Hip Broken.

Mrs. F. M. Lucas, of Rathmel, aged sixty-five years, fell one day the first of last week and fractured her right hip. The fracture has given her great pain and suffering since.

Month Without Law.

The members of the Jefferson County Bar Association will take a month's vacation, beginning June 27th, and ending July 25th. This means that all the law offices in the county will be closed during that time and that the people of the county will have to manage to exist without legal advice for four weeks.

Viewers Appointed.

At the May term of court Lawyer G. M. McDonald, of this place, presented a petition to the court for a public road from Hopkins to West Reynoldsville. On Monday of this week the court appointed County Surveyor Caldwell, of Brookville, John Howlett and C. A. Stephenson, of Reynoldsville, as viewers for the public road petitioned for.

Our Club Scalped Clarion.

The Reynoldsville ball team drove to Clarion Monday to play the Normal club. On account of the rain the game was not called until 4.30 P. M. and then only five innings were played. The game was a good one and our boys were the victors. The score was 3-2. The boys drove to Clarion in the morning and home that night. It made a long drive -sixty miles-for one day and play ball besides.

Died in Hospital.

James Hutchison, a bachelor of Brockwayville, aged sixty-three years, died at the West Penn Hospital in Pittsburg at eight o'clock Sunday morning. His remains were taken through this place on the noon train Monday to Brockway ville where funeral services were held at the home of Mrs. W. B. Moorhead sister of the deceased, at 1.00 P. M., yesterday, and the remains were taken to the Beechwoods cemetery for interment.

Petition for School Building.

The citizens of Hopkins will present a petition to the court, through their attorney, W. H. Stamey, for a rule to show cause why the Winslow township school board shall not erect a school building at Hopkins and maintain a school there. It is claimed that there are fifty children of school age residing at Hopkins. The town has a post store and railroad ticket offic residents of the town think they are entitled to a school house.

There'll be a Big Time Here.

HEAVY ELECTRICAL STORM.

Two Houses Struck by Lightning-One Considerably Damaged.

During the heavy electrical and rain storm Sunday afternoon the dwelling houses of Matthew Mohney, on Jackson street, and George Sprague, on Main street, were struck by lightning. The damage to Mr. Sprague's house was small and none of the family were effected. Lightning struck the top of the cupols of the house and came out above one of the windows of the cupola. Lightning struck the chimney of Mr.

Mohney's house. A portion of the electrical bolt ran down the chimney and another portion ran down the sheet iron in the valley of the roof. It is a miracle that Mr. Mohney's family escaped with their lives. Mr. Mohney had gone up stairs for his glasses and was standing near the chimney when the house was struck. He was stunned for a few seconds. Seloe was in the dining room sitting near where the lightning bolt ran around the wall and he was knocked unconscious for a few seconds. Other members of the family were on the back porch, near where the lightning ran down the side of the house, and they escaped without injury. Two bed rooms and hall up stairs and the dining room and parlor down stairs will have to be replastered. The paper on the walls, where the lightning ran, was scorehed but the house did not catch fire. Mr. Mohney estimates the damage at \$200.00.

Michael Martin Dead.

Michael Joseph Martin, who was resident of Reynoldsville over a quarter of a century, died at the home of his daughter, Mrs. L. J. Arnold, in West Reynoldsville at 2.20 P. M., Friday, June 10th, from tumor of stomach. The deceased, who was a good stone mason, was well known in this section. He was born in County Mede, Ireland. December 8th, 1836, making him 61 years, 6 months and 2 days old at time of death. July 22nd, 1861, Michael Martin was united in marriage to Miss Mary Mulvany in County Mede, Ireland. They came to America in 1864 and took up their abode in Albany, N. Y., where they resided six years, and in October, 1870, moved to Reynoldsville, where they lived until May, 1896, when they moved to New Kensington. The 22nd of last month he came to West Revnoldsville to visit his daughter and was not able to return home again. His wife arrived in this place the evening before he died. He was the father of twelve children. three of whom preceded him into the Eternal World. Following are the names of the nine children, who with their mother, survive the deceased: James E., Mrs. L. J. Arnold, Michael L., Margaret J., Mrs. Frank McGordic, Ella B., Agnes G., Emma R. and Leo J. The names of the deceased children are: Bernard W., Mrs. John Touhy and P. Frances.

Funeral services were held in the Catholic church at 9.00 A. M. Monday, conducted by Father Lynch and interment was made in the Catholic cemetery.

Birthday Surprise Party,

Thomas E. Evans, a building contractor of this place, was given a genuine large flags were flung to the breeze at birthday surprise party last Thursday held in Centennial hall Sunday nights this place. A twenty foot flag pole, evening, which was manipulated by his better-half and a few friends. The affair was worked so nicely that Thomas did not even think of it being his birthday until the guests bumped his head against the ceiling of his parlor. Thomas belongs to the I.O.O.F. degree team and Thursday was set as a practice night, which kept Mr. Evans way from home until half past nine o'clock and by that time thirty or more of his friends, who had been invited by the surprise schemers, were sitting in Mr. Evans' parlor in the dark. When he entered his hall one of the guests. who was stationed there for that purpose, grabbed the gentleman and pushed him into the parlor, where other strong hands laid hold on him and hoisted him

FIRE FROM GLASS LAMP.

