ANNOUNCEMENTS.

FOR ASSEMBLY—

HENRY I. WILSON,
OF BIG RUN BOROUGH.
Subject to action of the Republicans of Jefferson Co. at the primary election June 18, '98.

Deeds are fruit; words are but leaves.
"Kindness is the high tide of the soul's nobility," says Faber.

Many people find their only happiness in forcing themselves to be unhappy.

When we are young we waste a great deal of time in imagining what we will do when we grow older; and when we are old we waste an equal amount of time in wondering why we waited so long before we began to do anything.

The Republican primaries will be held on Saturday, June 18th and the county convention will be held on the following Monday. The Democratic primaries will be held on Saturday, June 25th and the county convention at Brookville on the following Monday.

The Postoffice department has audited the account between the United States and Spain and finds a balance approximately of \$50,000 due this country, at the date of severance of friendly relations. Spain is one of the very few nations with whom we have no money order system being used with that nation and colonies. The foreign division of the Postoffice Department has experienced considerable difficulty in the past in collecting balances due from Spain.

At the Republican State convention held in Harrisburg last week the following State ticket was nominated: Governor, Colonel William A. Stone, of Allegheny; Lieutenant Governor, General J. P. S. Gobin, of Lebanon; Secretary of Internal Affairs, General James W. Latta, of Philadelphia; Superior Court Judge, Judge William W. Porter, of Philadelphia; Congressmen-at-Large, Samuel A. Davenport, of Erie, and Galusha A. Grow, of Susquehanna county.

Looking to the future, there is little risk in predicting that when our war with Spain shall have passed into the realm of history it will be found that we are only standing on the threshold of a new and better era in our political and commercial development. The assumption of our proper place among the great powers of the world will take away the taint of provincialism from our politics and will prove a sovereign cure for the mental and moral hypochondria which is one of the weaknesses of our national character. The freedom of Cuba will be a glorious object lesson to other down-trodden millions of men, and the wonderful island that is soon to echo to the tread of American armies will afterward present one of the fairest of all possible fields to American merchants. In a few years we may expect to have always ready a fleet and an army with which to hold our own against all comers. We shall win our self-respect by making other nations respect us, and we may be sure that the flags of our merchant marine will follow the flags of our battleships to the uttermost ends of the earth.—New Orleans Times-Democrat.

Hon. George R. Dixon, of Ridgway, in a Memorial Day address at that place said: "No man in all the world has as much reason to be proud of his country as an American. The Scot from 'the land of the leal' may love his hither-tipped mountains or the banks of the Bonnie Doon; the son of the Emerald Isle may swell with pride at the mention of the land of Curran and Emmet, of the shamrock and the harp, of orators and poets; the German may love to chant the 'Watch am Rhine' and to dream of the 'Faderland'; the sons of Italy may love the banks of the yellow Tiber where the skies bend to the earth to kiss the fevered brow of man; the haughty Spaniard may still revere the cruel history of his native land and desperately contend for its effete systems; the Englishman loves England; the Frenchman, France. But, my friends, there is no country half so beautiful as this our own country, whether ours by birth or by adoption. There is no government on earth half so beneficent as our own. There is no flag kissed by Heaven's breeze half so lovingly, or that waves and floats with half the grace, or that is greeted by lovers of freedom with half the enthusiasm as is the stars and stripes. There is but one flag, it is 'old glory.'"

BOROUGH "DADS" MEET.

Three Ordinances Passed First Reading— Millage Laid—Bell Tower to be Moved.

The regular monthly meeting of the borough "dads" was held last Wednesday evening with President Elliott in the chair and the following members present: Henry Delbie, J. C. Ferris, Albert Reynolds, B. E. Hoover and Richard Smith. Minutes of previous meeting read and approved.

Mayor Stoke presented two petitions signed by a majority of property owners in interest and number abutting on the lines of Willow Alley and Gordon Alley, requesting the council to construct and build a public sewer in the said alleys.

Ordinances Nos. 50 and 51, providing for sewers on Willow Alley and Gordon Alley, passed first reading, and Ordinance No. 52, for the protection of grass plots, from four to six feet between sidewalk and travelling way of street, passed first reading.

Dr. R. DeVere King, W. T. Cox and Frances Smith appeared before council and requested that the fire bell tower be removed from its present location. A motion was made to remove the tower within twenty days, but the motion was lost. The three gentlemen were informed that if a petition was presented for the removal of tower it would be considered at next meeting.

Mayor Stoke reported fines collected to be \$1.00.

Secretary of Board of Health reported receipts to be \$9.00.

The following millage was laid for 1898: Borough 3 mills, bond 3 mills, water 1 mill.

On motion the ordinance prohibiting the sale of firecracker was suspended and permission granted to sell and use the same on July 2nd, 4th and 5th.

Bills to the amount of \$186.53 were ordered to be paid.

Council adjourned to meet Saturday evening, June 4th.

ADJOURNED MEETING.

An adjourned meeting of council was held Saturday evening. A petition, with ninety names attached to it, was presented asking that the fire bell tower be removed from its present location. The petition was accepted and a committee appointed to see that the tower be moved back to the town lot beside hose tower.

The finance committee was instructed to make out duplicates.

The street commissioner was instructed to assess dogs.

The street committee was directed to have a survey made on South side of Main street, from Hotel Belnap to Hotel McConnell, to establish a grade for sidewalks and be ready to report at next meeting.

War Book.

In our advertising columns will be found an announcement of Ex-Senator John J. Ingalls' forthcoming book, entitled "America's War for Humanity." Canvassing agents will find in it a book of remarkable interest, and certainly of extraordinary salability. The history of the war is told in picture and story, and in a way that always characterizes the brilliant pen of Senator Ingalls. In narrating the incidents of this war he finds grand scope for his superb descriptive and analytical powers. The theme is worthy of the author, and the author is worthy of the theme. It is published by N. D. Thompson Publishing Co., of St. Louis, Mo. It will be a monumental work that will not only be everywhere read, but it will be a monument to his genius that will outlive in history his brilliant senatorial career. The subscription book trade and the canvassing agent are fortunate in the fact that an author of such rare ability has been enlisted in their interest.
