Worth street, when their daughter, Miss Jeannette Mason, was led to hymen's altar by Ross Myrtle. The marriage ceremony was performed by Rev. W. F. Reber, pastor of the Presbyterian church. Over one hundred invitations had been issued and most all the invited found it convenient to be present, and hence, it was a large wedding party. After the nuptial knot had been nicely tied by the talented Divine and congratulations were extended, an elegant wedding feast was spread for the guests. The bride and groom were the recipients of a number of useful and pretty presents.

Taken to Dixmont. On Monday of last week information was made before Squire W. L. Johnston in West Reynoldsville against James C. Caylor, and son, Alfred L., aged about seventeen years. Constable Samuel Brillhart, of West Reynoldsville, went to Washington township and arrested the father and son, who are both insane, and took them to the county jail. Judge Reed was absent and an effort was made to get a Judge from some of the adjoining counties to hear the case as to insanity, but the efforts were unsuccessful. Judge Reed returned Saturday noon and promptly looked after the matter and issued an order of lunacy and on Monday morning Sheriff Burns and Fred Burns took Caylor and his son to Dixmont. The Warren Insane Asylum is full, is the reason why these two were taken to Dixmont. We understand that Caylor has a daughter in the Warren Asylum.

'Poverty Flat' Again. There has been considerable complaint about the conduct in a certain house on 'poverty flat,' and one week ago Sunday night, between twelve and one o'clock, Burgess J. C. McEntire, of West Reynoldsville, heard a commotion on 'poverty flat' and he went to the house whereof complaint had been made and he found about fifteen young men there, some of whom were engaged in 'bescaling up housekeeping,' and the man and woman of the house had been chased up stairs. Burgess McEntire got the names of some of the fellows and they were arrested. Three of the fellows for whom the constable had warrants, resisted the officer and handled him roughly. The 'poverty flat' trouble was fixed up by the young men paying damage and costs, but assaulting and resisting the officer has not been settled, nor is it likely to be settled. One of those who resisted the officer is now under \$600.00 bail.

In Our New Location. The past week has been a trying one on the temper and patience of THE STAR office force, but we all seemed to be equal for the emergency, even the 'devil' kept in a good humor. THE STAR is now very comfortably located in its new quarters on the second floor of the Froehlich-Henry brick block, where we hope all our old friends, and many new ones, will find us when they wish to pay their subscriptions, become new subscribers or want job work done. In a few weeks we expect to have a good printing plant as can be found in Jefferson county.

The Froehlich-Henry block, which was completed a few weeks ago, is one of the finest brick blocks in Reynoldsville. The first floor is occupied by J. C. & S. C. Henry's grocery store and Froehlich & Henry's clothing store. On the second floor will be found Dr. B. E. Hoover's dental rooms, Smith M. McCraigh's law office and THE STAR printing office.

THE SILK MILL MAN HERE.

The Work of Constructing the Silk Mill to be Started Immediately. J. W. Place, the New York gentleman who is at the head of the American Silk Co. that is to erect a large silk mill in Reynoldsville, arrived in town Monday afternoon. The work of putting up the buildings will soon begin and will be pushed rapidly to completion. The machinery for the mill has been ordered and is now being made. Mr. Place expects the mill to be ready for operation inside of three and a half months.

The contract for the erection of the buildings has not been let as we go to press, but it is probable that it will be let to-day. The main building will be 330 feet long, 46 feet wide, two stories high, stock room, office and boiler house annexed. The building is to be brick. It will require fast work to get the buildings ready in the time expected by Mr. Place.

Ford-Smeltzer. On Monday evening of this week Miss Minnie E. Smeltzer, of Reynoldsville, and C. Z. Ford, of Waterford, N. Y., were united in marriage at Rochester, N. Y., by Rev. Charles E. Hamilton, pastor of the First Methodist Episcopal church of that city. From Rochester Mr. and Mrs. Ford went to Waterford, N. Y., where they will make their future home. Mr. Ford having a position with the Ford Manufacturing Co. at Waterford.