Mrs. Iseman and Son Jumped Out of Second Story Window.

A little after two o'clock Friday morning the fire bell startled the citizens from their peaceful slumbers and soon there was a hurrying of feet towards the place where the fire fiend was attempting to destroy the dwelling house occupied by Henry Iseman at the corner of Hill and Fourth streets. By the quick response and active work of the fire company the house was saved from destruction, not, however, until it was pretty well burned on the interior and most all the household goods on the second floor were flestroyed. The house is owned by the Reynoldsville Building and Loan Association and was insured. but Mr. Iseman had no insurance on his household goods.

Mr. Iseman is night watchman at Hopkins mill and Mrs. Iseman and her 15-year-old son, Frank. were alone and had to jump out of the second story window to save their lives. Mrs. Iseman had just gone up stairs to go to bed. She had two or three skirts over her shoulder and carried a glass lamp in her hand and when she reached the top of the stairs she set the lamp down on a stand and turned around and accidentally knocked the lamp off the stand with the skirts as she turned. The lamp, which was full of oil, struck near the top step and rolled down stairs, scattering fire as it rolled. Mrs. Iseman took in the situation in a second and awakened Frank and gave the alarm. Frank, who is very excitable about fires, put on a shirt and jumped out of the window, as there was no other way of escape. Mrs. Iseman gathered up what clothing she could before driven out by the heat and smoke and then she had to crawl out of second story window and drop to terra firma. She sprained her left wrist in getting

Meredith Brick Works.

out.

The new brick works of W. R. Meredith & Bro., located about three miles west of Reynoldsville on the line of the A. V. R'y, which started up Monday, is one of the best equipped plants of its kind in this section of the state, and the clay surrounding the plant is of an excellent quality. The machinery has a capacity of from thirty to forty thous-and brick per day, but the dryer and burning kilns only have a capacity of twenty thousand brick, but this will be increased as soon as needed. Meredith & Bro. had to buy and ship brick from Kittanning to build the dry-er and burning kilns, and for that reason the present kilns are not equal in capacity to the machinery. The clay will be bruled to the plant on a tram road. The clay first goes through the crusher, then to screen, kind in this section of the state, and

Ine clay will be maned to the plant on a tram road. The clay first goes through the crusher, then to screen, from that to pug mill, where tempered, then to brick machine, cutting table, through the repress machine, then to dry house and from that to burning will. kiln

This company will make fire, paving and building brick. They will make red, buff, cream and gray brick. The brick will be burned with coal. Meredith & Bro. have opened a four foot vein of coal near the brick works and will supply themselves with the nec-essary fuel for the plant. The plant will employ twenty men. There are orders in now for 1.000,060 paving and

W. R. Meredith resides at Punxsu-tawney and I. C. Meredith is a resident Cool Spring, but he expects to move to Reynoldsville in the near future.

Some seven or eight years ago W. R. Meredith & Bro. started a saw mill at Meredith and two years ago, having sawed all their lumber, shut down the mill, but during their stay there they discovered what excellent brick cky, in large quantities, was in that locality, and the result is a large brick plant now stands where a saw mill was buzzing a few years ago.

Knights of Pythias Reunion.

The sixth annual reunion of the Northwestern District of the Knights of Pythias, which is composed of Jefferson, Elk, Indiana and Clearfield counties, was held in Punxsutawney last Thursday. It was a beautiful day for such an occasion and a large crowd was present. A special train was run from Rathmel and Reynoldsville. One hundred and sixty people were on this train. one hundred and fourteen of whom were from Rathmel. Quite a number of our people drove overland. Confidence Lodge, No. 344, of Rathmel, won second prize, sword and belt, for largest num er of members in line. The first prize, a large banner, was won by Chestnut Ridge Lodge. The seventh rounion is to be held at Curwensville the seco Thursday in June, 1899. Reynoldsville and Curwensville were the only places nominated for the seventh reunion and the latter place was victorious.

Feicht's Snake Story.

Charles Feicht, the pharmacist who fills prescriptions at Stoke's pharmacy, was over in Potter county last week trout fishing and on Monday we heard him tell the following snake story: "Another member of the party and I were going down a log-slide when we are a log-slide when we saw a large black snake, at least seven feet long, just ahead of us with a groundhog in its mouth. We stopped to see what the snake would do with it to see what the snake would do with it and we were not kept in suspense long, for the snake soon swallowed the groundhog. Then his snakeship stood up, pulled a porcupine quill out of his body, began picking his teeth and walked leisurely down to a stream near by and got a drink of water."
