Three Cheers for All.

The "Alabama" walks the wave—the "Dixie" don't fine.

An' I hear the halloo of the boys along the line.

It's "Forward—march, my country!" The old flag floats so high.

Her ribbons are like rainbows a-rippin' 'round the sky!

Three cheers—you "Alabama!"—three cheers for "Dixie," too!

Three cheers for anything that flies the old red, white 'n' blue!

It's "Forward—march, my country!" The old flag goes 'n' by.

An' her ribbons are like rainbows 'round the storm that shakes the sky!

A Peculiar Freak.

A very peculiar freak was born to a Slavish family at Adrian Mines last Thursday. It was a monstrosity of the Siamese twins type, only a much more curious caprice of nature. One child was well formed and fully developed. The other had a well developed head and face, and a partially developed body, but no arms or legs other than the merest suggestions in the shape of little fleshy protuberances. The two heads were grown together at the backs, and so firmly united and blended that you could not tell where one began and the other ended. One was a male and the other a female. The monstrosity was delivered by Dr. Williams, who took it to Adrian Hospital, where it was photographed in half a dozen different positions by Allen Work, the photographer. The father of the freak was filled with superstitious alarm, and evidently thought that he was the victim of the malice of some evil spirit.—Punxsutawney Spirit.

Paradise.

J. W. Syphrit, of the Clarion Normal, came home on his wheel last Friday to see his mother and get a good drink of water.

Mrs. Flickinger and Mrs. N. Hanau, of Reynoldsville, visited in Paradise last Friday.

Blanco Stear, of Punxsutawney, was in town last Friday.
Misses Tena Strouse and Annie Hollenbaugh visited the former's sister in Dutch Paradise last Sunday.

J. M. Sheesley is still in the ground-hog business.
Mr. Macadoo was in Punxsy a few days last week.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles was absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at H. A. Stoke's Drug Store. Regular size 50c. and \$1.00. Every bottle guaranteed.

Convention National Educational Ass'n.

For the National Educational Association Convention to be held at Washington, D. C., July 7 to 12, the Pennsylvania Railroad Co. will sell excursion tickets from points on its line to Washington and return at rate of single fare for the round trip, plus \$2.00 membership fee. These tickets will be sold on, and good going, July 4 to 7, and good to return leaving Washington July 8 to 15, when stamped by Joint Agent at Washington. By depositing ticket with Joint Agent on or before July 12 and on payment of 50 cents the return limit may be extended to August 31. Tickets for side trips from Washington to Gettysburg, Richmond, Old Point Comfort and southern battlefields will be on sale at the ticket offices of the Pennsylvania Railroad Company in Washington during the continuance of the Convention.

A Note From the Editor.

The editor of a leading state paper writes: "If you had seen my wife last June and were to see her to-day you would not believe she was the same woman. Then she was broken down by nervous debility and suffered terribly from constipation and sick headache. Bacon's Celery King for the nerves made her a well woman in one month." H. Alex. Stoke will give you a free sample package of this great herbal remedy. Large size 25c. and 50c.

Going Off On the Fourth?

asked the match of the firecracker. Why certainly. The man or woman that rides a

Columbus Bicycle

will have the best of it, however. They can pedal through the leafy country all day and come home as fresh as a daisy. It's a mighty easy wheel to ride. It is built that way. And it is a wheel that will be in good condition long after better known wheels have gone the way of all steel.