Minnie had a legion of friends in Reynoldsville who will truly wish her happiness as Mrs. Ford. She is the daughter of Mrs. Kate Smeltzer, of Jackson street, and was one of Reynoldsville's finest young ladies. She was quiet, unassuming and well educated. She was very successful as a school teacher, having taught a number of terms in Reynoldsville and vicinity. She taught the primary grade of the Prescottville school the past term, which closed last Wednesday. Minnie was a young lady who deserved an excellent husband, and we understand she has secured one. THE STAR wishes Mr. and Mrs. Ford success and happiness in life's journey.

Asked for an Increase of Pension. Last Friday Representative Robbins introduced a bill in Congress providing for an increase in the Pension of Samuel Lattimer, ex-mayor of this municipality, to \$50.00 per month. Mr. Lattimer was a member of Co. C, Second Pennsylvania Volunteers. At Antietam on the 17th of September, 1862, he was wounded in the right side, and at Petersburg on the 21st of June, 1864, he was wounded in the left leg. Mr. Lattimer has been a great sufferer from these wounds. For many months he has been confined to his home on Third street. Fifty dollars a month is little compensation for the pain that this old soldier has had to bear. Mr. Lattimer was born in Brookville April 6th, 1833. He enlisted in Brookville Sept. 21st, 1861, in Company C, Second Burden U. S. S. S., and was discharged February 22nd, 1865. He was in the following battles: Gainesville, Auburn, Bull Run, Brandy Station, Antietam, Wilderness, Chancellorsville, North Anna, Gettysburg, Sulphur Springs, Kelley's Ford, Groveton, Mine Run, South Mountain, Spotsylvania, Fredricksburg, Cold Harbor, Wapping Heights and Petersburg.

Birthday Surprise Party. Wm. H. Binney was given a birthday surprise party Friday evening, March 18th. Between forty and fifty young people assembled at his home on Jackson street while William was at lodge and when he returned the surprise was sprung on him. William soon recovered, however, and with his friends enjoyed a very pleasant evening. They were entertained with music, games and refreshments were served, and at a late hour the guests departed wishing him many happy returns of the day. He was the recipient of many presents, among which was a handsome rocking chair.

Good Concert Company. The citizens of Annville had the pleasure of hearing the celebrated Orpheus Quartette Wednesday evening in a few of their choice selections. They certainly deserve all the nice things that have been said about them, and we hope to soon have the privilege of hearing them again.—Annville Journal. With the Ella Carr Concert Company at Assembly Hall Saturday evening, March 26th.

Free Biscuit and Hot Coffee. Four days of last week the Reynoldsville Hardware Co. had a range stove on exhibition at their store and the public was invited to call and see the stove and to partake of hot biscuit baked in the stove and drink a cup of hot coffee. Two tables were set in the store room and an average of one hundred persons per day ate biscuit and drank coffee there.

An Appeal for Cuba.

The following letter, written by Rev. T. DeWitt Talmage, should reach the hearts of all our citizens and meet with a ready and generous response: NEW YORK, March 9, 1898. DEAR FRIEND: The sad and distressful condition of the starving people of Cuba—no farther distant from our happy shores than is Philadelphia from New York—is presented in the enclosed pamphlet for your kind and sympathetic consideration.

750,000 lives are in the balance. 250,000 of these have starved too long now to be saved, and unless we come quickly to the rescue, death will soon claim the remaining half million. With most of them it can at best be a matter of only a few weeks; but what pen can describe, what heart can conceive the intense suffering they will undergo, the slow and agonizing torture they must endure before they finally succumb to the inevitable! Mothers are even now walking the streets of Cuba with babes dying or already dead in their arms, piteously pleading for a little watered milk or thin gruel in the hope of saving their little ones.

A kind Providence has blessed us with plenty; we have enough and to spare. Let us, then, of our abundance each contribute our share that our poor, helpless neighbors may eat and live. We plead for those who cannot plead for themselves, and we feel sure that this personal appeal to you in their behalf will not be in vain. Yours very cordially, T. DEWITT TALMAGE. Believing that our people, who have ever been ready to extend a helping hand to the unfortunate, need but an opportunity of doing so again, I most respectfully and earnestly appeal to our citizens to make whatever contributions they can. H. ALEX. STOKES.

Persons feeling disposed to respond to Mayor Stokes's appeal for aid for the Cubans can hand their contributions to Mr. Stokes within the next two weeks and he will forward the money to the proper persons so that the provisions purchased will reach the starving people in Cuba. The names of all persons who contribute, and the amount, will be published in THE STAR.
